**ASSESSMENT AREA ONE ENGINEER'S REPORT FOR THE  
GIR EAST COMMUNITY DEVELOPMENT DISTRICT**

September 2024  
Revised October 2024

**1. PURPOSE**

This report supplements the *Master Report of District Engineer*, dated October 2022 (“**Master Report**”) in order to address the first phase of the District’s CIP to be known as the “**2024 Project**” a/k/a “**Assessment Area One Project.**” All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Master Report.

**2. 2024 PROJECT**

The District’s 2024 Project includes the portion of the CIP that is necessary for the development of what is known as “CCN-3 Phase 1, 2, & 3, Phases 4 & 5, Phase 6 and Phase 7” (together, “**Assessment Area One**”) of the District. A legal description for Assessment Area One is shown in **Exhibit A** and the Assessment Area One limits are shown on **Exhibit B**.

**Product Mix**

The table below shows the product types that will be part of the 2024 Project:

Product Types		
		2024 Assessment Area One
Product Type	Lot Width	Number of Units
TH	22	194
SFD	32	0
SFD	35	0
SFD	40	67
SFD	50	74
SFD	55	40
SFD	45	123
SFD	50	162
SFD	60	151
	<b>Total</b>	<b>811</b>

The various improvements that are part of the overall system of improvements comprising the CIP – including those that are part of the 2024 Project – are described in detail in the Master Report, and those descriptions are incorporated herein. The 2024 Project includes, generally stated, the following items relating to Assessment Area One: Waterlin Blvd (a.k.a. PTC-1) and its associated paving, drainage, water, sewer, reclaimed water, landscape and irrigation. Offsite utilities to include water, sewer and reclaimed mains as well as the Amenity Park, Frontage Park Entry Sign, and associated landscaping and hardscape.

Waterlin Blvd is a 4-lane divided roadway referred to as a Premium Transit Corridor (PTC-1) by Osceola County. The portion of Waterlin Blvd being considered in this report is approximately 6,400 ft in length beginning at Canoe Creek Blvd and extending west. Waterlin Blvd provides access to the adjacent residential neighborhoods. The offsite water, sewer and reclaimed mains will provide utility service to the assessment area. The Amenity Park is in the neighborhood known as CCN-3 Phases 1, 2 and 3 and will

include a clubhouse, pool, playground and other common area elements for the community to utilize. The Frontage Park is a linear park running along the western right-of-way of Canoe Creek Road adjacent to CCN-3 Phases 1, 2, & 3 and is part of the larger interconnected trail and park system that interconnects the different neighborhoods within the Waterlin Development. The entry and associated landscaping is one of the primary way point markers used to identify that community and provide aesthetic enhancement of the community's entrance.

**Permits**

The status of the applicable permits necessary for the 2024 Project is as shown below. All permits and approvals necessary for the development of the 2024 Project have been obtained or are reasonably expected to be obtained in due course.

**Estimated Costs / Benefits**

The table below shows the costs that are necessary for delivery of the Assessment Area One lots for the 2024 Project, which includes the master improvements as described above.

**ESTIMATED COSTS OF DELIVERING THE ASSESSMENT AREA ONE PROJECT**

<b>Improvement</b>	<b>Estimated Cost Assessment Area One Project</b>	<b>Operation &amp; Maintenance Entity</b>
Offsite Utilities	\$11,268,989	TOHO
Roadways (Waterlin Blvd only)	\$2,620,932	County
Stormwater (Waterlin Blvd only)	\$2,492,989	CDD
Sanitary Sewer Collection System	\$490,324	TOHO
Water Distribution System	\$1,066,539	TOHO
Reclaimed Water Distribution System	\$688,379	TOHO
Landscaping, Hardscape and Irrigation	\$4,000,000	CDD
Recreational Facilities	\$4,400,000	CDD
Professional Services	\$4,054,223	n/a
Contingency	\$3,108,237	As above
<b>TOTAL</b>	<b>\$34,190,612</b>	

- a. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- b. The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner’s or homeowner’s association, in which case such items would not be part of the CIP.
- c. The District may enter into an agreement with a third-party, or an applicable property owner’s or homeowner’s association, to maintain any District-owned improvements, subject to the approval of the District’s bond counsel. Specifically, the CDD intends to maintain all of its own improvements except that the CDD will contract with an HOA for all landscaping and hardscaping services. Further, the CDD intends to contract with an HOA for day-to-day irrigation maintenance, but the CDD will perform any major repairs/replacements.
- d. Certain portions of master roadway and stormwater improvements within the District’s overall CIP are eligible for impact fee credits and it is currently anticipated that such impact-fee creditable portions will be financed by the Developer. As this pertains to the current phase Waterlin Blvd Phase 1, the total cost of the roadway improvements is estimated to be \$10,064,791. Per the TRI-PARTY DEVELOPMENT AGREEMENT between WS GIR LLC, the City of St. Cloud and Osceola County (recorded in Bk 6588, PG 2826 of Osceola County records), 49.19% of this total cost is eligible for impact fee credits and is being financed by the Developer and the associated impact fee credits will be retained by the Developer; therefore the \$5,113,920 estimated above (roadway + stormwater) represents the 50.81% of the total cost of Waterlin Blvd not eligible for impact fee credits and being financed by District bonds.
- e. Because the CIP is a system of improvements, future bonds, secured by special assessments levied on lands outside of the 2024 Project area, may be issued to finance certain master improvements that were constructed as part of the 2024 Project but not otherwise reimbursed by District bonds.
- f. Offsite utility costs are those for which Waterlin CDD is responsible based on the draft offsite utility agreement dated 9-24-24.

### 3. CONCLUSION

The 2024 Project will be designed in accordance with current governmental regulations and requirements. The 2024 Project will serve its intended function so long as the construction is in substantial compliance with the design. It is further our opinion that:

- the estimated cost of the 2024 Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the 2024 Project are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the 2024 Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the 2024 Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within Assessment Area One will receive a special benefit from the 2024 Project that is at least equal to the costs of the 2024 Project.

As described above, this report identifies the benefits from the 2024 Project to the lands within Assessment Area One. The general public, property owners, and property outside Assessment Area One will benefit from the provisions of the 2024 Project; however, these are incidental to the 2024 Project, which is designed solely to provide special benefits peculiar to property within Assessment Area One. Special and peculiar benefits accrue to property within Assessment Area One and enable properties within its boundaries to be developed.

The 2024 Project will be owned by the District or other governmental units and such 2024 Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the 2024 Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The 2024 Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the actual cost of the components of the 2024 Project or the fair market value.

Please note that the 2024 Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the 2024 Project, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

Similarly, GMS-CF, LLC does not provide the GIR East Community Development District with financial advisory services or offer investment advice in any form.**

**1.0 Introduction**

The GIR East Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended (the “District”). The District plans to issue up to \$41,700,000 of tax exempt bonds in one or more series (the “Bonds”) for the purpose of financing certain infrastructure improvements within an assessment area within the District consisting of what is known as CCN-3 Phases 1-7 within the boundaries of the District (herein “Assessment Area One”) more specifically described in the Engineer’s Report for Assessment Area One dated September 2024, revised October 2024, prepared by Heidt Design, LLC (the “District Engineer”) as may be amended and supplemented from time to time (the “Engineer’s Report”). The District anticipates the construction of infrastructure improvements that benefit property owners within Assessment Area One within the District.

**1.1 Purpose**

This Master Assessment Methodology for Assessment Area One (the “Assessment Report”) provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties in Assessment Area One within the District. The Assessment Report allocates the debt to properties within Assessment Area One based on the special benefits each receives from the Assessment Area One Project (“AA1 Project”). This Assessment Report will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of Bonds. This Assessment Report is designed to conform to the requirements of Chapters 190, 197, and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject. Additional master methodology reports will be produced for the other assessment areas within the District.

The District intends to impose non ad valorem special assessments on the benefited lands within Assessment Area One within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Section 197.3632, Florida Statutes or any other legal means available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

**1.2 Background**

The District currently includes approximately 1,526 acres in Osceola County, Florida and envisions approximately 3,003 residential units. The AA1 Project is a component of the District’s overall capital improvement program which provides a master system of improvements to the benefitting lands within the District. Assessment Area One includes approximately 428.655 acres and envisions 811 residential units (herein the

“AA1 Development Program”). The proposed AA1 Development Program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the AA1 Project will provide facilities that benefit certain property within the Assessment Area One within the District. The AA1 Project is delineated in the Engineer’s Report. Specifically, the District may construct and/or acquire certain roadways (Waterlin Blvd. only), stormwater (Waterlin Blvd. only), sanitary sewer collection system, water distribution system, reclaimed water distribution system, landscaping, hardscape & irrigation, recreational facilities, professional services, and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements and services that may be provided by the District and the costs to implement the AA1 Project.
2. The District Engineer determines the assessable acres that benefit from the District’s AA1 Project.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the AA1 Project.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, site planned, or subject to a declaration of condominium, this amount will be assigned to each of the benefited properties based on the number of platted units on an ERU basis.

### **1.3 Special Benefits and General Benefits**

Improvements undertaken by the District create special and peculiar benefits to assessable property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to property within Assessment Area One and/or within the District. The implementation of the AA1 Project enables properties within its boundaries to be developed. Without the District’s AA1 Project, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within Assessment Area One within the District would be prohibited by law.

There is no doubt that the general public and property owners outside of Assessment Area One and/or within the District will benefit from the provision of the District's AA1 Project. However, these benefits will be incidental to the District's AA1 Project, which is designed solely to meet the needs of property within Assessment Area One and/or within the District. Properties outside the District boundaries and outside Assessment Area One do not depend upon the District's AA1 Project. The property owners within Assessment Area One are therefore receiving special benefits not received by those outside the District's boundaries and outside of Assessment Area One within the District.

#### **1.4 Requirements of a Valid Assessment Methodology**

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

#### **1.5 Special Benefits Exceed the Costs Allocated**

The special benefits provided to the property owners within Assessment Area One within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's AA1 Project that is necessary to support full development of property within Assessment Area One will cost approximately \$34,190,612. The District's Underwriter projects that financing costs required to fund the infrastructure improvements, including project costs, the cost of issuance of the Bonds, the funding of debt service reserves and capitalized interest, will be approximately \$41,700,000. Additionally, funding required to complete the AA1 Project which is not funded with Bonds is anticipated to be funded by WS-GIR, LLC, or a related entity (the "Developer"). Without the AA1 Project, the property would not be able to be developed and occupied by future residents of the community.

### **2.0 Assessment Methodology**

#### **2.1 Overview**

The District is planning to issue approximately \$41,700,000 in Bonds to fund the District's AA1 Project for Assessment Area One, provide for capitalized interest, a debt service reserve account and pay cost of issuance. It is the purpose of this Assessment

Report to allocate the \$41,700,000 in debt to the properties benefiting from the AA1 Project.

Table 1 identifies the land uses as identified by the Developer and current landowners of the land within the District. The District has a proposed Engineer's Report for the AA1 Project costs needed to support the AA1 Development Program, which construction costs are outlined in Table 2. The improvements needed to support the AA1 Development Program within Assessment Area One are described in detail in the Engineer's Report and are estimated to cost \$34,190,612. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for the AA1 Project and related costs was determined by the District's Underwriter to total approximately \$41,700,000. Table 3 shows the breakdown of the bond sizing.

## 2.2 Allocation of Debt

Allocation of debt is a continuous process until the AA1 Development Program is completed. The AA1 Project funded by District bonds benefits all developable acres within Assessment Area One of the District.

The initial assessments will be levied on an equal basis to all acres within Assessment Area One of the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within Assessment Area One of the District are benefiting from the improvements.

Once platting, site planning, or the recording of declaration of condominium, ("Assigned Properties") has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. Property that has not been platted, assigned development rights or subjected to a declaration of condominium ("Unassigned Properties"), will continue to be assessed on a per acre basis. Eventually the AA1 Development Program will be completed and the debt relating to the Bonds will be allocated to the planned 811 residential units within Assessment Area One within the District, which are the primary beneficiaries of the AA1 Project, as depicted in Table 5 and Table 6. If there are changes to the AA1 Development Program, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

## 2.3 Allocation of Benefit

The AA1 Project consists of roadways (Waterlin Blvd. only), stormwater (Waterlin Blvd. only), sanitary sewer collection system, water distribution system, reclaimed water distribution system, landscaping, hardscape & irrigation, recreational facilities, professional services, and contingency. There are six residential product types within the AA1 Development Program as reflected in Table 1, with each product type with its corresponding equivalent residential unit (“ERU”). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the AA1 Project on the particular units exceeds the cost that the units will be paying for such benefits.

## 2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed AA1 Project relating to Assessment Area One will provide several types of systems, facilities and services for its residents. These include roadways (Waterlin Blvd. only), stormwater (Waterlin Blvd. only), sanitary sewer collection system, water distribution system, reclaimed water distribution system, landscaping, hardscape & irrigation, recreational facilities, professional services, and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

For the provision of AA1 Project relating to the Assessment Area One, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

## 2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer’s Report relating to the AA1 Development Program is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's AA1 Project relating to the AA1 Development Program have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed AA1 Project is developed or acquired and financed by the District.

### **3.0 True Up Mechanism**

Although the District does not process plats, declarations of condominium, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service, then no debt reduction is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

### **4.0 Assessment Roll**

The District will initially distribute the liens across the property within Assessment Area One within the District boundaries on a gross acreage basis. As Assigned

Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Tables 1, 4, 5, and 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land within Assessment Area One within the District prior to the time final Assigned Properties become known. At this time the debt associated with the District's AA1 Project will be distributed evenly across the acres of Assessment Area One within the District. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The current assessment roll is depicted in Table 7.

**1.0 Introduction**

The GIR East Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended (the “District”). The District plans to issue approximately \$19,330,000 of tax exempt (the “Bonds”) for the purpose of financing certain infrastructure improvements within an assessment area within the District consisting of what is known as CCN-3 Phases 1-7 within the boundaries of the District (herein “Assessment Area One”) more specifically described in the Engineer’s Report for Assessment Area One dated September 2024, revised October 2024, prepared by Heidt Design, LLC (the “District Engineer”) as may be amended and supplemented from time to time (the “Engineer’s Report”). The District anticipates the construction of infrastructure improvements that benefit property owners within Assessment Area One within the District.

**1.1 Purpose**

This Supplemental Assessment Methodology for Assessment Area One (the “Assessment Report”) supplements the Master Assessment Methodology for Assessment Area One dated October 9, 2024, and provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties in Assessment Area One within the District. The Assessment Report allocates the debt to properties within Assessment Area One based on the special benefits each receives from the Assessment Area One Project (“AA1 Project”). This Assessment Report is designed to conform to the requirements of Chapters 190, 197, and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within Assessment Area One within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Section 197.3632, Florida Statutes or any other legal means available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

**1.2 Background**

The District currently includes approximately 1,526 acres in Osceola County, Florida and envisions approximately 3,003 residential units. The AA1 Project is a component of the District’s overall capital improvement program which provides a master system of improvements to the benefitting lands within the District. Assessment Area One includes approximately 428.66 acres and envisions 811 residential units (herein the “AA1 Development Program”). The proposed AA1 Development Program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the AA1 Project will provide facilities that benefit certain property within the Assessment Area One within the District. The AA1 Project is delineated in the Engineer's Report. Specifically, the District may construct and/or acquire certain offsite utilities, roadways (Waterlin Blvd. only), stormwater (Waterlin Blvd. only), sanitary sewer collection system, water distribution system, reclaimed water distribution system, landscaping, hardscape & irrigation, recreational facilities, professional services, and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements and services that may be provided by the District and the costs to implement the AA1 Project.
2. The District Engineer determines the assessable acres that benefit from the District's AA1 Project.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the AA1 Project.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, site planned, or subject to a declaration of condominium, this amount will be assigned to each of the benefited properties based on the number of platted units on an ERU basis.

### **1.3 Special Benefits and General Benefits**

Improvements undertaken by the District create special and peculiar benefits to assessable property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to property within Assessment Area One and/or within the District. The implementation of the AA1 Project enables properties within its boundaries to be developed. Without the District's AA1 Project, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within Assessment Area One within the District would be prohibited by law.

There is no doubt that the general public and property owners outside of Assessment Area One and/or within the District will benefit from the provision of the District's AA1 Project. However, these benefits will be incidental to the District's AA1 Project, which is designed solely to meet the needs of property within Assessment Area One

and/or within the District. Properties outside the District boundaries and outside Assessment Area One do not depend upon the District's AA1 Project. The property owners within Assessment Area One are therefore receiving special benefits not received by those outside the District's boundaries and outside of Assessment Area One within the District.

## **1.4 Requirements of a Valid Assessment Methodology**

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

## **1.5 Special Benefits Exceed the Costs Allocated**

The special benefits provided to the property owners within Assessment Area One within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's AA1 Project that is necessary to support full development of property within Assessment Area One will cost approximately \$34,190,612. The District's Underwriter projects that financing costs required to fund the infrastructure improvements, including project costs, the cost of issuance of the Bonds, and the funding of debt service reserves, will be approximately \$19,330,000. Additionally, funding required to complete the AA1 Project which is not funded with Bonds is anticipated to be funded by WS-GIR, LLC, or a related entity (the "Developer"). Without the AA1 Project, the property would not be able to be developed and occupied by future residents of the community.

## **2.0 Assessment Methodology**

### **2.1 Overview**

The District is planning to issue approximately \$19,330,000 in Bonds to fund the District's AA1 Project for Assessment Area One, fund a debt service reserve account and pay cost of issuance. It is the purpose of this Assessment Report to allocate the \$19,330,000 in debt to the properties benefiting from the AA1 Project.

Table 1 identifies the land uses as identified by the Developer and current landowners of the land within the District. The District has a proposed Engineer's Report for the AA1 Project costs needed to support the AA1 Development Program, which

construction costs are outlined in Table 2. The improvements needed to support the AA1 Development Program within Assessment Area One are described in detail in the Engineer's Report and are estimated to cost \$34,190,612. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for the AA1 Project and related costs was determined by the District's Underwriter to total approximately \$19,330,000. Table 3 shows the breakdown of the bond sizing.

## 2.2 Allocation of Debt

Allocation of debt is a continuous process until the AA1 Development Program is completed. The AA1 Project funded by District bonds benefits all developable acres within Assessment Area One of the District.

The initial assessments will be levied on an equal basis to all acres within Assessment Area One of the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within Assessment Area One of the District are benefiting from the improvements.

Once platting, site planning, or the recording of declaration of condominium, ("Assigned Properties") has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. Property that has not been platted, assigned development rights or subjected to a declaration of condominium ("Unassigned Properties"), will continue to be assessed on a per acre basis. Eventually the AA1 Development Program will be completed and the debt relating to the Bonds will be allocated to the planned 811 residential units within Assessment Area One within the District, which are the primary beneficiaries of the AA1 Project, as depicted in Table 5 and Table 6. If there are changes to the AA1 Development Program, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0.

## 2.3 Allocation of Benefit

The AA1 Project consists of offsite utilities, roadways (Waterlin Blvd. only), stormwater (Waterlin Blvd. only), sanitary sewer collection system, water distribution system, reclaimed water distribution system, landscaping, hardscape & irrigation, recreational facilities, professional services, and contingency. There are six residential product types within the AA1 Development Program as reflected in Table 1, with each product type with its corresponding equivalent residential unit ("ERU"). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the AA1 Project on the particular units exceeds the cost that the units will be paying for such benefits.

## 2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed AA1 Project relating to Assessment Area One will provide several types of systems, facilities and services for its residents. These include offsite utilities, roadways (Waterlin Blvd. only), stormwater (Waterlin Blvd. only), sanitary sewer collection system, water distribution system, reclaimed water distribution system, landscaping, hardscape & irrigation, recreational facilities, professional services, and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

For the provision of AA1 Project relating to the Assessment Area One, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

## 2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report relating to the AA1 Development Program is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's AA1 Project relating to the AA1 Development Program have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed AA1 Project is developed or acquired and financed by the District.

### **3.0 True Up Mechanism**

Although the District does not process plats, declarations of condominium, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service, then no debt reduction is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

### **4.0 Assessment Roll**

The District will initially distribute the liens across the property within Assessment Area One within the District boundaries on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Tables 1, 4, 5, and 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land within Assessment Area One within the District prior to the time final Assigned Properties become known. At this time the debt associated with the District's AA1 Project will be distributed evenly across the acres of Assessment Area One within the District. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The current assessment roll is depicted in Table 7.

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE GIR EAST COMMUNITY DEVELOPMENT DISTRICT AMENDING AND RESTATED RESOLUTION 2024-04 AND DECLARING SPECIAL ASSESSMENTS; INDICATING THE LOCATION, NATURE AND ESTIMATED COST OF THOSE INFRASTRUCTURE IMPROVEMENTS WHOSE COST IS TO BE DEFRAID BY THE SPECIAL ASSESSMENTS; PROVIDING THE PORTION OF THE ESTIMATED COST OF THE IMPROVEMENTS TO BE DEFRAID BY THE SPECIAL ASSESSMENTS; PROVIDING THE MANNER IN WHICH SUCH SPECIAL ASSESSMENTS SHALL BE MADE; PROVIDING WHEN SUCH SPECIAL ASSESSMENTS SHALL BE PAID; DESIGNATING LANDS UPON WHICH THE SPECIAL ASSESSMENTS SHALL BE LEVIED; PROVIDING FOR AN ASSESSMENT PLAT; ADOPTING A PRELIMINARY ASSESSMENT ROLL; PROVIDING FOR PUBLICATION OF THIS RESOLUTION.**

**WHEREAS**, the Board of Supervisors (the “Board”) of the GIR East Community Development District (the “District”) hereby determines to undertake, install, plan, establish, construct or reconstruct, enlarge or extend, equip, acquire, operate, and/or maintain the infrastructure improvements (the “Improvements”) described in the District’s *Assessment Area One Engineer’s Report* dated September 2024 Revised October 2024, attached hereto as **Exhibit A** and incorporated herein by reference; and

**WHEREAS**, it is in the best interest of the District to pay the cost of the Improvements by special assessments pursuant to Chapter 190, *Florida Statutes* (the “Assessments”); and

**WHEREAS**, the District is empowered by Chapter 190, Community Development Districts, Chapter 170, Supplemental and Alternative Method of Making Local Municipal Improvements, and Chapter 197, Tax Collections, Sales and Liens, *Florida Statutes*, to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain the Improvements and to impose, levy and collect the Assessments; and

**WHEREAS**, the District hereby determines that benefits will accrue to the property improved, the amount of those benefits, and that special assessments will be made in proportion to the benefits received as set forth in the *Master Special Assessment Methodology Report for Assessment Area One*, dated October 9, 2024, attached hereto as **Exhibit B** and incorporated herein by reference and on file at the office of the District Manager, c/o George Flint, Governmental Management Services, LLC, 219 East Livingston Street, Orlando, Florida 32801 (the “District Records Office”); and

**WHEREAS**, the District hereby determines that the Assessments to be levied will not exceed the benefit to the property improved; and

**WHEREAS**, the District desires to amend and restate its previous Resolution 2024-04 in order to declare its intent to levy the Assessments in accordance with the current Estimated Costs (as defined hereinafter) as further provided in the aforementioned reports.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE GIR EAST COMMUNITY DEVELOPMENT DISTRICT:**

**SECTION 1.** Recitals stated above are true and correct and by this reference are incorporated into and form a material part of this Resolution.

**SECTION 2.** Assessments shall be levied to defray a portion of the cost of the Improvements.

**SECTION 3.** The nature and general location of, and plans and specifications for, the Improvements are described in **Exhibit A**, which is on file at the District Records Office. **Exhibit B** is also on file and available for public inspection at the same location.

**SECTION 4.** The total estimated cost of the Improvements is \$34,190,612 (the "Estimated Cost").

**SECTION 5.** The Assessments will defray approximately \$41,700,000, which includes the Estimated Cost, plus financing-related costs, capitalized interest, a debt service reserve, and contingency.

**SECTION 6.** The manner in which the Assessments shall be apportioned and paid is set forth in **Exhibit B**, including provisions for supplemental assessment resolutions.

**SECTION 7.** The Assessments shall be levied, within the District, on all lots and lands adjoining and contiguous or bounding and abutting upon the Improvements or specially benefitted thereby and further designated by the assessment plat hereinafter provided for.

**SECTION 8.** There is on file, at the District Records Office, an assessment plat showing the area to be assessed, with certain plans and specifications describing the Improvements and the estimated cost of the Improvements, all of which shall be open to inspection by the public.

**SECTION 9.** With respect to each lien securing a series of bonds, the Assessments shall be paid in not more than thirty (30) annual installments. The Assessments may be payable at the same time and in the same manner as are ad valorem taxes and collected pursuant to Chapter 197, *Florida Statutes*; provided, however, that in the event the uniform non-ad valorem assessment method of collecting the Assessments is not available to the District in any year, or if determined by the District to be in its best interest, the Assessments may be collected as is otherwise permitted by law.

**SECTION 10.** The District Manager has caused to be made a preliminary assessment roll, in accordance with the method of assessment described in **Exhibit B** hereto, which shows the lots and lands assessed, the amount of benefit to and the assessment against each lot or parcel of land and the number of annual installments into which the assessment may be divided, which assessment roll is hereby adopted and approved as the District's preliminary assessment roll.

**SECTION 11.** The Board shall adopt a subsequent resolution to fix a time and place at which the owners of property to be assessed or any other persons interested therein may appear before the Board and be heard as to the propriety and advisability of the assessments or the making of the Improvements, the cost thereof, the manner of payment therefore, or the amount thereof to be assessed against each property as improved.

**SECTION 12.** The District Manager is hereby directed to cause this Resolution to be published twice (once a week for two (2) consecutive weeks) in a newspaper of general circulation within Osceola County, provided that the first publication shall be at least twenty (20) days before and the last publication shall be at least one (1) week prior to the date of the hearing, and to provide such other notice as may be required by law or desired in the best interests of the District.

**WHEREAS**, the Board of Supervisors of GIR East Community Development District (the "Board" and the "District," respectively) has determined to proceed at this time with the sale and issuance of GIR East Community Development District Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) (the "Series 2024 Bonds") to be issued under and pursuant to a Master Trust Indenture, dated as of the first day of the first month and year in which Bonds are issued thereunder (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, Fort Lauderdale, Florida, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture to be dated as of the first day of the first month and year in which the Series 2024 Bonds are issued thereunder (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture") between the District and the Trustee, in order to finance a portion of the Costs of the Assessment Area One Project, as more particularly described in the Assessment Area One Engineer's Report, prepared by Heidt Design, LLC, as amended and supplemented from time to time;

**WHEREAS**, the Board has determined that given the nature of the market, the necessity for moving rapidly and the nature of the security for the Series 2024 Bonds, it is necessary and desirable for the Series 2024 Bonds to be sold by negotiated sale rather than competitive bid;

**WHEREAS**, the Board has received a proposal from FMSbonds, Inc. (the "Underwriter") for the purchase of the Series 2024 Bonds within parameters to be established by the Board and the Board has determined that authorization of the Chairman or other designated person to enter into a Bond Purchase Contract (the "Purchase Contract") in substantially the form attached hereto as Exhibit A for the sale of the Series 2024 Bonds to the Underwriter within the Parameters (hereinafter defined) herein set forth is in the best interests of the District for the reasons hereafter indicated; and

**WHEREAS**, in conjunction with the sale and issuance of the Series 2024 Bonds, it is necessary to approve the forms of the Master Indenture and Supplemental Indenture, to establish the parameters for the delegated award of the Series 2024 Bonds as set forth in Schedule I attached hereto (the "Parameters"), to authorize the Chairman or other designated person to approve the use of the Preliminary Limited Offering Memorandum relating to the Series 2024 Bonds and the form of the final Limited Offering Memorandum, to approve the form of the Series 2024 Bonds and to provide for various other matters with respect to the Series 2024 Bonds and the undertaking of the Assessment Area One Project.

**NOW, THEREFORE, BE IT RESOLVED** that:

**1. Definitions.** All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture.

**2. Award.** The Purchase Contract in the form attached hereto as Exhibit A is hereby approved in substantial form and the sale of the Series 2024 Bonds to the Underwriter upon the terms and conditions therein set forth, but within the Parameters, is hereby approved. The Chairman is hereby authorized and directed to execute and deliver the Purchase Contract on behalf of the District, with such changes, additions, deletions and insertions as shall be approved by the official executing such Purchase Contract, which approval shall be conclusively evidenced by the execution and delivery thereof. In the absence or unavailability of the Chairman, the Vice Chairman is authorized and directed to execute the Purchase Contract, and in the absence or unavailability of the Vice Chairman, any other member of the Board is authorized and directed to execute the Purchase Contract. The Purchase Contract, when executed and delivered by the District and the Underwriter, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms.

**3. Negotiated Sale.** The Board hereby determines that a negotiated sale of the Series 2024 Bonds to the Underwriter is in the best interests of the District because the market for instruments such as the Series 2024 Bonds is limited, because of prevailing market conditions and because the delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2024 Bonds.

**4. Approval of Forms of Master Indenture and Supplemental Indenture; Appointment of Trustee, Paying Agent and Bond Registrar.** Attached hereto as Exhibit B are the forms of the Master Indenture and Supplemental Indenture, which are each hereby authorized and approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Master Indenture and Supplemental Indenture and the Chairman is hereby authorized to deliver to the Trustee the Master Indenture and Supplemental Indenture which, when executed and delivered by the Trustee, shall each constitute the legal, valid and binding obligation of the District, enforceable in accordance with its respective terms. U.S. Bank Trust Company, National Association is hereby appointed as Trustee, Paying Agent and Bond Registrar under the Indenture.

**5. Description of Series 2024 Bonds.** The Series 2024 Bonds shall be dated as of their date of delivery and may be issued in one or more Series having such details as shall be set forth in the Purchase Contract and as reflected in the Supplemental Indenture, but within the Parameters. The Series 2024 Bonds may be signed by the manual or facsimile signature of the Chairman and attested by the manual or facsimile signature of the Secretary. The Series 2024 Bonds shall, subject to the Parameters, be subject to redemption on the terms, at the times and prices and in the manner provided in the Purchase Contract and in the form of Series 2024 Bonds attached to the Supplemental Indenture, which form is hereby approved,

subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest and seal the Series 2024 Bonds and the Chairman is hereby authorized to deliver to the Trustee for authentication and delivery to the Underwriter upon payment by the Underwriter of the purchase price therefor, the Series 2024 Bonds which, when authenticated and delivered by the Trustee, shall be legal, valid and binding obligations of the District, enforceable in accordance with their terms.

**6. Approval of Form of Preliminary Limited Offering Memorandum and Limited Offering Memorandum; Approval of Form of Continuing Disclosure Agreement.** The Chairman is hereby authorized to approve the form and content of the Preliminary Limited Offering Memorandum, which is attached hereto as Exhibit C (the "Preliminary Limited Offering Memorandum") with such changes, additions, deletions and insertions as shall be approved by the Chairman prior to its distribution and the final form of which is to be dated the date of execution and delivery of the Purchase Contract (the "Limited Offering Memorandum") relating to the Series 2024 Bonds. The Chairman is hereby authorized to execute on behalf of the District such Limited Offering Memorandum with such changes, additions, deletions and insertions as the Chairman may approve (such approval to be conclusively evidenced by the execution of the Limited Offering Memorandum), and to deliver such Limited Offering Memorandum to the Underwriter in sufficient quantities for use by the Underwriter in marketing the Series 2024 Bonds. The Chairman is hereby authorized to deem "final" the Preliminary Limited Offering Memorandum, as of its date, for the purposes and within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (except for permitted omissions within the meaning of the aforementioned rule concerning the offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, ratings or other terms dependent upon such matters, and except for such technical and conforming changes which shall be approved by the Chairman which approval shall be evidenced by the execution thereof).

The Continuing Disclosure Agreement relating to the Series 2024 Bonds in the form attached hereto as Exhibit D is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Continuing Disclosure Agreement which, when executed and delivered by the District, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms. Governmental Management Services – Central Florida, LLC is hereby appointed as the initial dissemination agent.

**7. Open Meetings.** It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the Series 2024 Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the members of the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirements of Section 286.011, Florida Statutes.

**10. Undertaking of the Assessment Area One Project; Execution and Delivery of Other Instruments.** The Board hereby authorizes the undertaking of the Assessment Area One Project and authorizes and directs the District staff and Consulting Engineer to proceed with due diligence to the completion of the Assessment Area One Project in accordance with the Indenture and as described in the Limited Offering Memorandum. The Board hereby authorizes the Chairman and the Secretary to execute and deliver, receive or enter into such agreements, contracts, documents, instruments, certificates and proceedings incident thereto or necessary in order to effect the undertaking of the Assessment Area One Project and the issuance, sale and delivery of the Series 2024 Bonds, including but not limited to the execution and delivery of the DTC Letter of Representation.

Board of Supervisors  
GIR East Community Development District  
Osceola County, Florida

Dear Board of Supervisors:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the GIR East Community Development District (the "District"). The District is located within Osceola County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at 4:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statement attached hereto as Exhibit A.

**1. Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[\_\_\_\_\_] aggregate principal amount of GIR East Community Development District Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) (the "Series 2024 Bonds"). The Series 2024 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2024 Bonds shall be \$[\_\_\_\_\_] (representing the \$[\_\_\_\_\_] aggregate principal amount of the Series 2024 Bonds, [plus/less net original issue premium/discount of \$[\_\_\_\_\_] and] less an underwriter's discount of \$[\_\_\_\_\_]) (such payment and delivery of the Series 2024 Bonds and the other actions contemplated hereby to take place at the time of such payment and delivery being hereinafter referred to as the "Closing").

**2. The Series 2024 Bonds.** The Series 2024 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the "Act"), and established by Ordinance No. 2022-110 of the Board of County Commissioners of the County, adopted on October 17, 2022 and effective on October 25, 2022 (the "Ordinance"). The Series 2024 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of October 1, 2024 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of October 1, 2024 (the "First Supplemental Indenture," and together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"),

and Resolution Nos. 2023-25 and 2025-[ ] adopted by the Board on October 28, 2022 and [October 2], 2024, respectively (collectively, the "Bond Resolution"). The Series 2024 Assessments, the revenues of which comprise the Series 2024 Pledged Revenues for the Series 2024 Bonds, have been levied by the District on those lands within the District specially benefited by the Assessment Area One Project pursuant to certain resolutions adopted or to be adopted by the Board prior to the issuance of the Series 2024 Bonds (collectively, the "Assessment Resolution").

**3. Limited Offering; Establishment of Issue Price.** It shall be a condition to the District's obligation to sell and to deliver the Series 2024 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2024 Bonds, that the entire principal amount of the Series 2024 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds.

(b) Except as otherwise set forth in Exhibit B attached hereto, the District will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of the Series 2024 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2024 Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Series 2024 Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or until all Series 2024 Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Series 2024 Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Series 2024 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2024 Bonds, the Underwriter will neither offer nor sell unsold Series 2024 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5<sup>th</sup>) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Series 2024 Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) "public" means any person other than an underwriter or a related party, and

(2) a purchaser of any of the Series 2024 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(3) "sale date" means the date of execution of this Purchase Contract by all parties.

**4. Use of Documents.** Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter its Preliminary Limited Offering Memorandum dated [\_\_\_\_], 2024 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2024 Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum"), relating to the Series 2024 Bonds, which the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2024 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Underwriter to circulate and use the Preliminary Limited Offering Memorandum in connection with the limited offering of the Series 2024 Bonds. The District, at its expense, shall deliver or cause to be delivered to the Underwriter, within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date and in sufficient time to allow the Underwriter to comply with all of the requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated [\_\_\_\_], 2024 (such Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2024 Bonds, being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary

Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby ratifies and approves the circulation and use of the Limited Offering Memoranda by the Underwriter.

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which (i) are required for the due authorization by the District, or (ii) would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the District, of its obligations to issue the Series 2024 Bonds, or under the Series 2024 Bonds, the Bond Resolution, the Assessment Resolution, Financing Documents or the Ancillary Agreements to which it is a party have been duly obtained or will be obtained in the ordinary course of business, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Series 2024 Bonds;

(f) The descriptions of the Series 2024 Bonds, the Financing Documents, the Ancillary Agreements to which the District is a party and the Assessment Area One Project to the extent referred to in the Limited Offering Memoranda, conform in all material respects to the Series 2024 Bonds, the Financing Documents, such Ancillary Agreements and the Assessment Area One Project, respectively;

(g) The Series 2024 Bonds, when issued, executed and delivered in accordance with the Indenture and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture, and upon such issuance, execution and delivery of the Series 2024 Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Series 2024 Bonds, a legally valid and binding pledge of the Series 2024 Trust Estate. On the Closing Date, all conditions precedent to the issuance of the Series 2024 Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) There is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2024 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Series 2024 Assessments or the pledge of the Series 2024 Trust Estate, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2024 Bonds, or the authorization of the Assessment Area One Project, the Bond Resolution, the Assessment Resolution, the Financing Documents and the Ancillary Agreements to which the District is a party, or the application of the proceeds of the Series 2024 Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Series 2024 Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Series 2024 Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Series 2024 Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Series 2024 Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in

connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than Permitted Omissions) and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer," and "UNDERWRITING";

(k) If the Limited Offering Memorandum is supplemented or amended pursuant to subsection (1) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memorandum under the captions "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer," and "UNDERWRITING";

(l) If between the date of this Purchase Contract and the earlier of (i) ninety (90) days from the end of the "Underwriting Period" as defined in Rule 15c2-12, or (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB's Electronic Municipal Market Access system (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the District has actual knowledge, which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District except as disclosed in the Limited Offering Memoranda, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolution, the Series 2024 Bonds, the Financing Documents or the Ancillary Agreements to which it is a party, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) The District represents and warrants that it has not failed to timely comply with any continuing disclosure obligations with respect to any prior offering of securities except as expressly set forth in the Preliminary Limited Offering Memorandum;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Series 2024 Bonds), notes or other obligations payable from the Series 2024 Trust Estate.

[ \_\_\_\_\_ ], 2024

GIR East Community Development District  
Osceola County, Florida

Re: \$[ \_\_\_\_\_ ] GIR East Community Development District Capital Improvement Revenue  
Bonds, Series 2024 (Assessment Area One)

Dear Board of Supervisors:

Pursuant to Chapter 218.385, Florida Statutes, and with respect to the issuance of the above-referenced bonds (the "Series 2024 Bonds"), FMSbonds, Inc. (the "Underwriter"), having purchased the Series 2024 Bonds pursuant to a Bond Purchase Contract dated [ \_\_\_\_\_ ], 2024 (the "Bond Purchase Contract"), between the Underwriter and GIR East Community Development District (the "District"), furnishes the following information in connection with the limited offering and sale of the Series 2024 Bonds:

1. The total underwriting discount to be paid to the Underwriter pursuant to the Bond Purchase Contract is approximately \$[ \_\_\_\_\_ ] per \$1,000.00 or \$[ \_\_\_\_\_ ].
2. There are no "finders" as such term is used in Sections 218.385 and 218.386, Florida Statutes, in connection with the issuance of the Series 2024 Bonds.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Series 2024 Bonds are set forth in Schedule I attached hereto.
4. Any other fee, bonus or other compensation estimated to be paid by the Underwriter in connection with the Series 2024 Bonds to any person not regularly employed or retained by the Underwriter is as follows: None. GrayRobinson, P.A. has been retained as counsel to the Underwriter and will be compensated by the District.
5. Pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the following truth-in-bonding statements are made with respect to the Series 2024 Bonds.

The District is proposing to issue \$[ \_\_\_\_\_ ] aggregate amount of the Series 2024 Bonds for the purpose of providing funds to: (i) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area One Project (as defined in the Preliminary Limited Offering Memorandum), (ii) pay certain costs associated with the issuance of the Series 2024 Bonds, and (iii) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds. This debt or obligation is expected to be repaid over a period of approximately [ \_\_\_\_\_ ] ( ) years, [ \_\_\_\_\_ ] ( ) months, and [ \_\_\_\_\_ ] ( ) days. [There shall be no more than thirty (30) principal installments.] At a net interest cost of approximately [ \_\_\_\_\_ ]% for the Series 2024 Bonds, total interest paid over the life of the Series 2024 Bonds will be \$[ \_\_\_\_\_ ].

The source of repayment for the Series 2024 Bonds is the Series 2024 Assessments imposed and collected by the District. Based solely upon the assumptions set forth in the paragraph above, the issuance of the Series 2024 Bonds will result in approximately \$[ ] (representing the average annual debt service on the Series 2024 Bonds) of the District's special assessment revenues not being available to the District on an annual basis to finance other services of the District; provided however, that in the event that the Series 2024 Bonds were not issued, the District would not be entitled to impose and collect the Series 2024 Assessments in the amount of the principal of and interest to be paid on the Series 2024 Bonds.

The address of the Underwriter is:

## B. RELIANCE

This opinion is solely for the benefit of the (i) District; (ii) the Underwriter; (iii) the Trustee; and (iv) the Developer; however, the Trustee may only rely on this opinion for the limited purposes of the opinions stated in Sections C.1, C.2., and C.3. and the Developer may only rely on this opinion for the limited purposes stated in Section C.3. Notwithstanding the foregoing, no attorney-client relationship has existed or exists between the undersigned and the Underwriter, Trustee or Developer in connection with the Bonds by virtue of this opinion. This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

## C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* (the "**Act**"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Series 2024 Trust Estate to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to authorize and execute the Assessment Resolution and to levy and impose the Debt Assessments, as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments

constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Bonds, (c) Indenture, and (d) Bond Agreements (assuming due authorization, execution and delivery of documents (b) – (d) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Osceola County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "INTRODUCTION" (as it relates to the District only), "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of the Series 2024 Assessments," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. **Litigation** – Based on inquiry of the District's Registered Agent, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Series 2024 Trust Estate pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the

Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Assessment Area One Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Assessment Area One Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

#### **D. CERTAIN ASSUMPTIONS**

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents.

#### **E. CERTAIN QUALIFICATIONS**

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial, project, statistical or other similar information or data. We express no opinion as to compliance with any state or federal tax laws.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to the Developer's and/or any other landowner's ownership interests in any property within the District, and whether the Developer, Lennar Homes, Taylor Morrison and/or any other landowner owns any of the real property subject to the recordable Bond Agreements and/or Declaration of Consent.

7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

(i) an executed and attested original or certified copy of this Master Indenture;

(ii) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on which, and the amounts in which, such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization

Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(iii) an opinion of counsel for the District substantially to the effect that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized in accordance with the terms hereof and of the Act, and have been duly approved and adopted, that the issuance of such Series of Bonds has been duly authorized, and that this Master Indenture and the Supplemental Indenture constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally; and

(iv) an opinion of Bond Counsel for the District substantially to the effect that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are Tax-Exempt Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to the initial purchasers.

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the underwriter of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chairman of the District.

(c) To the extent not set forth in the Supplemental Indenture authorizing the issuance of a Series of Bonds, the proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as follows:

(i) the amount received as accrued interest on the Bonds, if any, shall be deposited to the credit of the Series Interest Account and Capitalized Interest, if any, shall be deposited to the credit of the Series Capitalized Interest Account;

(ii) an amount equal to the Series Reserve Account Requirement or the initial cost of satisfying the Series Reserve Account Requirement if not satisfied by the deposit of cash, shall be deposited to the credit of the Series Reserve Account; and

(iii) the balance shall be deposited and applied as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

**Section 208. Mutilated, Destroyed or Lost Bonds.** If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

**Section 209. Parity Obligations Under Credit Agreements.** As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

**Section 210. Bond Anticipation Notes.** Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series of Bonds. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from

the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

**Section 211. Tax Status of Bonds.** Any Series of Bonds issued under this Master Indenture may be issued either as Tax-Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

### **ARTICLE III REDEMPTION OF BONDS**

**Section 301. Redemption Generally.** The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond

Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series of Bonds.

**Section 302. Notice of Redemption; Procedure for Selection.** The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds to be redeemed. Except as otherwise provided herein, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or

before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (b) the CUSIP numbers of all Bonds being redeemed; (c) in the case of a partial redemption of Bonds, the principal amount of each Bond being redeemed; (d) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the Series designation; (e) the rate or rates of interest borne by each Bond being redeemed; (f) the maturity date of each Bond being redeemed; (g) the place or places where amounts due upon such redemption will be payable; and (h) the notice date, redemption date, and Redemption Price. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date; provided, however, that such presentation shall not be required while such Bonds are registered in book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice or redemption shall also be sent by registered mail, overnight delivery service, telecopy or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered securities depositories in accordance with the then-current guidelines of the Securities and Exchange Commission, which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national information services that disseminate securities redemption notices in accordance with the then-current guidelines of the Securities and Exchange Commission, when possible, at least thirty (30) days prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

**Section 303. Effect of Calling for Redemption.** On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if

any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

**Section 304. Cancellation.** Bonds called for redemption shall be canceled upon the surrender thereof pursuant to the provisions of Section 511 hereof.

#### **ARTICLE IV ACQUISITION AND CONSTRUCTION FUND**

**Section 401. Acquisition and Construction Fund.** There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

**Section 402. Payments from Acquisition and Construction Fund.** Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article IV and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

**Section 403. Cost of a Series Project.** For the purposes of this Master Indenture, the Cost as it pertains to a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

(a) ***Expenses of Bond Issuance.*** All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit Facility or Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees and costs, Trustee's counsel fees and costs, rating agency fees, fees of financial advisors, engineer's fees and costs, administrative expenses of the District, the costs of preparing audits and engineering reports, the costs of preparing reports, surveys, and studies, and the costs of printing the Bonds and preliminary and final disclosure documents.

Capitalized Interest (to be deposited into the related Series Capitalized Interest Account) as may be authorized or provided for by a Supplemental Indenture related to a Series of Bonds. Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account, Capitalized Interest shall also include any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Series Capitalized Interest Account, provided that such direction includes a certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Series Acquisition and Construction Account, together with earnings thereon, will be sufficient to pay for the Costs of the related Series Project which are to be funded from such Series Acquisition and Construction Account, other than those Costs that have already been paid from such Series Acquisition and Construction Account, if any.

(c) ***Acquisition Expenses.*** The costs of acquiring, by purchase, donation or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, plans and specifications and similar items and other interests in property, whether real or personal, tangible or intangible, which themselves constitute a Series Project or which are necessary or convenient to acquire, install and construct a Series Project and payments, contributions, dedications, taxes, assessments or permit fees or costs and any other exactions required as a condition to receive any government approval or permit necessary to accomplish any District purpose.

(d) ***Construction Expense.*** All costs incurred, including interest charges, for labor and materials, including equipment, machinery and fixtures, by contractors, builders, and materialmen in connection with the acquisition, installation and construction of a Series Project, and including without limitation costs incident to the award of contracts.

  - (ix) Costs incurred to enforce remedies against contractors, subcontractors, any provider of labor, material, services or any other person for a default or breach under the corresponding contract, or in connection with any dispute.
  - (x) Premiums for contract bonds and insurance during construction and costs on account of personal injuries and property damage in the course of construction and insurance against the same.
  - (xi) Expenses of management and supervision of a Series Project.
  - (xii) Costs of effecting compliance with any and all governmental permits relating to a Series Project.
  - (xiii) Payments, contributions, dedications, fair share or concurrency obligations and any other exactions as a condition to receive any government approval or permit necessary to accomplish any District purpose (including but not limited to impact fees, utility connection fees, school concurrency fees, etc.).
  - (xiv) Any other "cost" or expense as provided by the Act.
- (f) ***Refinancing Costs.*** All costs described in (a) through (e) above or otherwise permitted by the Act associated with refinancing or repaying any loan or other debt obligation of the District.

**Section 404. Disposition of Balances in Acquisition and Construction Fund.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved for the payment of any remaining part of the Cost of the Series Project shall be transferred by the Trustee to the credit of the Series Prepayment Subaccount in the Series Redemption Account, or as otherwise provided in the Supplemental Indenture, and used for the purposes set forth for such Subaccount in the Supplemental Indenture relating to such Series of Bonds.

**ARTICLE V**  
**ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF**

**Section 501. Lien.** There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Series Pledged Funds and Series Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or other Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

**Section 502. Establishment of Funds.** The following Funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds,

(i) a Series Debt Service Account, and therein a Series Interest Account, a Series Principal Account, a Series Sinking Fund Account and a Series Capitalized Interest Account, and

(ii) a Series Redemption Account and therein a Series Prepayment Subaccount and a Series Optional Redemption Subaccount,

for each such Series of Bonds issued hereunder;

(d) Reserve Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Reserve Account for each such Series of Bonds issued hereunder and any Bonds issued on a parity with any such Series of Bonds hereunder; and

(e) Rebate Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Rebate Account for each such Series of Tax-Exempt Bonds issued hereunder.

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Series Accounts or dispense with the Series Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

### **Section 503. Acquisition and Construction Fund.**

(a) ***Deposits.*** The District shall pay to the Trustee, for deposit into the related Series Acquisition and Construction Account in the Acquisition and Construction Fund, as promptly as practicable, the following amounts received by it:

(i) the amount set forth in the Supplemental Indenture relating to such Series of Bonds;

(ii) subject to Section 806 hereof, payments made to the District from the sale, lease or other disposition of the Series Project or any portion thereof;

(iii) the balance of insurance proceeds with respect to the loss or destruction of the Series Project or any portion thereof;

(iv) amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project;

(v) amounts received from impact fee credits and/or utility connection fee credits; and

(vi) such other amounts as may be provided in a Supplemental Indenture.

Amounts in such Series Acquisition and Construction Account shall be applied to the Cost of the Series Project.

(b) **Disbursements.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate either the accuracy or validity of the items delivered pursuant to this Section 503(b) or whether such amount is properly payable hereunder or under the Supplemental Indenture for such Series of Bonds.

(c) **Inspection.** All requisitions and certificates received by the Trustee pursuant to this Article V shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of any Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

**Section 504. Revenue Fund.** The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all such Pledged Revenues with the Trustee (including Prepayments, which shall be identified as such by the District at the time of deposit with the Trustee), and the Trustee shall immediately deposit all such Pledged Revenues, when received, into the related Series Revenue Account and immediately deposit all Prepayments, when received, into the related Series Prepayment Subaccount in the Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.

**Section 505. Debt Service Fund.**

(a) ***Principal, Maturity Amount, Interest and Amortization Installments.*** Except as otherwise provided in a Supplemental Indenture, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of

Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) ***Disposition of Remaining Amounts on Deposit in Series Revenue Account.*** The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) ***Series Reserve Account.*** Except as otherwise provided for herein or in a Supplemental Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) ***Series Debt Service Account.*** Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

(e) ***Series Redemption Account.*** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) ***Payment to the District.*** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

#### **Section 506. Optional Redemption.**

(a) ***Excess Amounts in Series Redemption Account.*** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) ***Purchase of Bonds of a Series.*** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable

diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller, and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Sinking Fund Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Sinking Fund Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Sinking Fund Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year).

The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the preceding sentence from amounts on deposit in the related Series Sinking Fund Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Sinking Fund Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (X) stating that sufficient moneys are on deposit in the Series Sinking Fund Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (Y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (Z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (Y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Series Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

#### **Section 507. Rebate Fund.**

(a) **Creation.** There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series

of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) ***Payment to United States.*** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) ***Deficiencies.*** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(d) ***Survival.*** The covenants and agreements of the District in this Section 507 and Section 809, and any additional covenants related to compliance with provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

**Section 508. Investment of Funds and Accounts.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508 provided.

(a) ***Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.*** Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Account will be required for the purposes intended.

(b) ***Series Reserve Account.*** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) ***Investment Obligations as a Part of Funds and Accounts.*** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) ***Valuation.*** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus

calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

**Section 509. Deficiencies and Surpluses in Funds and Accounts.** For purposes of this Section 509, (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Revenue Account, or as otherwise provided in the related Supplemental Indenture.

**Section 510. Investment Income.** Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Revenue Account shall be retained, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than as set forth above shall be deposited, as realized, to the credit of such Series Revenue Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

**Section 511. Cancellation of Bonds.** All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall upon request of the District execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

## **ARTICLE VI CONCERNING THE TRUSTEE**

**Section 601. Acceptance of Trust.** The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article VI, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

**Section 602. No Responsibility for Recitals.** The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

**Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence.** The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance

of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

**Section 604. Compensation and Indemnity.** The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under State law shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

**Section 605. No Duty to Renew Insurance.** The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

**Section 606. Notice of Default; Right to Investigate.** The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section 606 and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual

knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

**Section 607. Obligation to Act on Default.** Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, or any action that would require the Trustee to expend its own funds, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

**Section 608. Reliance by Trustee.** The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

**Section 609. Trustee May Deal in Bonds.** The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

**Section 610. Construction of Ambiguous Provision.** The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

**Section 611. Resignation of Trustee.** The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation

filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect; provided that notice of such resignation shall be sent by first-class mail to each Owner as its name and address appears on the Bond Register and to any Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

**Section 612. Removal of Trustee.** Any Trustee hereunder may be removed at any time by an instrument appointing a successor to the Trustee so removed, upon application of the District; provided, however, that if an Event of Default has occurred hereunder and is continuing with respect to a Series of Bonds, then the Trustee hereunder may be removed only by an instrument appointing a successor to the Trustee so removed executed by the Majority Owners of the Series of Bonds as to which such Event of Default exists and filed with the Trustee and the District.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District; provided that no Event of Default has occurred hereunder and is continuing, or upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding.

**Section 613. Appointment of Successor Trustee.** If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Register, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that the District shall not appoint a successor Trustee if an Event of Default has occurred and is continuing, unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of any Credit Facility issuer and any Liquidity Facility

issuer, to the appointment of such successor Trustee. If an Event of Default has occurred hereunder and is continuing and the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and a successor may be appointed by any court of competent jurisdiction upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding and such successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

**Section 614. Qualification of Successor Trustee.** A successor Trustee shall be a national bank with trust powers or a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

**Section 615. Instruments of Succession.** Except as provided in Section 616 hereof, any successor Trustee shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein, except for the predecessor's rights under Section 604 hereof. After withholding from the funds on hand any amounts owed to itself hereunder, the Trustee ceasing to act hereunder shall pay over to the successor Trustee all moneys held by it hereunder; and the Trustee ceasing to act and the District shall execute and deliver an instrument or instruments transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the Trustee ceasing to act except for the rights granted under Section 604 hereof. The successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

**Section 616. Merger of Trustee.** Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated or into which all or substantially all of its corporate trust assets shall be sold or its operations conveyed, or any corporation, entity or purchaser resulting from any merger, consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation, entity or

purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

**Section 617. Resignation of Paying Agent or Bond Registrar.** The Paying Agent or Bond Registrar may resign and be discharged of the duties created by this Master Indenture by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the District and the Trustee not less than sixty (60) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation mailed not less than sixty (60) days prior to such resignation date to each Owner as its name and address appear on the registration books of the District maintained by the Bond Registrar. Such resignation shall take effect on the date specified in such notice, unless a successor Paying Agent or Bond Registrar is previously appointed in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Bond Registrar. If a successor Paying Agent or Bond Registrar shall not have been appointed within a period of sixty (60) days following the giving of notice, then the Trustee may appoint a successor Paying Agent or Bond Registrar as provided in Section 619 hereof.

**Section 618. Removal of Paying Agent or Bond Registrar.** The Paying Agent or Bond Registrar may be removed at any time prior to any Event of Default by the District by filing with the Paying Agent or Bond Registrar to be removed and the Trustee, an instrument or instruments in writing executed by an Authorized Officer appointing a successor. Such removal shall be effective thirty (30) days after delivery of the instrument (or such longer period as may be set forth in such instrument); provided, however, that no such removal shall be effective until the successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder.

**Section 619. Appointment of Successor Paying Agent or Bond Registrar.** In case at any time the Paying Agent or Bond Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Bond Registrar, as the case may be, and a successor shall be appointed by the District; and in case at any time the Paying Agent or Bond Registrar shall resign, then a successor shall be appointed by the District. Upon any such appointment, the District shall give written notice of such appointment to the predecessor Paying Agent or Bond Registrar, the successor Paying Agent or Bond Registrar, the Trustee and all Owners. Any new Paying Agent or Bond Registrar so appointed shall immediately and without further act supersede the predecessor Paying Agent or Bond Registrar.

**Section 620. Qualifications of Successor Paying Agent or Bond Registrar.** Every successor Paying Agent or Bond Registrar shall (a) be a commercial bank or trust company duly organized under the laws of the United States or any state or territory thereof, authorized by law to perform all the duties imposed upon it by this Master Indenture, and capable of meeting its obligations hereunder, and (b) have a combined net capital and surplus of at least \$50,000,000.

**Section 621. Acceptance of Duties by Successor Paying Agent or Bond Registrar.** Except as provided in Section 622 hereof, any successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Paying Agent or Bond Registrar, without any further act, deed or conveyance, shall become duly vested with all the estates property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Bond Registrar herein. Upon request of such Paying Agent or Bond Registrar, such predecessor Paying Agent or Bond Registrar and the District shall execute and deliver an instrument transferring to such successor Paying Agent or Bond Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Bond Registrar and such predecessor Paying Agent or Bond Registrar shall pay over and deliver to the successor Paying Agent or Bond Registrar all moneys and other assets at the time held by it hereunder.

**Section 622. Successor by Merger or Consolidation.** Any corporation, entity or purchaser into which any Paying Agent or Bond Registrar hereunder may be merged, converted or sold or with which it may be consolidated or into which substantially all of its corporate trust assets shall be sold or otherwise conveyed, or any corporation, entity or purchaser resulting from any merger, consolidation or sale to which any Paying Agent or Bond Registrar hereunder shall be a party, shall be the successor Paying Agent or Bond Registrar under this Master Indenture without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Master Indenture to the contrary notwithstanding.

**Section 623. Brokerage Statements.** The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive individual confirmations of security transactions at no additional cost, as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

**Section 624. Patriot Act Requirements of the Trustee.** To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a

business entity, a charity, a trust, or other legal entity, the Trustee will ask for documentation to verify such non-individual person's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

(d) until applied for the purposes provided herein, be subject to a first lien in favor of the Owners of such Series of Bonds and any parity obligations to issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds, which lien is hereby created, prior and superior to all other liens now existing or hereafter created, and, to a second lien in favor of the Trustee, as security for the reasonable compensation for the services of the Trustee hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, subordinate and inferior to the security interest granted to the Owners of such Series of Bonds and any parity obligations to issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds, but nevertheless payable in the order of priority as set forth in Section 905(a) or Section 905(b) hereof upon the occurrence of an Event of Default; and

(e) shall not be subject to lien or attachment by any creditor of the Trustee or any creditor of the District or any other Series of Bonds other than the Owners of such Series of Bonds and the issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds.

**ARTICLE VIII  
COVENANTS AND AGREEMENTS OF THE DISTRICT**

**Section 801. Payment of Bonds.** The District shall duly and punctually pay or cause to be paid, but only from the Series Trust Estate with respect to each Series of Bonds, Debt Service on the dates, at the places, and in the amounts stated herein, in any Supplemental Indenture, and in the Bonds of such Series.

**Section 802. Extension of Payment of Bonds.** Except as provided in Section 901 hereof, the District shall not directly or indirectly extend the time for payment of the interest on any Bonds. The time for payment of Bonds of any Series shall be the time prescribed in the Supplemental Indenture relating to such Series of Bonds.

**Section 803. Further Assurance.** At any and all times the District shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, moneys, securities and funds hereby pledged or assigned, or intended so to be, or which the District may become bound to pledge or assign after the date of execution of this Master Indenture.

**Section 804. Power to Issue Bonds and Create a Lien.** The District hereby represents to the Trustee and to the Owners that it is and will be duly authorized under all applicable laws to issue the Bonds of each Series, to execute this Master Indenture, to adopt Supplemental Indentures, and to pledge its moneys, securities and funds in the manner and to the extent provided herein. Except as provided herein, the District hereby represents that such moneys, securities and funds of the District are and will be free and clear of any pledge, lien, charge or encumbrance thereon and all action on the part of the District to that end has been and will be duly and validly taken. The Bonds of each Series, this Master Indenture and any Supplemental Indenture are and will be the valid and legally enforceable obligations of the District, enforceable in accordance with their terms except to the extent that enforcement thereof may be subject to bankruptcy and other similar laws affecting creditors' rights generally. The District shall at all times, to the extent permitted by law, defend, preserve and protect the pledge and lien created by this Master Indenture and all the rights of the Owners hereunder against all claims and demands of all other persons whomsoever.

**Section 805. Power to Undertake Series Projects and to Collect Pledged Revenues.** The District has or will have upon the date of issuance of each Series of Bonds, and will have so long as any Bonds are Outstanding, good right and lawful power: (a) to undertake the Series Projects, or it will take such action on its part required which it deems reasonable in order to obtain licenses, orders, permits

or other authorizations, if any, from any agency or regulatory body having lawful jurisdiction which must be obtained in order to undertake such Series Project; and (b) to fix, levy and collect or cause to be collected any and all Pledged Revenues.

**Section 806. Sale of Series Projects.** The District covenants that, until such time as there are no Bonds of a Series Outstanding, it will not sell, lease or otherwise dispose of or encumber the related Series Project or any part thereof other than as provided herein. The District may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by the District in connection with a Series Project, or any materials used in connection therewith, if the District shall determine that such articles are no longer needed or are no longer useful in connection with the acquisition, construction, operation or maintenance of a Series Project, and the proceeds thereof may be applied to the replacement of the properties so sold or disposed of and, if not so applied, shall be deposited to the credit of the related Series Acquisition and Construction Account or, after the Date of Completion of the Series Project, shall be applied as provided in the corresponding Supplemental Indenture. The District may from time to time sell or lease such other property forming part of a Series Project which it may determine is not needed or serves no useful purpose in connection with the maintenance and operation of such Series Project, if the Consulting Engineer shall in writing approve such sale or lease, and the proceeds of any such sale shall be disposed of as hereinabove provided for the proceeds of the sale or disposal of movable property. The proceeds of any lease as described above shall be applied as provided in the corresponding Supplemental Indenture.

Notwithstanding the foregoing, the District may: (a) dispose of all or any part of a Series Project, other than a Series Project the revenues to be derived from the operation of which are pledged to a Series of Bonds, by gift or dedication thereof to any unit of local government, or to the State or any agency or instrumentality of either of the foregoing or the United States Government; and/or (b) impose, declare or grant title to or interests in the Series Project or a portion or portions thereof in order to create ingress and egress rights and public and private utility easements as the District may deem necessary or desirable for the development, use and occupancy of the property within the District; and/or (c) impose or declare covenants, conditions and restrictions pertaining to the use, occupancy and operation of the Series Projects.

**Section 807. Completion and Maintenance of Series Projects.** The District shall complete the acquisition and construction of a Series Project with all practical dispatch and in a sound and economical manner. So long as any Series Project is owned by the District, the District shall maintain, preserve and keep the same or cause the same to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time make, or cause to be made, all necessary and

proper repairs, replacements and renewals so that at all times the operation thereof may be properly and advantageously conducted.

**Section 808. Accounts and Reports.**

(a) **Annual Report.** The District shall, within thirty (30) days of receipt and approval by the District, so long as any Bonds are Outstanding, deliver to each Requesting Owner (hereinafter defined), and otherwise as provided by law, a copy of its annual audit for the immediately preceding Fiscal Year, accompanied by an Accountant's Certificate, including (i) statements in reasonable detail of its financial condition as of the end of such Fiscal Year and income and expenses for such Fiscal Year, and (ii) statements of all receipts and disbursements of the Pledged Revenues of each Series of Bonds (unless the Pledged Revenues of such Series are remitted directly by the District to the Trustee). The Trustee shall, within ninety (90) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with the District a summary with respect to each Fund and Account of the deposits thereto and disbursements therefrom during such Fiscal Year and the amounts held therein at the end of such Fiscal Year, or at the option of the Trustee, such summary can be made on a monthly basis. For purposes of the foregoing, the term "Requesting Owner" shall mean the Owner (or Beneficial Owner in the case of Bonds held in book-entry form) of more than \$1,000,000 aggregate principal amount of any Series of Bonds who requests such information in writing to the District.

(b) **Default Certificate.** The District shall file with the Trustee, so long as any Bonds are Outstanding, a certificate of an Authorized Officer upon the occurrence of an Event of Default as described in Section 902(h) hereof, such certificate to contain a description of the nature of such Event of Default and actions taken or to be taken to remedy such Event of Default.

(c) **Inspection.** The reports, statements and other documents required to be furnished by the District to the Trustee and by the Trustee to the District pursuant to any provisions hereof shall be available for inspection by any Owner at the designated office of the District or the designated office of the Trustee upon the giving of at least five (5) days advance written notice to the District or the Trustee, as the case may be.

(d) **Reports Pursuant to Uniform Special District Accountability Act of 1989.** The District covenants and agrees that it will comply with the provisions of Chapter 189, Florida Statutes, the Uniform Special District Accountability Act of 1989, to the extent applicable to the District, including any reporting requirements contained therein which are applicable to the District. The District may contract with a service provider selected by the District to ensure such compliance.

**Section 809. Arbitrage and Other Tax Covenants.** The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause any Tax-Exempt Bonds to become "arbitrage bonds" as defined in Section 148 of the Code. The District further covenants that it will take all such actions after delivery of any Tax-Exempt Bonds as may be required in order for interest on such Tax-Exempt Bonds to remain excludable from gross income (as defined in Section 61 of the Code) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will to the extent not remitted by the Trustee from funds held in the Rebate Account, remit to the United States the Rebate Amount at the time and place required by this Master Indenture, any Supplemental Indenture, and the Tax Regulatory Covenants.

**Section 810. Enforcement of Payment of Assessments.** The District will assess, levy, collect or cause to be collected and enforce the payment of Assessments, Benefit Special Assessments, and/or any other sources which constitute Pledged Revenues for the payment of any Series of Bonds in the manner prescribed by this Master Indenture, any Supplemental Indenture and all resolutions, ordinances or laws thereunto appertaining at times and in amounts as shall be necessary in order to pay, when due, the principal of and interest on the Series of Bonds to which such Pledged Revenues are pledged, and to pay or cause to be paid the proceeds of such Assessments, Benefit Special Assessments, and/or any other sources as received to the Trustee in accordance with the provisions hereof.

**Section 811. Method of Collection of Assessments and Benefit Special Assessments.** The District shall levy and collect Assessments and Benefit Special Assessments in accordance with applicable State law.

**Section 812. Delinquent Assessments.** If the owner of any lot or parcel of land shall be delinquent in the payment of any Assessment or Benefit Special Assessment, pledged to a Series of Bonds, then such Assessment or Benefit Special Assessment shall be enforced in accordance with the provisions of Chapters 170 and/or 197, Florida Statutes, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that an Assessment or Benefit Special Assessment was directly collected by the District, as permitted by a Supplemental Indenture, then upon the delinquency of any such Assessment or Benefit Special Assessment, the District either on its own behalf, or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Bonds of such Series then Outstanding, declare the entire unpaid balance of such Assessment or Benefit Special Assessment, to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, and Section 190.026, Florida Statutes, as amended from time to time, or otherwise as provided by law. The District further covenants to furnish, at its expense, to any Owner of

Bonds of the related Series so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments together with a copy of the District's annual audit (if available), and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments.

**Section 813. Deposit of Proceeds from Sale of Tax Certificates.** If any tax certificates relating to Delinquent Assessments which are pledged to a Series of Bonds are sold by the Tax Collector pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Account.

**Section 814. Sale of Tax Deed or Foreclosure of Assessment or Benefit Special Assessment Lien.** If any property shall be offered for sale for the nonpayment of any Assessment or Benefit Special Assessment, which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount less than or equal to the full amount due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments or Benefit Special Assessments were pledged; provided that the Trustee shall have the right, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions, or actions caused to be taken through the Trustee, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the related Series Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as herein provided, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the related Series of Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions, or actions caused to be taken through the Trustee, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, agrees that it shall be required to take the measures provided by law

for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the related Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Bonds of such Series then Outstanding.

**Section 815. Other Obligations Payable from Assessments or Benefit Special Assessments.** The District will not issue or incur any obligations payable from the proceeds of Assessments or Benefit Special Assessments securing a Series of Bonds nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge upon such Assessments or Benefit Special Assessments other than the lien of any Subordinate Debt except for fees, commissions, costs, and other charges payable to the Property Appraiser or to the Tax Collector pursuant to State law.

**Section 816. Re-Assessments.** If any Assessment or Benefit Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Assessment or Benefit Special Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Assessment or Benefit Special Assessment when it might have done so, the District shall either: (a) take all necessary steps to cause a new Assessment or Benefit Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement; or (b) in its sole discretion, make up the amount of such Assessment or Benefit Special Assessment from legally available moneys, which moneys shall be deposited into the related Series Revenue Account. In case any such subsequent Assessment or Benefit Special Assessment shall also be annulled, the District shall obtain and make other Assessments or Benefit Special Assessments until a valid Assessment or Benefit Special Assessment shall be made.

**Section 817. General.** The District shall do and perform, or cause to be done and performed, all acts and things required to be done or performed by or on behalf of the District under law and this Master Indenture, in accordance with the terms of such provisions.

Upon the date of issuance of each Series of Bonds, all conditions, acts and things required by law and this Master Indenture and any Supplemental Indenture to exist, to have happened and to have been performed precedent to and in the issuance of such Series of Bonds shall exist, have happened and have been performed and upon issuance, such Series of Bonds shall be within every debt and other limit prescribed by the laws of the State applicable to the District.

The District shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the

District shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Series Projects, and all parts thereof owned by the District to be (a) continuously operated, repaired, improved and maintained as shall be necessary to perform the functions for which they were intended, and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

**Section 818. Continuing Disclosure.** The District covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture or any Supplemental Indenture, failure of the District or any other obligated person to comply with any Continuing Disclosure Agreement shall not be considered an Event of Default hereunder; however, the Trustee may (and, at the request of any participating underwriter or the Majority Owners of Bonds of a Series then Outstanding and receipt of indemnity to its satisfaction, shall) or any Owner or Beneficial Owner of the Bonds of a Series then Outstanding may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations under this Section 818. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

## **ARTICLE IX EVENTS OF DEFAULT AND REMEDIES**

**Section 901. Extension of Interest Payment.** If the time for payment of interest of a Bond of any Series shall be extended, whether or not such extension be by or with the consent of the District, such interest so extended shall not be entitled in case of default hereunder to the benefit or security of this Master Indenture unless the aggregate principal amount of such Bonds then Outstanding and of all accrued interest the time for payment of which shall not have been extended, shall have previously been paid in full.

**Section 902. Events of Default.** Each of the following events is hereby declared an Event of Default with respect to a Series of Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

(a) Any payment of Debt Service on such Series of Bonds is not made when due;

(b) The District shall for any reason be rendered incapable of fulfilling its obligations hereunder or under the Supplemental Indenture relating to such Series of Bonds;

(c) The District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the related Series Project;

(d) The District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) The District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) Any portion of the Assessments or Benefit Special Assessments pledged to a Series of Bonds shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in a Series Reserve Account to pay Debt Service on the corresponding Series of Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series Reserve Account to pay Debt Service on the corresponding Series of Bonds);

(h) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the related Series of Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than

ten percent (10%) in aggregate principal amount of the Bonds of such Series then Outstanding and affected by such default; and

(i) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Assessments or Benefit Special Assessments pledged to a Series of Bonds are not paid by the date such are due and payable.

**Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances.** Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series of Bonds to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

**Section 904. Enforcement of Remedies.** Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Bonds of such Series then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910, 912 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

**Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds.** Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall

constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

**Section 906. Effect of Discontinuance of Proceedings.** If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

**Section 907. Restriction on Individual Owner Actions.** Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

**Section 908. No Remedy Exclusive.** No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

**Section 909. Delay Not a Waiver.** No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

**Section 910. Right to Enforce Payment of Bonds.** Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

**Section 911. No Cross Default Among Series.** The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

**Section 912. Indemnification.** Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct.

**Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.**

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have

consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such

Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

## **ARTICLE X**

### **EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS**

**Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds.** Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

**Section 1002. Deposit of Bonds.** Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

## ARTICLE XI SUPPLEMENTAL INDENTURES

**Section 1101. Supplemental Indentures Without Owner Consent.** The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

(a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or

(b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or

(c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or

(d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, and 197, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to

which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

### **Section 1102. Supplemental Indentures With Owner Consent.**

(a) Subject to the provisions contained in this Section 1102, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;

(ii) a reduction in the principal, premium, or interest on any Bond;

(iii) a preference or priority of any Bond over any other Bond; or

(iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;

(ii) a reduction in the principal, premium, or interest on any Bond of such Series;

(iii) a preference or priority of any Bond of such Series over any other Bond of such Series; or

(iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.

(c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture or indenture supplemental to a Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.

(d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

**Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture.** In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles,

upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax-Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

**Section 1104. Supplemental Indenture Part of Indenture.** Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

**Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.**

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series then Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility:

(i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;

(ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and

(iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

(i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or

(ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or

(iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or

(iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

## **ARTICLE XII DEFEASANCE**

### **Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.**

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be

discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and

(iv) an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee:

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(d) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Investment Obligations on deposit for the payment of

interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and any Liquidity Agreement pursuant to the provisions of this Section 1201, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if at the time a deposit is made pursuant to this subsection (e) the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility or Liquidity Facility, for obligations under any Letter of Credit Agreement and any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall at the written request of the District be repaid by the Trustee or Paying Agent to the District, as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense

of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

**Section 1202. Moneys Held in Trust.** All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section 1202 shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.

### **ARTICLE XIII MISCELLANEOUS PROVISIONS**

**Section 1301. Effect of Covenant.** All covenants, stipulations, obligations and agreements of the District contained in this Master Indenture shall be deemed to be covenants, stipulations, obligations and agreements of the District and of the Governing Body of the District to the full extent authorized or permitted by law and all such covenants, stipulations, obligations and agreements shall bind or inure to the benefit of the successor or successors thereof from time to time and any officer, board, body or commission to whom or to which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law.

No covenant, stipulation, obligation or agreement herein contained shall be deemed to be a covenant, stipulation, obligation or agreement of any member, agent or employee of the Governing Body in his or her individual capacity, and neither the members of the Governing Body nor any official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million (13.5% of the population).

There is a growing awareness of the need to address the health care needs of the elderly population. The Department of Health (1998) has set out a strategy for the care of the elderly, which includes a commitment to improve the quality of care for the elderly.

The aim of this paper is to explore the experiences of elderly people who are living in care homes, and to identify the factors that influence their quality of life.

The paper is organized as follows. First, a brief overview of the care home sector is provided. Then, the methodology used in the study is described. The results of the study are then presented, and finally, the implications of the findings are discussed.

## Background

The care home sector in the UK is a complex and diverse one, with a wide range of services and facilities. There are currently over 10,000 care homes in the UK, with a total capacity of over 2 million places.

The care home sector is a major provider of care for the elderly population, and is responsible for the care of over 1 million elderly people in the UK.

The care home sector is a highly regulated industry, and is subject to a range of standards and requirements. The Care Quality Commission (CQC) is the independent regulator of health care services in the UK, and is responsible for monitoring and enforcing the standards of care in care homes.

The care home sector is a highly competitive industry, and is subject to a range of pressures and challenges. These include the need to provide high quality care, the need to manage costs, and the need to attract and retain staff.

The care home sector is a highly visible and controversial industry, and is the subject of a range of public and media scrutiny. This has led to a number of high profile cases of abuse and neglect in care homes.

The care home sector is a highly complex and diverse one, and it is difficult to provide a comprehensive overview of it. However, the following points provide a brief overview of the key issues and challenges facing the sector.

## Methodology

The study was a qualitative study, and used a range of methods to explore the experiences of elderly people living in care homes. The methods used included interviews, focus groups, and observations.

The study was conducted in a range of care homes, and involved a total of 10 elderly people. The participants were selected through a purposive sampling strategy, and were chosen to represent a range of experiences and perspectives.

The interviews were semi-structured, and lasted between 30 and 60 minutes. The focus groups were also semi-structured, and lasted between 45 and 60 minutes. The observations were unstructured, and lasted between 15 and 30 minutes.

The data were analysed using a grounded theory approach, which involves the development of a theory that is grounded in the data. This approach allows the researcher to explore the experiences of the participants in a way that is both inductive and deductive.

The study was approved by the local research ethics committee, and all participants gave their informed consent. The study was funded by the Department of Health, and the results are being used to inform the development of policy and practice in the care home sector.

## Results

The results of the study are presented in a range of ways, including a range of quotes from the participants, and a range of themes that emerged from the data. The themes identified in the study are discussed below.

The first theme identified in the study was the need for a sense of community and belonging. The participants expressed a strong desire to be part of a community, and to have a sense of belonging to the care home.

The second theme identified in the study was the need for a sense of purpose and meaning. The participants expressed a strong desire to have a sense of purpose and meaning in their lives, and to be able to contribute to the care home.

The third theme identified in the study was the need for a sense of control and autonomy. The participants expressed a strong desire to have a sense of control and autonomy over their lives, and to be able to make decisions about their own care.

The fourth theme identified in the study was the need for a sense of safety and security. The participants expressed a strong desire to feel safe and secure in the care home, and to be able to rely on the staff and other residents.

The fifth theme identified in the study was the need for a sense of respect and dignity. The participants expressed a strong desire to be treated with respect and dignity, and to have their individuality and preferences recognized.

No person other than an Owner, as shown in the registration books kept by the Bond Registrar, shall receive a certificated Series 2024 Bond evidencing the obligation of the District to make payments of principal, premium, if any, and interest pursuant to the provisions hereof. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new Nominee in place of Cede & Co., and subject to the provisions herein with respect to Record Dates, the words "Cede & Co." in this First Supplemental Indenture shall refer to such new Nominee of DTC, and upon receipt of such a notice the District shall promptly deliver a copy of the same to the Trustee, the Bond Registrar and the Paying Agent.

Upon receipt by the Trustee or the District of written notice from DTC (a) confirming that DTC has received written notice from the District to the effect that a continuation of the requirement that all of the Outstanding Series 2024 Bonds be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, is not in the best interest of the Beneficial Owners of the Series 2024 Bonds, or (b) to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute Bond Depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, the Series 2024 Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, but may be registered in whatever name or names Owners transferring or exchanging the Series 2024 Bonds shall designate, in accordance with the provisions hereof.

**Section 301. Bonds Subject to Redemption.** The Series 2024 Bonds are subject to redemption prior to maturity as provided in the form thereof attached hereto as Exhibit B. Interest on Series 2024 Bonds which are called for redemption shall be paid on the date of redemption from the Series 2024 Interest Account or from the Series 2024 Revenue Account to the extent moneys in the Series 2024 Interest

**ARTICLE IV**  
**DEPOSIT OF SERIES 2024 BOND PROCEEDS AND**  
**APPLICATION THEREOF; ESTABLISHMENT OF ACCOUNTS**  
**AND OPERATION THEREOF**

**Section 401. Establishment of Accounts.** There are hereby established, as needed, the following Accounts:

(a) within the Acquisition and Construction Fund held by the Trustee, a Series 2024 Acquisition and Construction Account and a Series 2024 Costs of Issuance Account;

(b) within the Debt Service Fund held by the Trustee: (i) a Series 2024 Debt Service Account and therein a Series 2024 Sinking Fund Account, and a Series 2024 Interest Account; and (ii) a Series 2024 Redemption Account and therein a Series 2024 Prepayment Subaccount and a Series 2024 Optional Redemption Subaccount;

(c) within the Reserve Fund held by the Trustee, a Series 2024 Reserve Account, which shall be held for the benefit of all of the Series 2024 Bonds, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another;

(d) within the Revenue Fund held by the Trustee, a Series 2024 Revenue Account; and

(e) within the Rebate Fund held by the Trustee, a Series 2024 Rebate Account.

**Section 402. Use of Series 2024 Bond Proceeds.** The net proceeds of sale of the Series 2024 Bonds in the amount of \$[NP] (consisting of \$[Bond Amount].00 principal amount of Series 2024 Bonds [less/plus] [net] original issue [discount/premium] in the amount of \$[OID/OIP] and less underwriter's discount in the amount of \$[UD]), shall as soon as practicable upon the delivery thereof to the Trustee by the District pursuant to Section 207 of the Master Indenture, be applied as follows:

(a) \$[RAR], representing the Series 2024 Reserve Account Requirement at the time of issuance of the Series 2024 Bonds, shall be deposited to the credit of the Series 2024 Reserve Account;

(b) \$[COI], representing the costs of issuance relating to the Series 2024 Bonds, shall be deposited to the credit of the Series 2024 Costs of Issuance Account; and

(c) \$[CD] shall be deposited to the credit of the Series 2024 Acquisition and Construction Account.

**Section 403. Series 2024 Acquisition and Construction Account; Series 2024 Costs of Issuance Account.** (a) Amounts on deposit in the Series 2024 Acquisition and Construction Account shall be applied to pay Costs of the Assessment Area One Project upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and on the form attached hereto as Exhibit C. The Trustee shall have no duty to verify that any requested disbursement from the Series 2024 Acquisition and Construction Account is for a Cost of the Assessment Area One Project. The Consulting Engineer shall establish a Date of Completion for the Assessment Area One Project, and any balance remaining in the Series 2024 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Assessment Area One Project which are required to be reserved in the Series 2024 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2024 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 301 hereof and in the manner prescribed in the form of Series 2024 Bond attached hereto as Exhibit B. Notwithstanding the foregoing, the District shall not establish a Date of Completion until after the Reserve Account Release Conditions have been satisfied and moneys have been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of such satisfaction pursuant to Section 405 hereof. Such amounts deposited into the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Reserve Account Release Conditions shall be paid to the Person or Persons designated in a requisition in the form attached hereto as Exhibit C, upon compliance with the requisition provisions set forth in this section, to cover any requisitions submitted pursuant to this Section 403(a) which remain unpaid ("Unpaid Requisitions"), in full or in part, in chronological order (oldest to newest) based on the date such requisitions were submitted by the District to the Trustee. Any requisition submitted in compliance with the prior sentence shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Date of Completion might have been declared provided such Costs of the Series 2024 Project were not previously paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no Unpaid Requisitions to pay, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 Prepayment Subaccount upon direction to the Trustee by the

District. At such time as there are no amounts on deposit in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

(b) The amount deposited in the Series 2024 Costs of Issuance Account shall, at the written direction of an Authorized Officer to the Trustee, be used to pay the costs of issuance relating to the Series 2024 Bonds. On the earlier to occur of (x) the written direction of an Authorized Officer or (y) six (6) months from the date of issuance of the Series 2024 Bonds, any amounts deposited in the Series 2024 Costs of Issuance Account for which the Trustee has not received a requisition to pay such costs shall be transferred over and deposited into the Series 2024 Acquisition and Construction Account and used for the purposes permitted therefor. Any deficiency in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds shall be paid from excess moneys on deposit in the Series 2024 Revenue Account pursuant to Section 408(d) FOURTH hereof. When such deficiency has been satisfied and no moneys remain therein, the Series 2024 Costs of Issuance Account shall be closed.

**Section 404. Reserved.**

**Section 405. Series 2024 Reserve Account.** The Series 2024 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2024 Reserve Account Requirement. Except as otherwise provided herein or in the Master Indenture, amounts on deposit in the Series 2024 Reserve Account shall be used only for the purpose of making payments into the Series 2024 Interest Account and the Series 2024 Sinking Fund Account to pay Debt Service on the Series 2024 Bonds, when due, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2024 Reserve Account shall consist only of cash and Series 2024 Investment Obligations.

Anything herein or in the Master Indenture to the contrary notwithstanding, on the forty-fifth (45<sup>th</sup>) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45<sup>th</sup>) day is not a Business Day, on the Business Day preceding such forty-fifth (45<sup>th</sup>) day), an Authorized Officer of the District shall recalculate the Series 2024 Reserve Account Requirement and shall direct the Trustee in writing to transfer any excess on deposit in the Series 2024 Reserve Account (a) resulting from Prepayments of Series 2024 Assessments into the Series 2024 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2024 Bonds, (b) resulting from a reduction of the Series 2024 Reserve Account Requirement as the result of the Reserve Account Release Conditions being met into the Series 2024 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from

investment earnings as provided in Section 408(f) herein. The Trustee is hereby authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest and redemption premium, if any, on such Series 2024 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest Redemption Date permitted for redemption therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

**Section 406. Amortization Installments; Selection of Bonds for Redemption.** (a) The Amortization Installments established for the Series 2024 Bonds shall be as set forth in the form of Series 2024 Bonds attached hereto.

(b) Upon any redemption of Series 2024 Bonds (other than Series 2024 Bonds redeemed in accordance with scheduled Amortization Installments and other than Series 2024 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the Trustee shall cause Series 2024 Bonds to be redeemed in such amounts and having such maturities so as to result in Amortization Installments recalculated, which recalculation shall be performed by the District, in such manner as shall amortize all the Outstanding Series 2024 Bonds of all of the maturities in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining terms of all of the Series 2024 Bonds.

**Section 407. Tax Covenants.** The District shall comply with the Arbitrage Certificate, including but not limited to the Tax Regulatory Covenants set forth as an exhibit to the Arbitrage Certificate, as amended and supplemented from time to time in accordance with their terms.

**Section 408. Series 2024 Revenue Account; Application of Revenues and Investment Earnings.** (a) The Trustee is hereby authorized and directed to deposit any and all amounts required to be deposited in the Series 2024 Revenue Account by this Section 408 or by any other provision of the Master Indenture or this First Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2024 Revenue Account shall be held by the

Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2024 Revenue Account (i) Series 2024 Assessment Revenues other than Series 2024 Prepayments (which Series 2024 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2024 Prepayment Subaccount), (ii) Series 2024 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2024 Revenue Account.

(c) On the forty-fifth (45<sup>th</sup>) day preceding each Quarterly Redemption Date (or if such forty-fifth (45<sup>th</sup>) day is not a Business Day, on the Business Day preceding such forty-fifth (45<sup>th</sup>) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2024 Revenue Account to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall transfer amounts on deposit in the Series 2024 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

**FIRST**, to the Series 2024 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, and the amount already on deposit in the Series 2024 Interest Account not previously credited;

**SECOND**, on May 1, 20[\_\_\_], and on each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

**THIRD**, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement with respect to the Series 2024 Bonds; and

**FOURTH**, the balance shall first be deposited into the Series 2024 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds, and then the balance shall be retained in the Series 2024 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Series 2024 Investment Obligations. Earnings on investments in the Series 2024 Acquisition and Construction Account, and the Series 2024 Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be retained in the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to Section 405 hereof.

## **ARTICLE V CONCERNING THE TRUSTEE**

**Section 501. Acceptance by Trustee.** The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth herein and in the Master Indenture.

**Section 502. Limitation of Trustee's Responsibility.** The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

**Section 503. Trustee's Duties.** Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

## **ARTICLE VI ADDITIONAL BONDS**

**Section 601. No Parity Bonds; Limitation on Parity Assessments.** Other than Refunding Bonds issued to refund the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. The District further covenants and agrees that so long as the Series 2024 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2024 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

## ARTICLE VII MISCELLANEOUS

**Section 701. Confirmation of Master Indenture.** As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2024 Bonds issued hereunder.

**Section 702. Continuing Disclosure Agreement.** Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

**Section 703. Additional Covenant Regarding Assessments.** In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2024 Assessment Proceedings heretofore adopted with respect to the Series 2024 Assessments, including the Assessment Methodology, and to levy the Series 2024 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due.

**Section 704. Collection of Assessments.** (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2024 Assessments levied on platted lots and pledged hereunder to secure the Series 2024 Bonds shall be collected pursuant to the Uniform Method, and Series 2024 Assessments levied on unplatted lands and pledged hereunder to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

(b) Series 2024 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date; provided, however, that such Series 2024 Assessments shall not be deemed Delinquent Assessments unless and until such Series 2024 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

**Section 705. Owner Direction and Consent with Respect to Series 2024 Acquisition and Construction Account Upon Occurrence of Event of Default.** In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2024 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2024 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

**Section 706. Assignment of District's Rights Under Collateral Assignment.** Subject to the terms of the Collateral Assignment, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2024 Bonds. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignment by virtue of such assignment.

**Section 707. Enforcement of True-Up Agreement and Completion Agreement.** The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreement and the Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners shall act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreement and the Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

**Section 708. Payment of Rebate Amount.** Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2024 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

Any payment of principal, Amortization Installment or Redemption Price shall be made only upon presentation hereof at the designated corporate trust office of U.S. Bank Trust Company, National Association, located in Fort Lauderdale, Florida, or any alternate or successor paying agent (collectively, the "Paying Agent"), unless the Bonds are held in the book-entry system in which case presentation shall not be required. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner set forth above if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner set forth above owns not less than \$1,000,000 in aggregate principal amount of the Series 2024 Bonds, as defined below). Interest on this Bond will be computed on the basis of a 360-day year comprised of twelve (12) thirty (30) day months. During any period that this Bond is registered in the name of Cede & Co., as Nominee of DTC, the provisions of the Supplemental Indenture (hereinafter defined) relating to the book-entry only system shall apply, including the payment provisions thereof. Capitalized terms used herein and not otherwise defined shall have the same meaning as set forth in the hereinafter defined Indenture.

This Bond is one of a duly authorized issue of Bonds of the District designated "GIR East Community Development District Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One)" in the aggregate principal amount of \$[Bond Amount] (the "Series 2024 Bonds") issued under a Master Trust Indenture, dated as of October 1, 2024 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, Fort Lauderdale, Florida, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture, dated as of October 1, 2024 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture"), between the District and the Trustee (the Series 2024 Bonds together with any other Bonds issued under and governed by the terms of the Master Indenture are hereinafter collectively referred to as the "Bonds"). The District will apply the proceeds of the Series 2024 Bonds to (a) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area One Project, (b) pay certain costs associated with the issuance of the Series 2024 Bonds, and (c) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds.

NEITHER THIS BOND NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THIS BOND AND THE SERIES OF WHICH IT IS A PART AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON AND THEREON DO NOT CONSTITUTE EITHER A PLEDGE

OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS HEREOF. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS HEREOF SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 PLEDGED REVENUES AND THE SERIES 2024 PLEDGED FUNDS PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED HEREIN AND IN THE INDENTURE.

This Bond is issued under and pursuant to the Constitution and laws of the State of Florida, particularly Chapter 190, Florida Statutes, and other applicable provisions of law and pursuant to the Indenture, executed counterparts of which Indenture are on file at the corporate trust office of the Trustee. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of Series 2024 Bonds issued under the Indenture, the collection and disposition of revenues and the funds charged with and pledged to the payment of the principal, Amortization Installments and Redemption Price of, and the interest on, the Series 2024 Bonds, the nature and extent of the security thereby created, the covenants of the District with respect to the levy and collection of Series 2024 Assessments, the terms and conditions under which the Series 2024 Bonds are or may be issued, the rights, duties, obligations and immunities of the District and the Trustee under the Indenture and the rights of the Owners of the Series 2024 Bonds and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. The Series 2024 Bonds are equally and ratably secured by the Series 2024 Trust Estate, without preference or priority of one Series 2024 Bond over another. The Supplemental Indenture does not authorize the issuance of any additional Bonds ranking on parity with the Series 2024 Bonds as to the lien and pledge of the Series 2024 Trust Estate except, under certain circumstances, Refunding Bonds, and the Supplemental Indenture contains provisions limiting the imposition of capital Assessments on property subject to the Series 2024 Assessments.

The Series 2024 Bonds are issuable only as registered bonds without coupons in current interest form in Authorized Denominations. charges incident to such transfer. Upon any such transfer a new Bond or Bonds, in the same aggregate principal amount as the Bond or Bonds transferred, will be issued to the transferee. At the corporate trust office of the Bond Registrar in Fort Lauderdale, Florida, in the manner and subject to the limitations and conditions provided in the Master Indenture and without cost, except for any tax or other governmental charge, Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of Authorized Denominations and bearing interest at the same rate or rates.

The Series 2024 Bonds are subject to redemption prior to maturity at the option of the District in whole or in part on any date on or after May 1, 20[\_\_\_], at the Redemption Price of the principal amount of the Series 2024 Bonds or portions thereof to be redeemed together with accrued interest to the date of redemption.

\* Final maturity

As more particularly set forth in the Indenture, any Series 2024 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2024 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2024 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2024 Bonds as set forth in the Supplemental Indenture.

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of one hundred percent (100%) of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Assessment Area One Project, by application of moneys transferred from the Series 2024 Acquisition and Construction Account to the Series 2024 Prepayment Subaccount as provided for in the Indenture; or

(b) from amounts, including Series 2024 Prepayments, required by the Indenture to be deposited into the Series 2024 Prepayment Subaccount; or

(c) from amounts transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount resulting from a reduction in the Series 2024 Reserve Account Requirement as provided for in the Indenture; or

(d) on the date on which the amount on deposit in the Series 2024 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2024 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2024 Bonds shall be called for redemption, the particular Series 2024 Bonds or portions of Series 2024 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of each redemption of Series 2024 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2024 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2024 Bonds then Outstanding under

the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by the execution by the Trustee of the Certificate of Authentication endorsed hereon.

**CAPITAL IMPROVEMENT REVENUE BONDS, SERIES 2024**  
**(ASSESSMENT AREA ONE)**

## INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices attached hereto, is to set forth certain information in connection with the offering for sale by the GIR East Community Development District (the "District") of its \$[15,350,000]\* Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) (the "Series 2024 Bonds").

THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2024 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District, which is the issuer of the Series 2024 Bonds, is a local unit of special purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2022-110 of the Board of County Commissioners of Osceola County, Florida (the "County"), adopted on October 17, 2022 and effective on October 25, 2022 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of the District Lands (as hereinafter defined), and has previously determined to undertake in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, and equipping, operating and maintaining water management, water supply, sewer and wastewater management, bridges or culverts, public roads, streetlights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District currently contain approximately 1,525.46 acres of land which are being developed as a mixed-use development planned for 848 attached residential units, 2,155 detached residential units, a community center, neighborhood center, a K-8 school, community parks and recreational facilities known as "[Green Island]" (the "Development"). The Development is located in unincorporated Osceola County (the "County"), between Canoe Creek Road and the Florida Turnpike, approximately two miles south of Deer Run Road. See "THE DEVELOPMENT" herein for more information.

---

\* Preliminary, subject to change.

Land development associated with the Development will occur in approximately four phases known as CCN1, CCN2, CCN3, and CCN4. Multiple assessment areas are being created in order to facilitate the District's financing plans. CCN3 consists of approximately 418.051 acres of land which are planned to contain 729 residential units ("Assessment Area One"). The remaining phases will be broken into one or more assessment areas and developed in the future. See "THE DEVELOPMENT" herein for more information.

The Series 2024 Bonds are being issued to finance a portion of the public infrastructure associated with the master infrastructure improvements for Assessment Area One of the Development (the "Assessment Area One Project"). The Series 2024 Assessments will initially be levied on all of the 418.051 acres within Assessment Area One. As lots are platted, the Series 2024 Special Assessments will be assigned to the 729 lots planned for Assessment Area One on a first-platted, first-assigned basis as set forth in the Assessment Methodology attached hereto. As parcels of land have been sold to the Builders in advance of platting, the Series 2024 Special Assessments will initially be assigned to such parcels based upon the equivalent residential units resulting from the contractually assigned entitlements for the development of lots on such lands as adjusted by the actual number of lot types developed and any true-up payments that may be due. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

WS-GIR, LLC, a Florida limited liability company (the "Developer"), is the master developer for the Development, including Assessment Area One. The Developer is selling permitted, undeveloped parcels of land in bulk closings to third party homebuilders. The Developer has sold \_\_\_ acres of land within Assessment Area One planned for \_\_\_ lots to Lennar Homes, LLC, a Florida limited liability company ("Lennar Homes"), and \_\_\_ acres of land within Assessment Area One planned for \_\_\_ lots to Taylor Morrison Homes of Florida, Inc. ("Taylor Morrison," and together with Lennar Homes and the Developer, the "Landowners"), and is under contract to sell \_\_\_ acres of land within Assessment Area One planned for \_\_\_ lots to \_\_\_\_\_ ("\_\_\_\_\_ " and, together with Lennar Homes and Taylor Morrison, the "Builders"). The Developer will be responsible for funding and constructing master infrastructure improvements necessary for the development of the lots planned for Assessment Area One. Additionally, the Developer has entered into a joint development agreement with the Builders whereby the Developer will manage the installation of parcel infrastructure improvements associated with the lots planned for Assessment Area One and the Builders will be responsible for funding the costs of such parcel infrastructure improvements. Upon development completion, the Builders will market and construct homes for sale to homebuyers. See "THE DEVELOPMENT – Builder Contracts and the Builders" and "THE DEVELOPER" herein for additional information.

The Series 2024 Bonds are being issued pursuant to the Act, Resolution Nos. 2023-25 and 2025-[ ] adopted by the Board of Supervisors of the District (the "Board") on October 28, 2022 and [October 2], 2024, respectively, and a Master Trust Indenture, dated as of October 1, 2024 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as of October 1, 2024 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX B: PROPOSED FORMS OF THE MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

The Series 2024 Bonds are equally and ratably secured by the Series 2024 Trust Estate, without preference or priority of one Series 2024 Bond over another. The Series 2024 Pledged Revenues consist of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2024 Assessments (the "Series 2024 Pledged Revenues") and the Series 2024 Pledged Funds consist of all of the Funds and Accounts (except for the

Series 2024 Rebate Account) established under the First Supplemental Indenture (the "Series 2024 Pledged Funds") which together shall constitute the Trust Estate securing the Series 2024 Bonds (the "Series 2024 Trust Estate"). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

Proceeds of the Series 2024 Bonds will be used to (i) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area One Project, (ii) pay certain costs associated with the issuance of the Series 2024 Bonds, and (iii) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds. See "ESTIMATED SOURCES AND USES OF SERIES 2024 BOND PROCEEDS" herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Assessment Area One Project, the Development, Assessment Area One, the Developer, the Builders and summaries of the terms of the Series 2024 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such document and statute, and all references to the Series 2024 Bonds are qualified by reference to the form thereof and the information with respect thereto contained in the Indenture. A copy of the Master Indenture and proposed form of the First Supplemental Indenture appear as APPENDIX B hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

## **DESCRIPTION OF THE SERIES 2024 BONDS**

### **General Description**

The Series 2024 Bonds are issuable as fully registered bonds, without coupons, in denominations of \$5,000 and any integral multiple thereof; provided, however, if any initial Beneficial Owner does not purchase at least \$100,000 of the Series 2024 Bonds at the time of initial delivery of the Series 2024 Bonds, such Beneficial Owner must either execute and deliver to the District and the Underwriter on the date of delivery of the Series 2024 Bonds an investor letter substantially in the form attached as an exhibit to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such Beneficial Owner is an "accredited investor," as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

The Series 2024 Bonds will be dated their date of issuance and delivery to the initial purchasers thereof and will bear interest payable on each May 1 and November 1, commencing May 1, 2025 (each, an "Interest Payment Date"), which shall be computed on the basis of a 360-day year comprised of twelve 30-day months. The Series 2024 Bonds will mature on May 1 of such years, in such amounts and at such rates as set forth on the cover page of this Limited Offering Memorandum.

Interest on the Series 2024 Bonds shall be due and payable on each Interest Payment Date to maturity or prior redemption. Each Series 2024 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication (a) is an Interest Payment Date to which interest on such Series 2024 Bond has been paid, in which event such Series 2024 Bond shall bear interest from its date of authentication, or (b) is prior to the first Interest Payment Date for the Series 2024 Bonds, in which event such Series 2024 Bond shall bear interest from its date.

Principal and interest due on the Series 2024 Bonds shall be payable in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public

and private debts. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the registered Owner at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15<sup>th</sup>) day of the calendar month preceding such Interest Payment Date or, if such day is not a Business Day, on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture, the payment of interest and principal or Redemption Price or Amortization Installments shall be made by the Paying Agent (hereinafter defined) to such person who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of a Series 2024 Bond. Any payment of principal, Amortization Installment or Redemption Price shall be made only upon presentation thereof at the designated corporate trust office of U.S. Bank Trust Company, National Association, located in Fort Lauderdale, Florida, or any alternate or successor paying agent (collectively, the "Paying Agent"), unless the Series 2024 Bonds are held in the book-entry system in which case presentation shall not be required. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Series 2024 Bonds).

The Series 2024 Bonds will initially be registered in the name of Cede & Co. as Nominee for The Depository Trust Company ("DTC"), which will act initially as securities depository for the Series 2024 Bonds and, so long as the Series 2024 Bonds are held in book-entry only form, Cede & Co. will be considered the registered Owner for all purposes hereof. See "- Book-Entry Only System" below for more information about DTC and its book-entry system.

**Redemption Provisions**

As more particularly set forth in the Indenture, any Series 2024 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2024 Bonds. Amortization Installments are also subject to recalculation, as provided in the First Supplemental Indenture, as the result of the redemption of Series 2024 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2024 Bonds as set forth in the First Supplemental Indenture.

*Extraordinary Mandatory Redemption.* The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of one hundred percent (100%) of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

- (a) on or after the Date of Completion of the Assessment Area One Project, by application of moneys transferred from the Series 2024 Acquisition and Construction Account to the Series 2024 Prepayment Subaccount as provided for in the Indenture; or
- (b) from amounts, including Series 2024 Prepayments, required by the Indenture to be deposited into the Series 2024 Prepayment Subaccount; or

If less than all of the Series 2024 Bonds shall be called for redemption, the particular Series 2024 Bonds or portions of Series 2024 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

### **Notice of Redemption**

Notice of each redemption of Series 2024 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2024 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

### **Book-Entry Only System**

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2024 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the

Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission (the "SEC"). More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2024 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to

whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Bond Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Bond Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2024 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2024 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2024 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

## **SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS**

### **General**

The Series 2024 Bonds are payable from and secured by the revenues derived by the District from the Series 2024 Assessments and amounts in the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture. Series 2024 Assessments will be levied and collected on the lands within Assessment Area One that receive a special benefit from the Assessment Area One Project, and shall not include Assessments imposed, levied and collected by the District with respect to property within the District not so specially benefited. The Series 2024 Assessments represent an allocation of the costs of the Assessment Area One Project, including bond financing costs, to such benefited land within the District in accordance with the Assessment Methodology (as defined herein), attached hereto as composite APPENDIX E.

NEITHER THE SERIES 2024 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF THE STATE. THE SERIES 2024 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 PLEDGED REVENUES AND THE SERIES 2024 PLEDGED FUNDS PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED IN THE SERIES 2024 BONDS AND IN THE INDENTURE.

### **Additional Bonds**

Pursuant to the First Supplemental Indenture, other than Refunding Bonds issued to refund the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt Service savings, the District will covenant not to, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. The District will further covenant and agree that so long as the Series 2024 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2024 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners. "Substantially Absorbed" is defined in the First Supplemental Indenture to mean the date on which the principal amount of the Series 2024 Assessments equaling ninety percent (90%) of the then Outstanding principal amount of the Series 2024 Bonds is levied on tax parcels within Assessment Area One with respect to which a certificate of occupancy has been issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Assessments without the consent of the Owners of the Series 2024 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2024 Assessments, on the same lands upon which the Series 2024 Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

### **Covenant Against Sale or Encumbrance**

In the Master Indenture, the District covenants that, except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Project (including the Assessment Area One Project) or any part thereof. See "APPENDIX B: PROPOSED FORMS OF THE MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

## **Series 2024 Acquisition and Construction Account**

The First Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Acquisition and Construction Account." Amounts on deposit in the Series 2024 Acquisition and Construction Account shall be applied to pay Costs of the Assessment Area One Project upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and on the form attached to the First Supplemental Indenture. The Trustee shall have no duty to verify that any requested disbursement from the Series 2024 Acquisition and Construction Account is for a Cost of the Assessment Area One Project. The District Engineer shall establish a Date of Completion for the Assessment Area One Project, and any balance remaining in the Series 2024 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Assessment Area One Project which are required to be reserved in the Series 2024 Acquisition and Construction Account in accordance with the certificate of the District Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2024 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 301 of the First Supplemental Indenture and in the manner prescribed in the form of Series 2024 Bond attached to the First Supplemental Indenture. Notwithstanding the foregoing, the District shall not establish a Date of Completion until after the Reserve Account Release Conditions (as defined herein) have been satisfied and moneys have been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of such satisfaction pursuant to Section 405 of the First Supplemental Indenture. Such amounts deposited into the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Reserve Account Release Conditions shall be paid to the Person or Persons designated in a requisition in the form attached as Exhibit C to the First Supplemental Indenture, upon compliance with the requisition provisions set forth in this section, to cover any requisitions submitted pursuant to Section 403(a) of the First Supplemental Indenture which remain unpaid ("Unpaid Requisitions"), in full or in part, in chronological order (oldest to newest) based on the date such requisitions were submitted by the District to the Trustee. Any requisition submitted in compliance with the prior sentence shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Date of Completion might have been declared provided such Costs of the Series 2024 Project were not previously paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no Unpaid Requisitions to pay, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 Prepayment Subaccount upon direction to the Trustee by the District. At such time as there are no amounts on deposit in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District will acknowledge that (a) the Series 2024 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2024 Trust

Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

### **Series 2024 Reserve Account**

The First Supplemental Indenture establishes a Series 2024 Reserve Account within the Reserve Fund for the Series 2024 Bonds, which shall be held for the benefit of all of the Series 2024 Bonds, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another. The Series 2024 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2024 Reserve Account Requirement. "Series 2024 Reserve Account Requirement" is defined in the First Supplemental Indenture to mean an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions are met, at which time and thereafter, Series 2024 Reserve Account Requirement shall mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation. On the date of initial issuance of the Series 2024 Bonds, the Series 2024 Reserve Account Requirement shall be \$\_\_\_\_\_.

"Reserve Account Release Conditions" shall mean, collectively, that (a) all homes within Assessment Area One have been built and have received a certificate of occupancy, (b) all of the principal portion of the Series 2024 Assessments has been assigned to such homes, (c) all Series 2024 Assessments are being collected pursuant to the Uniform Method, and (d) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2024 Bonds. The District Manager shall provide a written certification to the District and the Trustee certifying that the events in clauses (a) through (c) have occurred and affirming clause (d), on which certifications the Trustee may conclusively rely.

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2024 Reserve Account shall be used only for the purpose of making payments into the Series 2024 Interest Account and the Series 2024 Sinking Fund Account to pay Debt Service on the Series 2024 Bonds, when due, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2024 Reserve Account shall consist only of cash and Series 2024 Investment Obligations.

Anything in the Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), an Authorized Officer of the District shall recalculate the Series 2024 Reserve Account Requirement and shall direct the Trustee in writing to transfer any excess on deposit in the Series 2024 Reserve Account (a) resulting from Prepayments of Series 2024 Assessments into the Series 2024 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2024 Bonds, (b) resulting from a reduction of the Series 2024 Reserve Account Requirement as the result of the Reserve Account Release Conditions being met into the Series 2024 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in the First Supplemental Indenture. The Trustee is hereby authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest and redemption premium, if any, on such Series 2024 Bonds to the earliest Redemption Date permitted therein and in the First Supplemental Indenture, then the

Trustee shall transfer the amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest Redemption Date permitted for redemption therein and in the First Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

### **Series 2024 Revenue Account**

Pursuant to the First Supplemental Indenture, the Trustee is authorized and directed to deposit any and all amounts required to be deposited in the Series 2024 Revenue Account by Section 408 of the First Supplemental Indenture or by any other provision of the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2024 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

The Trustee shall deposit into the Series 2024 Revenue Account (i) Series 2024 Assessment Revenues other than Series 2024 Prepayments (which Series 2024 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2024 Prepayment Subaccount), (ii) Series 2024 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2024 Revenue Account.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2024 Revenue Account to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached to the First Supplemental Indenture, Section 301 of the First Supplemental Indenture, and Article III of the Master Indenture.

On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall transfer amounts on deposit in the Series 2024 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2024 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, and the amount already on deposit in the Series 2024 Interest Account not previously credited;

SECOND, on May 1, 20[\_\_\_], and on each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series

2024 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement with respect to the Series 2024 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2024 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds, and then the balance shall be retained in the Series 2024 Revenue Account.

On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

### **Investments**

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Series 2024 Investment Obligations. Earnings on investments in the Series 2024 Acquisition and the Series 2024 Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(a) if there was no deficiency (as defined in the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account; or

(b) if there was a deficiency (as defined in the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be retained in the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to Section 405 of the First Supplemental Indenture.

### **Prepayment of the Series 2024 Assessments**

Pursuant to the Series 2024 Assessment Proceedings, an owner of property subject to the Series 2024 Assessments may prepay the entire principal balance of such Series 2024 Assessments remaining due

at any time, or a portion of the remaining balance up to two times, if there is also paid an amount equal to the interest that would otherwise be due on such balance on the next succeeding Interest Payment Date for the Series 2024 Bonds, or, if prepaid during the forty-five (45) day period preceding such Interest Payment Date, on the second succeeding Interest Payment Date.

Pursuant to the Act, an owner of property subject to the levy of Series 2024 Assessments may pay the entire balance of the Series 2024 Assessments remaining due, without interest, within thirty (30) days after the Assessment Area One Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area One Project pursuant to Chapter 170.09, Florida Statutes. The Landowners, as the sole owners of the property within Assessment Area One of the District that is subject to the Series 2024 Assessments, will covenant to waive this right for the lands they own in Assessment Area One in connection with the issuance of the Series 2024 Bonds pursuant to Declarations of Consent. Such declarations will be recorded in the public records of the County, and the covenants contained therein will be binding on their respective successors and assigns. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2024 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional prepayments of Series 2024 Assessments by property owners.

### **Provisions Relating to Bankruptcy or Insolvency of Landowner**

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Series 2024 Assessments pledged to the Series 2024 Bonds then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District will acknowledge and agree in the Indenture that, although the Series 2024 Bonds were issued by the District, the Owners of the Series 2024 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District will agree that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2024 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2024 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(ii) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District will agree that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2024 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Series 2024 Assessments pledged to the Series 2024 Bonds then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District will acknowledge and agree in the Indenture that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Nothing in the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (iv) above.

### **Events of Default and Remedies**

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2024 Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

- (a) any payment of Debt Service on the Series 2024 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;
- (c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Assessment Area One Project;
- (d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;
- (e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;
- (f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;
- (g) any portion of the Series 2024 Assessments pledged to the Series 2024 Bonds shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2024 Reserve Account to pay Debt Service on the Series 2024 Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series 2024 Reserve Account to pay Debt Service on the Series 2024 Bonds);
- (h) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2024 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2024 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2024 Bonds then Outstanding and affected by such default; and
- (i) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Series 2024 Assessments pledged to the Series 2024 Bonds are not paid by the date such are due and payable.

No Series 2024 Bonds shall be subject to acceleration unless the Series 2024 Assessments have been accelerated. Upon the happening and continuance of any Event of Default specified above with respect to the Series 2024 Bonds, the Trustee may protect and enforce the rights of the Owners of the Series 2024 Bonds under State law, and under the Indenture and the Series 2024 Bonds, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained in the Master

Indenture or in aid or execution of any power in the Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Series 2024 Bonds then Outstanding shall, subject to the requirements of Section 607 of the Master Indenture, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee under the Master Indenture, provided that such directions shall not be in conflict with any rule of law or the Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series 2024 Bonds not parties to such direction or would subject the Trustee to personal liability or expense. The Trustee may take any other action which is not inconsistent with any direction under this paragraph.

No Owner of the Series 2024 Bonds shall have any right to pursue any remedy under the Indenture unless (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Series 2024 Bonds then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of Section 904 of the Master Indenture or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Series 2024 Bonds then Outstanding.

## **ENFORCEMENT OF ASSESSMENT COLLECTIONS**

### **General**

The primary source of payment for the Series 2024 Bonds is the collection of the Series 2024 Assessments imposed on certain lands in the District designated as Assessment Area One that are specially benefited by the Assessment Area One Project pursuant to the Series 2024 Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2024 Assessments must be done in compliance with the provisions of State law. Failure by the District, the Osceola County Tax Collector ("Tax Collector") or the Osceola County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, the Series 2024 Assessments during any year. Such delays in the collection of the Series 2024 Assessments would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2024 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2024 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds. For the Series 2024 Assessments to be valid, the Series 2024 Assessments must meet two requirements: (1) the benefit from the Assessment Area One Project to the lands subject to the Series 2024 Assessments must exceed or equal the amount of the Series 2024 Assessments, and (2) the Series 2024 Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act, and the Series 2024 Assessment Proceedings, the District may collect the Series 2024 Assessments through a variety of methods. See "BONDOWNERS' RISKS." Initially, the District will directly collect the Series 2024 Assessments levied in lieu of using the Uniform Method of Collection (the "Uniform Method") afforded by Chapter 197, Florida Statutes, with respect to any assessable lands within Assessment Area One within the District which have not yet been platted, or when the timing for using the

Uniform Method will not yet allow for using such method, unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto. As lands are platted, the Series 2024 Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

### **Direct Billing & Foreclosure Procedure**

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2024 Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2024 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Assessments and the ability to foreclose the lien of such Series 2024 Assessments upon the failure to pay such Series 2024 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Assessments. See " BONDOWNERS' RISKS."

### **Uniform Method Procedure**

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2024 Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2024 Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2024 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by State law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made

pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2024 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2024 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Series 2024 Assessment Proceedings to discharge the lien of the Series 2024 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2024 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax

certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

## **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby and are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

### **Concentration of Land Ownership**

As of the date hereof, the Landowners own all of the assessable lands within Assessment Area One, which are the lands that will be subject to the Series 2024 Assessments securing the Series 2024 Bonds. Payment of the Series 2024 Assessments is primarily dependent upon their timely payment by the Landowners and the other future landowners in Assessment Area One. Non-payment of the Series 2024 Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay Debt Service on the Series 2024 Bonds. See "THE DEVELOPER," "THE DEVELOPMENT – Builder Contracts and the Builders," and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

### **Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Landowners or any other owner of benefited property, delays could occur in the payment of Debt Service on the Series 2024 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Landowners and any other landowner to pay the Series 2024 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Assessments and the ability of the District to foreclose the lien of the Series 2024 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization,

insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

### **Series 2024 Assessments Are Non-Recourse**

The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Assessments. The Series 2024 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Landowners or subsequent landowners will be able to pay the Series 2024 Assessments or that they will pay such Series 2024 Assessments even though financially able to do so. Neither the Landowners nor any other subsequent landowners have any personal obligation to pay the Series 2024 Assessments. Neither the Landowners nor any subsequent landowners are guarantors of payment of any Series 2024 Assessments, and the recourse for the failure of the Landowners or any subsequent landowner to pay the Series 2024 Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2024 Assessments, as described herein. Therefore the likelihood of collection of the Series 2024 Assessments may ultimately depend on the market value of the land subject to the Series 2024 Assessments. While the ability of the Landowners or subsequent landowners to pay the Series 2024 Assessments is a relevant factor, the willingness of the Landowners or subsequent landowners to pay the Series 2024 Assessments, which may also be affected by the value of the land subject to the Series 2024 Assessments, is also an important factor in the collection of Series 2024 Assessments. The failure of the Landowners or subsequent landowners to pay the Series 2024 Assessments could render the District unable to collect delinquent Series 2024 Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2024 Bonds.

### **Regulatory and Environmental Risks**

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2024 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.

The value of the lands subject to the Series 2024 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

### **Economic Conditions and Changes in Development Plans**

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowners. Moreover, the Landowners have the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

### **Other Taxes and Assessments**

The willingness and/or ability of an owner of benefited land to pay the Series 2024 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2024 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2024 Assessment, even though the landowner is not contesting the amount of the Series 2024 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

### **Limited Secondary Market for Series 2024 Bonds**

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, as applicable, existing real estate and financial market conditions and other factors.

### **Inadequacy of Reserve Account**

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2024 Assessments, may not adversely affect the timely payment of Debt Service on the Series 2024 Bonds because of the moneys on deposit in the Series 2024 Reserve Account. The ability of the Series 2024 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2024 Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2024 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2024 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2024 Assessments, the moneys on deposit in the Series 2024 Reserve Account would be rapidly depleted and the ability of the District to pay Debt Service on the Series 2024 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Assessments in order to provide for the replenishment of the Series 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Series 2024 Reserve Account" herein for more information about the Series 2024 Reserve Account.

### **Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in

completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2024 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amounts of proceeds from the Series 2024 Bonds that can be used for such purpose.

### **IRS Examination and Audit Risk**

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant

legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

### **Loss of Exemption from Securities Registration**

The Series 2024 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future

determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

### **Federal Tax Reform**

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2024 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2024 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

### **State Tax Reform**

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

### **Insufficient Resources or Other Factors Causing Failure to Complete Development**

The cost to finish the Assessment Area One Project will exceed the net proceeds from the Series 2024 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area One Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area One Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY

FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Bonds" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Assessment Area One Project regardless of the insufficiency of proceeds from the Series 2024 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation, [and the Developer is a special-purpose entity whose assets consist primarily of its interest in the Development]. See "THE DEVELOPER" herein for more information.

There are no assurances that the Assessment Area One Project and any other remaining development work associated with Assessment Area One will be completed. Further, there is a possibility that, even if Assessment Area One is developed, the Builders may not close on any more of the land therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area One. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – Builder Contracts and the Builders" herein for more information about the Builders and the Builder Contracts. Further, even if development of Assessment Area One is completed, there are no assurances that all of the planned homes will be constructed and sold within Assessment Area One. See "THE DEVELOPER" herein for more information.

### **Pandemics and Other Public Health Emergencies**

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Landowners, the timely and successful completion of the Development, the purchase of lots therein by the Builders and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

### **Cybersecurity**

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2024 Bonds.

### **Prepayment and Redemption Risk**

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2024 Assessments by the Landowners or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for

the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions," "– Purchase of Series 2024 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Assessments" herein for more information.

#### **Payment of Series 2024 Assessments after Bank Foreclosure**

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area One of the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

## THE DISTRICT

### General Information

The District, which is the issuer of the Series 2024 Bonds, is a local unit of special purpose government of the State, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2022-110 of the Board of County Commissioners of Osceola County, Florida (the "County"), adopted on October 17, 2022 and effective on October 25, 2022 (the "Ordinance"). The District encompasses approximately 1,525.460 acres of land and is located in unincorporated Osceola County, between Canoe Creek Road and the Florida Turnpike, approximately two miles south of Deer Run Road.

### Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessment liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2024 Bonds.

## Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Mike Liquori*	Chairperson	November 2027
Matt Call*	Vice-Chairperson	November 2027
Tripp Berlinsky*	Assistant Secretary	November 2025
Chancy Summers*	Assistant Secretary	November 2025
Rob Bonin*	Assistant Secretary	November 2025

\* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's open meeting or "Sunshine" law.

### **The District Manager and Other Consultants**

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Governmental Management Services – Central Florida, LLC, Orlando, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 219 E. Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, as Bond Counsel; Heidt Design, LLC, Tampa, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained Governmental Management Services – Central Florida, LLC, to serve as Methodology Consultant and Dissemination Agent for the Series 2024 Bonds.

### **No Outstanding Bond Indebtedness**

The District has not previously issued any bonds or other similar debt obligations.

## THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT

Heidt Design, LLC (the "District Engineer") prepared the "Master Report of District Engineer for GIR East Community Development District Engineer's Report" dated October 2022 (the "Master Report"), as supplemented by the "Assessment Area One Engineer's Report for GIR East Community Development District" dated September 2024 (the "Supplemental Report" and, together with the Master Report, the "Engineer's Report"). The Engineer's Report sets forth certain master infrastructure improvements necessary for the development of the 3,003 units planned for the Development (the "Capital Improvement Plan"). The District Engineer, in the Master Report, estimated the total cost of the Capital Improvement Plan to be approximately \$332 million.

Land development associated with the Development will occur in approximately four phases known as CCN1, CCN2, CCN3, and CCN4. Multiple assessment areas are being created in order to facilitate the District's financing plans. CCN3 consists of approximately 418.051 acres of land which are planned to contain 729 residential units ("Assessment Area One"). The remaining phases will be broken into one or more assessment areas and developed in the future.

The portion of the Capital Improvement Plan associated with Assessment Area One, specifically the master infrastructure improvements for Assessment Area One, is referred to herein as the "Assessment Area One Project." The Series 2024 Bonds are being issued to finance a portion of the Assessment Area One Project. In the Supplemental Report, the District Engineer estimated the total cost of the Assessment Area One Project to be approximately \$19.94 million, as more particularly described below.

Infrastructure	Total Estimated Cost
Roadways (Waterlin Blvd Only)*	\$2,620,932
Stormwater (Waterlin Blvd Only)*	2,492,989
Sanitary Sewer Collection System	490,324
Water Distribution System	1,066,539
Reclaimed Water Distribution System	688,379
Landscaping, Hardscaping, and Irrigation	4,000,000
Recreational Facilities	4,400,000
Professional Services	2,363,874
Contingency	1,812,304
<b>TOTAL</b>	<b>\$19,935,341</b>

*\*Certain portions of master roadway and stormwater improvements within the District's overall Capital Improvement Plan are eligible for impact fee credits and it is currently anticipated that such impact fee creditable portions will be privately funded by the Developer. As this pertains to the current phase, Waterlin Boulevard Phase 1, the total cost of the roadway improvements is estimated to be \$10,064,791. Per the Tri-Party Development Agreement (as defined herein), 49.19% of this total cost is eligible for impact fee credits and is being financed by the Developer and the associated impact fee credits will be retained by the Developer. Therefore the \$5,113,920 estimated above for Waterlin Boulevard improvements represents the 50.81% of total costs not eligible for impact fee credits, which costs will be financed in part with proceeds of the Series 2024 Bonds. See "THE DEVELOPMENT – Development Approvals" herein for more information.*

Land development associated with Assessment Area One is expected to commence in [October 2024] and is expected to be completed in approximately 6 subphases.

The Developer anticipates that the total land development costs associated with the Master Infrastructure for Assessment Area One will be approximately \$24.9 million, which consists of the Assessment Area One Project as well as the impact fee creditable portion of Waterlin Boulevard improvements in the approximate amount of \$4.95 million. As of \_\_\_\_\_, 2024, the Developer has incurred approximately \$\_\_\_\_ million in engineering, permitting and clearing costs associated with Assessment Area One. The Assessment Area One Project will be funded in part from the net proceeds of the Series 2024 Bonds in the amount of \$[14.31] million\*. Master infrastructure costs not funded from the net proceeds of the Series 2024 Bonds will be funded with equity and land sale proceeds by the Developer. The Developer will enter into a completion agreement at closing on the Series 2024 Bonds whereby it will agree to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2024 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The District anticipates issuing additional bonds in the future in order to finance a portion of the public infrastructure improvements associated with future phases. Such bonds will be secured by special assessments levied on lands which are separate and distinct from the land securing the Series 2024 Special Assessments. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations" herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area One Project as set forth in the Engineer's Report have been obtained or are expected to be obtained in the ordinary course of development. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" herein for a more detailed description of the entitlement and permitting status of the Development.

See "APPENDIX A: ENGINEER'S REPORT" for more information regarding the above improvements.

**ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS**

Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"), has prepared the Master Assessment Methodology Report for Assessment Area One dated September 11, 2024 (the "Master Assessment Methodology"), as supplemented by the [Preliminary First Supplemental Special Assessment Methodology Report] dated [October 2], 2024, included herein as APPENDIX E (the "Supplemental Assessment Methodology" and together with the Master Assessment Methodology, the "Assessment Methodology"). The Assessment Methodology sets forth an overall method for allocating the Series 2024 Assessments to be levied against the lands within the District benefited by the Assessment Area One Project and collected by the District as a result thereof. Once the final terms of the Series 2024 Bonds are determined, the Supplemental Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2024 Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2024 Bonds are payable from and secured by a pledge of the Series 2024 Pledged Revenues, which consist primarily of revenues received by the District from the Series 2024 Special Assessments levied on Assessment Area One. The Series 2024 Special Assessments will initially be levied on all of the 418.051 acres within Assessment Area One. As lots are platted, the Series 2024 Special Assessments will be assigned to the 729 lots planned for Assessment Area One on a first-platted, first-assigned basis as set forth in the Assessment Methodology attached hereto. As parcels of land have been sold to the Builders in advance of platting, the Series 2024 Special Assessments will initially be assigned to such parcels based upon the equivalent residential units resulting from the contractually assigned entitlements for the development of lots on such lands as adjusted by the actual number of lot types developed and any true-up payments that may be due. See "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto for more information.

Upon platting of Assessment Area One, the Series 2024 Special Assessment levels and par per unit are expected to be as follows:

<b>Product</b>	<b># of Units Planned</b>	<b>Net Annual Series 2024 Special Assessment*</b>	<b>Series 2024 Bonds Total Par Per Unit*</b>
Townhome 22'	112	\$1,000	\$14,616
Single Family 40'	67	\$1,200	\$17,539
Single Family 45'	123	\$1,350	\$19,731
Single Family 50'	236	\$1,500	\$21,923
Single Family 55'	40	\$1,650	\$24,116
Single Family 60'	<u>151</u>	\$1,800	\$26,308
Total	729		

\* Preliminary, subject to change. Annual assessments collected via the Uniform Method will be subject to a gross up to account for estimated County collection costs/payment discounts, which may fluctuate.

The District anticipates levying assessments to cover its operation and maintenance costs, which are expected to be approximately \$ \_\_\_ per townhome unit and \$ \_\_\_ per single-family unit annually, but such amount is subject to change. In addition, residents will be required to pay homeowners' association fees which are currently estimated to be \$ \_\_\_ per residential lot annually, which amounts are subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2023 was approximately 13.9649 mills. These taxes would be payable in addition to the

Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School Board of Osceola County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2023. See "BONDOWNERS' RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including proposed homeowners associations' assessments.

## **THE DEVELOPMENT**

### **General Overview**

The District Lands encompass approximately 1,525.46 acres of land which are being developed as a mixed-use development planned for 848 attached residential units, 2,155 detached residential units, a community center, neighborhood center, a K-8 school, community parks and recreational facilities known as "[Green Island]" (the "Development"). The Development is located in unincorporated Osceola County (the "County"), between Canoe Creek Road and the Florida Turnpike, approximately two miles south of Deer Run Road. The Development is in close proximity to nearby communities including Tohoqua, Old Hickory, and Buena Lago to the north. The Florida Turnpike provides convenient access to the Orlando theme parks and the Orlando International Airport, which are located approximately 30 miles to the north. Set forth below is a map which depicts the location of the Development.

Land development associated with the Development will occur in approximately four phases known as CCN1, CCN2, CCN3, and CCN4. Multiple assessment areas are being created in order to facilitate the District's financing plans. CCN3 consists of approximately 418.051 acres of land which are

planned to contain 729 residential units ("Assessment Area One"). The remaining phases will be broken into one or more assessment areas and developed in the future.

The portion of the Capital Improvement Plan associated with Assessment Area One, specifically the master infrastructure improvements for Assessment Area One, is referred to herein as the "Assessment Area One Project." The Series 2024 Bonds are being issued to finance a portion of the Assessment Area One Project. The Series 2024 Bonds will be secured by the Series 2024 Special Assessments, which will initially be levied on all of the 418.051 acres within Assessment Area One. As lots are platted, the Series 2024 Special Assessments will be assigned to the 729 lots planned for Assessment Area One on a first-platted, first-assigned basis as set forth in the Assessment Methodology attached hereto. As parcels of land have been sold to the Builders in advance of platting, the Series 2024 Special Assessments will initially be assigned to such parcels based upon the equivalent residential units resulting from the contractually assigned entitlements for the development of lots on such lands as adjusted by the actual number of lot types developed and any true-up payments that may be due. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

WS-GIR, LLC, a Florida limited liability company (the "Developer"), is the master developer for the Development, including Assessment Area One. The Developer is selling permitted, undeveloped parcels of land in bulk closings to third party homebuilders. The Developer has sold \_\_\_ acres of land within Assessment Area One planned for \_\_\_ lots to Lennar Homes, LLC, a Florida limited liability company ("Lennar Homes") and \_\_\_ acres of land within Assessment Area One planned for \_\_\_ lots to Taylor Morrison Homes of Florida, Inc. ("Taylor Morrison," and together with Lennar Homes and the Developer, the "Landowners"), and is under contract to sell \_\_\_ acres of land within Assessment Area One planned for \_\_\_ lots to \_\_\_\_\_ ("\_\_\_\_\_," and, together with Lennar Homes and Taylor Morrison, the "Builders"). The Developer will be responsible for funding and constructing master infrastructure improvements necessary for the development of the lots planned for Assessment Area One. Additionally, the Developer has entered into a joint development agreement with the Builders whereby the Developer will manage the installation of parcel infrastructure improvements associated with the lots planned for Assessment Area One and the Builders will be responsible for funding the costs of such parcel infrastructure improvements. Upon development completion, the Builders will market and construct homes for sale to homebuyers. See "—The Builder Contracts and the Builders" and "THE DEVELOPER" herein for more information.

The District anticipates issuing additional bonds in the future in order to finance a portion of the public infrastructure improvements associated with future phases. Such bonds will be secured by special assessments levied on lands which are separate and distinct from the land securing the Series 2024 Special Assessments. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations" herein for more information.

Assessment Area One is expected to contain 112 townhome units and 617 single-family detached homes on varying lot widths. Townhomes in Assessment Area One are expected to range in size from \_\_\_\_\_ square feet to \_\_\_\_\_ square feet with starting prices ranging from \$ \_\_\_\_\_ to \$ \_\_\_\_\_. Single-family detached homes in Assessment Area One are expected to range in size from \_\_\_\_\_ square feet to \_\_\_\_\_ square feet with starting home prices ranging from approximately \$ \_\_\_\_\_ to approximately \$ \_\_\_\_\_. The target market for homebuyers within Assessment Area One include first time homebuyers and move-up buyers. See "– Residential Product Offerings" herein.

### **Land Acquisition and Development Finance Plan**

The Developer acquired title to the lands within the Development in \_\_\_\_\_ 202\_ for a purchase price of \$ \_\_\_\_\_. The Developer subsequently sold \_\_\_ acres of land within Assessment Area One

planned for \_\_\_\_ lots to Lennar Homes on \_\_\_\_\_, 2024 for \$ \_\_\_\_\_. The Developer additionally sold \_\_\_\_ acres of land within Assessment Area One planned for \_\_\_\_ lots to Taylor Morrison on \_\_\_\_\_, 2024 for \$ \_\_\_\_\_. The Developer is under contract with \_\_\_\_\_ to sell the remaining \_\_\_\_ acres within Assessment Area One for \$ \_\_\_\_\_, which closing is expected to occur by \_\_\_\_\_ 2024. See "—The Builder Contracts and the Builders" herein for more information. There are currently no mortgages on the land within Assessment Area One.

The Developer anticipates that the total land development costs associated with the Master Infrastructure for Assessment Area One will be approximately \$24.9 million, which consists of the Assessment Area One Project as well as the impact fee creditable portion of Waterlin Boulevard improvements in the approximate amount of \$4.95 million. See "—Development Approvals" herein. As of \_\_\_\_\_, 2024, the Developer has incurred approximately \$ \_\_\_\_ million in engineering, permitting and clearing costs associated with Assessment Area One. The Assessment Area One Project will be funded in part from the net proceeds of the Series 2024 Bonds in the amount of \$[14.31] million\*. Master infrastructure costs not funded from the net proceeds of the Series 2024 Bonds will be funded with equity and land sale proceeds by the Developer. The Developer will enter into a completion agreement at closing on the Series 2024 Bonds whereby it will agree to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2024 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The Developer has entered into a joint development agreement with the Builders (the "JDA") whereby the Developer will manage the installation of parcel specific infrastructure improvements associated with Assessment Area One and the Builders will be responsible for funding such improvements. The Developer estimates the total cost to complete parcel infrastructure improvements associated with Assessment Area One to be approximately \$ \_\_\_\_\_ per lot.

### **Development Plan and Status**

Land development associated with Assessment Area One is expected to commence in [October 2024] and will be completed in subphases. Clearing and mass grading for Assessment Area One is expected to commence in \_\_\_\_\_ 2024 and is expected to be completed by \_\_\_\_\_ 202\_. The main component of the Assessment Area One Project includes the construction of Waterlin Boulevard, the main spine road running east to west through the Development providing master utility access to the various parcels planned for the Development. Construction of Waterlin Boulevard is expected to commence in \_\_\_\_\_ 202\_ and is expected to be completed by \_\_\_\_\_. Parcel infrastructure improvements associated with Assessment Area One will be phased. Set forth below is a chart which sets out the phasing for Assessment Area One. For the timing of each phase, please see the discussion below.

The homebuilders for phase 6 include [which builder or builders are in this phase?]

The Developer expects that homes will be closed with residential end users at the rate of approximately \_\_\_\_ homes per year until buildout. These anticipated absorption rates are based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive

uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rates will occur or be realized in the timeframes anticipated.

**Builder Contracts and the Builders**

The Developer closed on the sale of \_\_\_\_ acres of land within Assessment Area One planned for \_\_\_\_ lots with Lennar Homes and Taylor Morrison for a total purchase price of approximately \$ \_\_\_\_\_ million. The Developer currently owns the remaining \_\_\_\_ acres of land planned for the remaining \_\_\_\_ lots within Assessment Area One and has entered into a contract with \_\_\_\_\_ for the sale of such parcel of land for approximately \$ \_\_\_\_\_, which contract is expected to close in [November 2024] after the issuance of the Series 2024 Bonds. The following table sets forth the status of the land closings for Assessment Area One.

*None of the Builders nor any of the other entities listed above are guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments. [any permits outstanding?]

[please provide school and transportation concurrency]

The Developer is required to construct two left turn lanes and right deceleration lanes on Canoe Creek Road to provide access to the Development. These improvements are located outside the boundaries of the District.

Waterlin Boulevard is a 4-lane divided roadway referred to as a Premium Transit Corridor (PTC-1) by the County. The portion of Waterlin Boulevard associated with the Assessment Area One is

approximately 6,400 feet in length beginning at Canoe Creek Boulevard and extending west. Waterlin Boulevard provides access to the adjacent residential neighborhoods and is the main utility hook up as the spine road for the Development. The Developer entered into a tri-party agreement with...

The District Engineer has certified that all permits and approvals for the Development by jurisdictional agencies to allow for the development contemplated herein have been received or are expected to be received in the ordinary course. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein and "APPENDIX A: ENGINEER'S REPORT" hereto.

### **Environmental**

A Phase I Environmental Site Assessment was performed on the District Lands in \_\_\_\_\_ (the "ESA"). [The ESA noted no recognized environmental conditions ("REC").] See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein for more information.

### **Utilities**

The [County] will provide water and sewer service to the Development. \_\_\_\_\_ will provide electrical service to the Development. See "APPENDIX A: ENGINEER'S REPORT" attached hereto for more information regarding the ownership and maintenance of utilities within the Development.

### **Taxes, Fees and Assessments**

The Series 2024 Bonds are payable from and secured by a pledge of the Series 2024 Pledged Revenues, which consist primarily of revenues received by the District from the Series 2024 Special Assessments levied on Assessment Area One. The Series 2024 Special Assessments will initially be levied on all of the 418.051 acres within Assessment Area One. As lots are platted, the Series 2024 Special Assessments will be assigned to the 729 lots planned for Assessment Area One on a first-platted, first-assigned basis as set forth in the Assessment Methodology attached hereto. As parcels of land have been sold to the Builders in advance of platting, the Series 2024 Special Assessments will initially be assigned to such parcels based upon the equivalent residential units resulting from the contractually assigned entitlements for the development of lots on such lands as adjusted by the actual number of lot types developed and any true-up payments that may be due. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY" hereto for more information.

Upon platting of Assessment Area One, the Series 2024 Special Assessment levels and par per unit are expected to be as follows:

<b>Product</b>	<b># of Units Planned</b>	<b>Net Annual Series 2024 Special Assessment*</b>	<b>Series 2024 Bonds Total Par Per Unit*</b>
Townhome 22'	112	\$1,000	\$14,616
Single Family 40'	67	\$1,200	\$17,539
Single Family 45'	123	\$1,350	\$19,731
Single Family 50'	236	\$1,500	\$21,923
Single Family 55'	40	\$1,650	\$24,116
Single Family 60'	<u>151</u>	\$1,800	\$26,308
Total	729		

\* Preliminary, subject to change. Annual assessments collected via the Uniform Method will be subject to a gross up to account for estimated County collection costs/payment discounts, which may fluctuate.

The District anticipates levying assessments to cover its operation and maintenance costs, which are expected to be approximately \$\_\_\_ per townhome unit and \$\_\_\_\_\_ per single-family unit annually, but such amount is subject to change. In addition, residents will be required to pay homeowners' association fees which are currently estimated to be \$\_\_\_ per residential lot annually, which amounts are subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2023 was approximately 13.9649 mills. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School Board of Osceola County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2023.

**Amenities**

The District is expected to contain a \_\_\_-acre recreation area containing a \_\_\_\_\_ square foot club house with resort style swimming pool, [multipurpose field, sport courts, enclosed dog park, playground and walking trails] [please add/remove features as necessary] (collectively, the "Amenity"). The Amenity has an estimated cost of approximately \$4.4 million, with construction expected to commence in the \_\_\_\_\_ quarter of 202\_\_ and to be completed by the \_\_\_\_\_ quarter of 202\_. The cost of the Amenity is included in the Assessment Area One Project, and the Amenity will be owned and operated by the District upon completion.

**Education**

The public schools for children residing in the Development are expected to be \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_, which are located approximately \_\_ miles, \_\_ miles, and \_\_ miles from the Development, respectively, and which were rated \_\_, \_\_ and \_\_, respectively, by the Florida Department of Education in 2024. The Osceola County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

## **Competition**

The Development is expected to compete with nearby projects which include [Harmony West], [Tohoqua], [Bridgewalk], [Osceola Village Center], [Buena Lago, and [Bellaviva at Westside]. [please add/remove as necessary] The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

## **Landowners' Agreements**

The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2024 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Assessment Area One Project. In addition, any mortgagees or Builders may have certain development rights and other rights assigned to it which may be superior to such rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2024 Special Assessments as a result of the Developer's or subsequent Developers' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Assessment Area One Project or the development of the Development.

Finally, the Landowners will each enter into a True-Up Agreement in connection with its obligation to pay true-up payments in the event that debt levels remaining on unplatted lands in the Development owned by the Landowners increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Landowners are unsecured obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development," "THE DEVELOPER" and "– Builder Contracts and the Builders" herein for more information regarding the Landowners.

## **THE DEVELOPER**

[to come]

*Neither the Developer, the other Landowners, nor any of the other entities listed above are guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments. None of the entities listed herein, other than the Landowners, has entered into any agreements in connection with the issuance of the Series 2024 Bonds.*

## **TAX MATTERS**

### **Opinion of Bond Counsel**

In the opinion of Bond Counsel, the form of which is attached hereto as APPENDIX C, the interest on the Series 2024 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2024 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. Failure by the District to comply subsequent to the issuance of the Series 2024 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (as previously defined, the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2024 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2024 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2024 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

### **Internal Revenue Code of 1986**

The Code contains a number of provisions that apply to the Series 2024 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2024 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2024 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2024 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

### **Collateral Tax Consequences**

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should be aware that the ownership of the Series 2024 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2024 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2024 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2024 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2024 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

**PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2024 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2024 BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD.**

### **Florida Taxes**

In the opinion of Bond Counsel, the Series 2024 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220,

Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

### **Other Tax Matters**

Interest on the Series 2024 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2024 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2024 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the "IRA"), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the "adjusted financial statement income", as defined in the IRA, of certain corporations. Interest on the Series 2024 Bonds will be included in the "adjusted financial statement income" of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2024 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2024 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2024 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2024 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2024 Bonds.

On February 23, 2016, the Internal Revenue Service issued a notice of proposed rulemaking (the "Proposed Regulations") and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." The Proposed Regulations were officially withdrawn on October 20, 2017. See also "BONDOWNERS' RISKS – IRS Examination and Audit Risk" herein.

### **Original Issue Discount**

Certain of the Series 2024 Bonds (the "Discount Bonds") may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. An initial purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes

equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

### **Bond Premium**

Certain of the Series 2024 Bonds (the "Premium Bonds") may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

### **AGREEMENT BY THE STATE**

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

### **LEGALITY FOR INVESTMENT**

The Act provides that the bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

### **SUITABILITY FOR INVESTMENT**

In accordance with applicable provisions of State law, the Series 2024 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the

rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

### **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Series 2024 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

### **LITIGATION**

#### **The District**

There is no litigation of any nature now pending or, to the knowledge of the District threatened against the District, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Series 2024 Assessment Proceedings.

#### **The Developer**

The Developer has represented that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the development of Assessment Area One or the Assessment Area One Project as described herein, or materially and adversely affect the ability of the Developer to pay the Series 2024 Assessments imposed against the land within the Assessment Area One of the District owned by the Developer or to otherwise perform its various obligations described in this Limited Offering Memorandum.

### **CONTINGENT FEES**

The District has retained Bond Counsel, District Counsel, the District Engineer, the District Manager/Methodology Consultant, the Underwriter (which has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2024 Bonds. Except for the payment of certain fees to District Counsel, the District Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2024 Bonds.

## **NO RATING**

No application for a rating for the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2024 Bonds would have been obtained if application had been made.

## **EXPERTS**

The Engineer's Report included in APPENDIX A to this Limited Offering Memorandum has been prepared by Heidt Design, LLC, Tampa, Florida, the District Engineer. APPENDIX A should be read in its entirety for complete information with respect to the subjects discussed therein. Governmental Management Services – Central Florida, LLC, Orlando, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth in APPENDIX E hereto. APPENDIX E should be read in its entirety for complete information with respect to the subjects discussed therein.

## **FINANCIAL INFORMATION**

This District will covenant in the Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX D hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX D, commencing with the audit for the District Fiscal Year ending September 30, 2025. Attached hereto as APPENDIX F is a copy of the District's unaudited monthly financial statements for the period ended [\_\_\_\_], 2024. The District does not have audited financial statements because the District has not yet met the threshold under State law requiring an audit.. The Series 2024 Bonds are not general obligation bonds of the District and are payable solely from the Series 2024 Trust Estate.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

## **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District has not previously issued any debt obligations and, therefore, is not and has never been in default as to principal and interest on its bonds or other debt obligations.

## **CONTINUING DISCLOSURE**

The District and the Landowners will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances,

the failure of the District or the Landowners to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District anticipates satisfying all future disclosure obligations required pursuant to its Disclosure Agreement and the Rule. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

[The Developer has not previously entered into any continuing disclosure obligations. The Developer anticipates satisfying all disclosure obligations required pursuant to the Disclosure Agreement.]

Lennar Homes has represented and warranted that, to its knowledge, it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. Lennar Homes has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. Lennar Homes has represented that it has instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository.

Taylor Morrison has previously entered into continuing disclosure obligations pursuant to the Rule in connection with other offerings of community development district bonds in the State. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by Taylor Morrison were either not filed or not timely filed and that notices of such missed and late filings were not always provided.

## **UNDERWRITING**

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2024 Bonds from the District at a purchase price of \$ \_\_\_\_\_ (representing the par amount of the Series 2024 Bonds [plus/less net original issue premium/discount of \$ \_\_\_\_\_ and] less an Underwriter's discount of \$ \_\_\_\_\_). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2024 Bonds if any are purchased.

The Underwriter intends to offer the Series 2024 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2024 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

## **VALIDATION**

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Ninth Judicial Circuit Court of Florida in and for Osceola County, Florida, rendered

on December 22, 2022. The period of time during which an appeal can be taken from such judgment has expired without an appeal having been taken.

### **LEGAL MATTERS**

Certain legal matters related to the authorization, sale and delivery of the Series 2024 Bonds are subject to the approval of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel. Certain legal matters will be passed upon for the District by its counsel Kutak Rock LLP, Tallahassee, Florida, for the Developer by its counsel, Nelson Mullins Riley & Scarborough LLP, Orlando, Florida, and for the Underwriter by its counsel, GrayRobinson, P.A., Tampa, Florida.

The legal opinions of Bond Counsel to be delivered concurrently with the delivery of the Series 2024 Bonds are based on existing law, which is subject to change. Such opinions are further based on factual representations made to Bond Counsel as of the date of such opinions. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of a particular result, and are not binding on the Internal Revenue Service or the courts; rather, such opinions represent Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

### **MISCELLANEOUS**

Any statements made in this Limited Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representations are made that any of the estimates will be realized.

(xvii) Failure to provide (A) any Annual Report or Audited Financial Statements as required under this Disclosure Agreement that contains, in all material respects, the information required to be included therein under Section 4(a) of this Disclosure Agreement, or (B) any Quarterly Report that contains, in all material respects, the information required to be included therein under Section 5(b) of this Disclosure Agreement, which failure shall, in all cases, be deemed material under federal securities laws; and

(xviii) Any amendment to the accounting principles to be followed in preparing financial statements as required pursuant to Section 4(a)(ix) hereof.

(b) The Issuer shall give, or cause to be given, notice of the occurrence of any of the above subsection (a) Listed Events to the Dissemination Agent in writing in sufficient time in order to allow the Dissemination Agent to file notice of the occurrence of such Listed Event in a timely manner not in excess of ten (10) Business Days after its occurrence, with the exception of the Listed Events described in Section 6(a)(xvii) and (xviii), which notice will be given in a timely manner. Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to subsection (d) below. Such notice by the Issuer to the Dissemination Agent shall identify the Listed Event that has occurred, include the text of the disclosure that the Issuer desires to make, contain the written authorization of the Issuer for the Dissemination Agent to disseminate such information, and identify the date the Issuer desires for the Dissemination Agent to disseminate the information (provided that such date is in compliance within the filing dates provided within this Section 6(b)).

(c) Notwithstanding anything contained in Section 6(b) above, each Obligated Person other than the Issuer shall notify the Issuer and the Dissemination Agent of the occurrence of a Listed Event described in subsections (a)(x), (xii), (xiii), (xv), (xvi), or (xvii) that has occurred with respect to such Obligated Person in compliance with the notification and filing requirements provided in Section 6(b).

(d) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall immediately file a notice of such occurrence with each Repository.

(e) The Landowners hereby represent and warrant that except as set forth in the Limited Offering Memorandum they have not materially failed to comply with any continuing disclosure agreement in connection with a prior offering of securities in order to enable an underwriter of said securities to comply with the provisions of the Rule.

7. **Termination of Disclosure Agreement.** This Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all of the Bonds.

8. **Dissemination Agent.** Upon termination of the Dissemination Agent's services as Dissemination Agent, whether by notice of the Issuer or the Dissemination Agent, the Issuer agrees to appoint a successor Dissemination Agent or, alternatively, agrees to assume all responsibilities of Dissemination Agent under this Disclosure Agreement for the benefit of the Holders of the Bonds. If at any time there is not any other designated Dissemination Agent, the District shall be deemed to be the Dissemination Agent. The initial Dissemination Agent shall be Governmental Management Services – Central Florida, LLC. The acceptance of such designation is evidenced by the execution of this Disclosure Agreement by a duly authorized signatory of Governmental Management Services – Central Florida, LLC. Governmental Management Services – Central Florida, LLC, may terminate its role as Dissemination Agent at any time upon delivery of sixty (60) days prior written notice to the District and each Obligated Person. The District may terminate the agreement hereunder with the Dissemination Agent at any time upon delivery of sixty (60) days prior written notice to the Dissemination Agent and each Obligated Person.

9. **Amendment; Waiver.** Notwithstanding any other provision of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws, acceptable to the Issuer, to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule.

Notwithstanding the above provisions of this Section 9, no amendment to the provisions of Section 5(b) hereof may be made without the consent of each Obligated Person, if any.

10. **Additional Information.** Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

11. **Default.** In the event of a failure of the Issuer, the Disclosure Representative, any Obligated Person or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the request of any Participating Underwriter or the Beneficial Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds

and receipt of indemnity satisfactory to the Trustee, shall), or any beneficial owner of a Bond may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer, the Disclosure Representative, any Obligated Person or a Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement by any Obligated Person shall not be deemed a default by the Issuer hereunder and no default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer, the Disclosure Representative, any Obligated Person, or a Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

12. **Duties of Dissemination Agent.** The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement between the District, the Landowners and such Dissemination Agent. The Dissemination Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. The District, each Obligated Person and the Disclosure Representative covenant that they will supply, in a timely fashion, any information reasonably requested by the Dissemination Agent that is necessary in order for the Dissemination Agent to carry out its duties under this Disclosure Agreement. The District, each Obligated Person and the Disclosure Representative acknowledge and agree that the information to be collected and disseminated by the Dissemination Agent will be provided by the District, Obligated Person(s), the Disclosure Representative and others. The Dissemination Agent's duties do not include authorship or production of any materials, and the Dissemination Agent shall have no responsibility hereunder for the content of the information provided to it by the District, any Obligated Person or the Disclosure Representative as thereafter disseminated by the Dissemination Agent. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA Compliant Format.

13. **Beneficiaries.** This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Landowners, the Dissemination Agent, the Trustee, the Participating Underwriter and the Owners of the Bonds (the Dissemination Agent, the Trustee, Participating Underwriter and Owners of the Bonds being hereby deemed express third party beneficiaries of this Disclosure Agreement), and shall create no rights in any other person or entity.

14. **Tax Roll and Budget.** Upon the request of the Dissemination Agent, the Trustee or any Bondholder, the Issuer, through its District Manager, if applicable, agrees to provide such party with a certified copy of its most recent tax roll provided to the Osceola County Tax Collector and the Issuer's most recent adopted budget.

15. **Governing Law.** The laws of the State of Florida and Federal law shall govern this Disclosure Agreement and venue shall be any state or federal court having jurisdiction in Osceola County, Florida.

16. **Counterparts.** This Disclosure Agreement may be executed in several counterparts and each of which shall be considered an original and all of which shall constitute but one and the same instrument. A scanned copy of the signatures delivered in a PDF format may be relied upon as if the original had been received.

17. **Trustee Cooperation.** The Issuer represents that the Dissemination Agent is a bona fide agent of the Issuer and the Issuer instructs the Trustee to deliver to the Dissemination Agent at the expense of the Issuer, any information or reports readily available to and in the possession of the Trustee that the Dissemination Agent requests in writing.

18. **Binding Effect.** This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to the Landowners or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successors or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

**ACQUISITION AGREEMENT  
(ASSESSMENT AREA ONE PROJECT)**

THIS ACQUISITION AGREEMENT (ASSESSMENT AREA ONE PROJECT) (“Agreement”) is made and entered into on this \_\_\_\_ day of \_\_\_\_\_, 2024 (“Effective Date”), by and between:

**GIR EAST COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located entirely within Osceola County, Florida (“**District**”); and

**WS-GIR, LLC**, a Delaware limited liability company, the primary owner and developer of lands within the boundaries of the District, whose address is 660 Steamboat Road, 3rd Floor, Greenwich, Connecticut, 06830 (“**Developer**” and together with the District, each a “**Party**” and collectively, the “**Parties**”).

**RECITALS**

**WHEREAS**, the District was established by Ordinance No. 2022-110, adopted by the Board of County Commissioners of Osceola County, Florida, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure, including but not limited to roadways, stormwater, sanitary sewer collection system, water distribution system, reclaimed water distribution system, landscaping, hardscape, irrigation, recreational facilities, and other infrastructure; and

**WHEREAS**, the Developer is the primary owner and developer of lands within the boundaries of the District (“**Development**”); and

**WHEREAS**, the District presently intends to finance all or a portion of the planning, design, acquisition, construction, and/or installation of infrastructure improvements, facilities, and services comprising a portion of the District’s capital improvement plan known as Assessment Area One (“**Assessment Area One Project**”) as detailed in the *Assessment Area One Engineer’s Report*, dated September 2024 (“**Engineer’s Report**”), and attached to this Agreement as **Exhibit A** (“**District Improvements**” or “**Improvements**”); and

**WHEREAS**, the anticipated costs of the District Improvements are identified in the Engineer’s Report (“**Project Costs**”); and

**WHEREAS**, the District does not have sufficient monies on hand to allow the District to contract directly for the preparation of the necessary surveys, reports, drawings, plans, permits, specifications, and related third-party development documents which would allow the timely commencement and completion of construction of the infrastructure improvements, facilities, and services within the Development (“**Work Product**”); and

**WHEREAS**, the District will not have sufficient monies to proceed with either the preparation of the Work Product or the commencement of construction of the District Improvements described in **Exhibit A** until such time as the District has closed on the sale of its proposed [\$\_\_\_\_\_] GIR East Community Development District Capital Improvement Revenue Bonds, Series 2024 Bonds (Assessment Area One

Project) (the “**Bonds**”), the proceeds of which will be utilized as payment for the Work Product and the District Improvements contemplated by this Agreement; and

**WHEREAS**, in order to avoid a delay in the commencement of the construction of the District Improvements, which delay would also delay the Developer from implementing its planned development program, the Developer will advance, fund, commence, and complete and/or cause third parties to commence and complete certain work to enable the District to expeditiously provide the infrastructure; and

**WHEREAS**, as of each Acquisition Date (as hereinafter defined), Developer desires to convey, or assign as applicable, to the extent permitted, and the District desires to acquire, or take assignment of as applicable, the Work Product, the District Improvements, and the real property sufficient to allow the District to own, operate, maintain, construct, or install the District Improvements described in **Exhibit A**, if any such conveyances are appropriate (the “**Real Property**”), upon the terms and conditions contained herein; and

**WHEREAS**, the District and the Developer are entering into this Agreement to ensure the timely provision of the District Improvements and completion of the Development.

**NOW, THEREFORE**, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which is hereby acknowledged, the District and the Developer agree as follows:

**1. INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated as a material part of this Agreement.

**2. ACQUISITION DATE.** The Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date as the Parties may jointly agree upon (“**Acquisition Date**”). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement.

**3. ASSIGNMENT OF CONTRACTS.** The District may accept the assignment of certain construction contracts related to Assessment Area One Project. Such acceptance is predicated upon, at minimum, (i) each contractor providing a bond in the form and manner required by section 255.05, Florida Statutes, as amended, or Landowner providing adequate alternative security in compliance with section 255.05, Florida Statutes, if required; (ii) receipt by the District of a release from each general contractor acknowledging each assignment and the validity thereof, acknowledging the furnishing of the bond or other security required by section 255.05, Florida Statutes, if any; and (iii) waiving any and all claims against the District arising as a result of or connected with such assignment. Developer hereby indemnifies and holds the District harmless from any claims, demands, liabilities, judgments, costs, or other actions which may be brought against or imposed upon the District by any contractors, subcontractors, sub-subcontractors, materialmen, and others providing labor or services in conjunction with each such contract and including claims by members of the public, in each case only as such claims relate to the period of time prior to the District’s acceptance of the assignment.

**4. ACQUISITION OF WORK PRODUCT.** Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds

from the Bonds, and the requirements of this Agreement, the District agrees to pay the actual reasonable cost incurred by the Developer in preparation of the Work Product in accordance with the provisions of this Agreement. The Developer shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Developer for the Work Product acquired with proceeds from the Bonds. The District Engineer shall review all evidence of cost and shall certify to the District's Board of Supervisors ("**Board**") the total actual amount of cost, which in the District Engineer's sole opinion, is reasonable for the Work Product. The District Engineer's opinion as to cost shall be set forth in an Engineer's Certificate which shall accompany the requisition for the funds from the District's trustee for the Bonds ("**Trustee**"). In the event that the Developer disputes the District Engineer's opinion as to cost, the District and the Developer agree to use good faith efforts to resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third-party engineer whose decision as to any such dispute shall be binding upon the Parties. Such a decision by a third-party engineer shall be set forth in an Engineer's Affidavit which shall accompany the requisition for Bond funds from the Trustee. The foregoing engineering review and certification process shall hereinafter be referred to as the "**Review Process.**" The Parties acknowledge that the Work Product is being acquired for use by the District in connection with the construction of the District Improvements.

- A. The Developer agrees to convey to the District any and all of its right, title and interest in the Work Product (except as otherwise provided for in this Agreement) upon payment of the sums determined to be reasonable by the District Engineer, or a third-party engineer selected pursuant to this Section, or prior to payment of such as provided for herein, and approved by the Board pursuant to and as set forth in this Agreement.
- B. Except as otherwise provided for in this Agreement, the Developer agrees to release, or assign as applicable, to the District all transferrable right, title, and interest which the Developer may have in and to the above described Work Product, as well as all common law, statutory, and other reserved rights of Developer in and to the Work Product, including any and all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised if owned by Developer. To the extent determined necessary by the District, the Developer shall use good faith efforts to obtain all releases from any professional providing services in connection with the Work Product acquired with the proceeds of the Bonds to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services.
- C. Notwithstanding anything to the contrary contained herein: (i) Developer's conveyance or assignment of the Work Product is made without representation or warranty whatsoever, and Developer shall not be held liable for the Work Product or any defect therein, and (ii) Developer reserves a license to use the Work Product as set forth below, including reliance upon and enforcement thereof. The District agrees to seek recovery for any loss with respect to the Work Product from any person or entity who created the Work Product or who has provided an applicable warranty that has been assigned to the District pursuant

to Section 3.D. of this Agreement.

- D. The Developer agrees to provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable to the mutual satisfaction of the Parties hereto, any transferable warranty for the person or entity who created the Work Product which is in favor of Developer that the Work Product is fit for the purposes to which it will be put by the District, as contemplated by the Engineer's Report.
- E. The District hereby grants to Developer, and Developer hereby reserves, access to and the right to use the Work Product, without the payment of any fee by the Developer. However, to the extent the Developer's access to and use of the Work Product causes the District to incur any de minimus cost, such as copying costs, the Developer agrees to pay such cost or expense.

**5. ACQUISITION OF IMPROVEMENTS.** Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District agrees to acquire completed District Improvements. When a portion of the District Improvements are completed and ready for conveyance by the Developer to the District, the Developer shall notify the District in writing, describing the nature of the improvement, its general location, and its estimated cost. Developer agrees to provide, at or prior to each Acquisition Date, the following: (i) documentation of actual costs paid, (ii) instruments of conveyance such as special warranty bills of sale or such other instruments necessary to convey such portion of the District Improvements as may be reasonably requested by the District in accordance (but not in conflict) with this Agreement, and (iii) any other reasonable releases or documentation as may be reasonably requested by the District or Developer in accordance (but not in conflict) with this Agreement. Any real property interests necessary for the functioning of the District Improvements to be acquired under this paragraph shall be reviewed and conveyed in accordance with the provisions of Section 5. The District Engineer in consultation with Counsel shall determine in writing whether or not the infrastructure to be conveyed is a part of the District Improvements contemplated by the Engineer's Report, and if so, shall provide Developer with a list of items necessary to complete the acquisition. Each such acquisition shall also be subject to the Review Process described in Section 3 above. The District's Manager (the "**District Manager**") shall determine, in writing, whether the District has, based on the Developer's estimate of cost, sufficient unencumbered funds to acquire the improvement.

- A. All documentation of any acquisition (e.g., bills of sale, receipts, maintenance bonds, as-builts, evidence of costs, deeds or easements, etc.) shall be to the reasonable satisfaction of the District. If any item acquired is to be conveyed to a third-party governmental body, then the Developer agrees to cooperate and provide such certifications or documents as may reasonably be required by that governmental body, if any.
- B. The District Engineer shall certify as to the actual cost of any District Improvement. Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the Bonds, and the requirements of this Agreement, the District shall pay no more than the actual cost incurred, as determined by the District Engineer.

- C. The Developer agrees to cooperate fully in the transfer of any permits to the District or any governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement. To the extent there is a delay in the conveyance of certain Improvements between the District and a governmental entity, Landowner agrees to indemnify and hold the District harmless for any damage or repairs that may be required to such Improvements. Landowner agrees to repair and remediate any such damage to the satisfaction of the governmental entity. Landowner shall remain responsible for completion of all required permits, certifications or other approvals necessary to convey the Improvements to the governmental entity and shall provide copies of such documents to the District when received.
- D. Developer further acknowledges and agrees that any costs associated with work by District staff to process the acquisitions contemplated by this Agreement shall be paid by requisition from available construction funds. If no construction funds are available, Developer agrees to pay such costs per this Agreement. Developer further authorizes the District Board to approve such requisitions for payment.

**6. CONVEYANCE OF REAL PROPERTY.**

- A. Conveyance. The Developer agrees that it will convey, or cause to be conveyed, to the District, at or prior to each Acquisition Date as reasonably determined by the District and Developer, by a special warranty deed (or, if less than a fee estate, by easement or other instrument) reasonably acceptable to the Board together with a metes and bounds or other description, the lands (or less interest therein) upon which the District Improvements are constructed or which are necessary for the operation and maintenance of, and access to the District Improvements. The Parties agree that all Real Property shall be provided to the District at no cost unless the costs for the Real Property are expressly included as part of the Project Costs. The District may determine in its reasonable discretion that fee title is not necessary and in such cases shall accept such other interest in the lands upon which the District Improvements are constructed as the District deems acceptable. Such special warranty deed (or, if less than fee estate, other instrument) shall be subject to a reservation by Developer of its right and privilege to use the area conveyed and/or grant to third parties the right to construct the District Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the Development) not inconsistent with the District's use, occupation or enjoyment thereof. The Developer shall pay all required closing costs (i.e., documentary stamps) if any, for the conveyance of the lands upon which the District Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the lands upon which the District Improvements are constructed until such time as the Developer conveys all said lands to the District. At the time of conveyance, and if desired by the District, the Developer shall provide, at its expense, an owner's title insurance policy or obtain an opinion of title in a form satisfactory to the District.
- B. Boundary or Other Adjustments. Developer and the District agree that reasonable future boundary adjustments may be made as deemed necessary by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Developer's

**Commented [A1]:** Mike, we added this in as we found it useful for districts of similar size/scope

ownership. The Parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the Party requesting such adjustment shall pay any third-party transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other third-party transfer costs.

**7. TAXES, ASSESSMENTS, AND COSTS.**

- A. Taxes, assessments and costs resulting from Agreement. The Developer agrees to indemnify the District from and make payment for any and all taxes (ad valorem, personal property, intangibles, or otherwise) or non-ad valorem assessments, which may be imposed upon the District, or which the District is legally obligated to pay, as a result of the Parties entering into this Agreement, if any, whether such taxes or assessments are imposed upon the District's property or property interest, or the Developer's property or property interest. As to any parcel of Real Property conveyed by Developer pursuant to this Agreement, the potential obligations of the Developer to pay such taxes and assessments that may be incurred as a result of the Parties entering into this Agreement shall terminate one (1) year after conveyance of such parcel of Real Property. Notwithstanding the foregoing, the Parties represent to each other that they are not aware of any such taxes or assessments imposed upon the District as of the Effective Date of this Agreement.
- B. Taxes and assessments on property being acquired. The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to reserve an amount equal to the current ad valorem taxes and non-ad valorem assessments (with the exception of those ad valorem taxes and non-ad valorem assessments levied by the District) prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.
1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, the prorated portion of any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed. For example, if the District acquires property in October 2024, the Developer shall escrow the pro rata amount of taxes due for the tax bill payable in November 2024. If any additional taxes are imposed on the District's property in 2024 for a period which property was owned by Developer, then the Developer agrees to reimburse the District for that additional amount.
  2. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

- C. Notice. The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments or costs imposed on the property acquired by the District as described in subsection B above. The Developer covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Developer fails to make timely payment of any such taxes or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.
- A. Tax liability not created. Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

**8. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS.** The District and Developer hereby agree that an acquisition pursuant to this Agreement ("**Acquisition**") by the District may be completed prior to the District obtaining proceeds from the Bonds. The District agrees to pursue the issuance of the Bonds in good faith; provided however, nothing herein shall cause or be construed to require the District to issue Bonds or other forms of indebtedness to provide funds for any unfunded Acquisition. In the event that the District issues Bonds and has Bond proceeds available to pay for any portion of the Acquisitions acquired by the District, and subject to the terms of the applicable documents relating to the Bonds, then the District shall promptly make payment for any such acquired Work Product, District Improvements or Real Property pursuant to the terms of this Agreement; provided, however, that no such obligation shall exist where the Developer is in default on the payment of any debt service assessments due on any property owned by the Developer, or, further, in the event the District's bond counsel determines that any such Acquisitions are not properly compensable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such Acquisitions. Interest shall not accrue on the amounts owed for any prior Acquisitions. In the event the District does not or cannot issue the sufficient Bonds within ten (10) years from the Effective Date of this Agreement to pay for all Acquisitions hereunder, and, thus does not make payment to the Developer for any unfunded Acquisitions, then the Parties agree that the District shall have no reimbursement obligation whatsoever for those unfunded Acquisitions. The Developer acknowledges that the District may convey some or all of the District Improvements, Work Product or Real Property described in the Engineer's Report to a general purpose unit of local government or certain utility providers and consents to such conveyance(s) prior to payment being made to the Developer for any prior Acquisitions.

**9. DEFAULT.** A default by either Party under this Agreement, which continues for a period of thirty (30) days after notice of such default, shall entitle the other Party to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages and/or, if applicable,

**Exhibit A**

*Assessment Area One Engineer's Report dated September 2024*

the 1990s, the number of people in the world who are under 15 years of age is expected to increase from 1.1 billion to 1.5 billion (United Nations 1998).

There are a number of reasons why the number of children in the world is increasing. One of the main reasons is that the number of children who are surviving to adulthood is increasing. This is due to a number of factors, including improved medical care, better nutrition, and a decrease in child mortality. Another reason is that the number of children who are being born is increasing. This is due to a number of factors, including a decrease in the age at which women are having children, and an increase in the number of children who are being born to women who are already having children.

The increase in the number of children in the world is a cause for concern. This is because children are the most vulnerable members of society, and they are often the most neglected.

There are a number of ways in which we can help to improve the lives of children. One of the most important ways is to ensure that all children have access to education. This is because education is the key to a better future. It helps children to learn about the world around them, and it gives them the skills they need to succeed in life. Another important way to help children is to ensure that they have access to basic needs, such as food, clothing, and shelter.

There are a number of organizations that are working to help children in need. One of the most well-known is UNICEF. UNICEF works to improve the lives of children in over 100 countries. They do this by providing education, health care, and other services. Another organization is Save the Children. Save the Children works to help children in need in over 100 countries. They do this by providing education, health care, and other services.

There are a number of things that we can do to help children in need. We can donate money to organizations like UNICEF or Save the Children. We can also volunteer our time to help children in need.

It is our responsibility to help children in need. We can make a difference in their lives if we only try.

**COMPLETION AGREEMENT  
(ASSESSMENT AREA ONE PROJECT)**

**THIS COMPLETION AGREEMENT (ASSESSMENT AREA ONE PROJECT) (“Agreement”)** is made and entered into this [CLOSING DATE], 2024, by and between:

**GIR EAST COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in Osceola County, Florida, whose address is 219 East Livingston Street, Orlando, Florida 32801 (“**District**”), and

**WS-GIR, LLC**, a Delaware limited liability company, the primary landowner and developer of lands within the boundaries of the District, whose address is 660 Steamboat Road, 3rd Floor, Greenwich, Connecticut, 06830 (“**Developer**”); and together with the District, each a “**Party**” and collectively the “**Parties**”).

**RECITALS**

**WHEREAS**, the District was established by ordinance adopted by the County Commission of Osceola County, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”), and is validly existing under the Constitution and laws of the State of Florida; and

**WHEREAS**, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, operating and/or maintaining certain infrastructure, including roadways, stormwater, sanitary sewer collection system, water distribution system, reclaimed water distribution system, landscaping, hardscape, irrigation, recreational facilities, and other infrastructure within or without the boundaries of the District (“**Improvements**”); and

**WHEREAS**, the Developer is the owner of certain lands in Osceola County, Florida, located within the boundaries of the District (“**Development**”); and

**WHEREAS**, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services as detailed in the *Assessment Area One Engineer’s Report* dated September 2024 (“**Engineer’s Report**”) attached to this Agreement as **Exhibit A (“Assessment Area One Project”)**, and the anticipated costs of the Assessment Area One Project is described in the Engineer’s Report; and

**WHEREAS**, the District has imposed special assessments on the property within the District to secure financing for the construction of the infrastructure improvements described in Exhibit A, and has validated \$432,000,000 in special assessment revenue bonds to fund the planning, design, permitting, construction and/or acquisition of improvements including the Assessment Area One Project; and

**WHEREAS**, the District intends to finance a portion of the cost of the acquisition, construction, installation and equipping of the Assessment Area One Project through the use of proceeds from the anticipated sale of [\$\_\_\_\_\_] in aggregate principal amount of GIR East Community Development

District Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) (“**Series 2024 Bonds**”); and

**WHEREAS**, in order to ensure that the Assessment Area One Project is completed and funding is available in a timely manner to provide for its completion, the Developer and the District hereby agree that the District will be obligated to issue no more than [ \$ \_\_\_\_\_ ] in Series 2024 Bonds to fund the Assessment Area One Project and the Developer will make provision for any additional funds that may be needed in the future for the completion of the Assessment Area One Project over and above that amount including, but not limited to, all reasonable and customary administrative, legal, warranty, engineering, permitting or other related soft costs.

**NOW, THEREFORE**, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which is hereby acknowledged, the District and the Developer agree as follows:

**1. INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

**2. COMPLETION OF IMPROVEMENTS.** The Developer and District agree and acknowledge that the District’s proposed Series 2024 Bonds will provide only a portion of the funds necessary to complete the Assessment Area One Project. Therefore, as more particularly set forth in paragraphs 2(a) and 2(b) below, the Developer hereby agrees to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the Assessment Area One Project which remain unfunded including, but not limited to, all reasonable and customary administrative, legal, warranty, engineering, permitting or other related soft costs (“**Remaining Improvements**”) whether pursuant to existing contracts, including change orders thereto, or future contracts. Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Improvements. The District and Developer hereby acknowledge and agree that the District’s execution of this Agreement constitutes the manner and means by which the District has elected to provide any and all portions of the Remaining Improvements not funded by District bonds or other indebtedness. However, in the District’s sole discretion, nothing herein shall prohibit the District from issuing additional indebtedness secured by lands within the District not encumbered by the special assessments securing the Series 2024 Bonds for portions of the Assessment Area One Project costs in excess of [ \$ \_\_\_\_\_ ] as described in the [ *Supplemental Assessment Methodology for the Assessment Area One Project* ], dated \_\_\_\_\_, 2024, attached to Resolution 2024-[ \_\_\_\_ ] as Exhibit [B]. District shall inform Developer of any such election and the amount of such election.

**(a)** When all or any portion of the Remaining Improvements are the subject of a District contract, the Developer shall provide funds or cause funds to be provided directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto, upon written notice from the District.

**(b)** When any portion of the Remaining Improvements is not the subject of a District contract, the Developer may choose to: (i) complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements; or (ii) have the District enter into a

contract and proceed under Section 2(a) above, subject, in each case to a formal determination by the District's Board of Supervisors that the option selected by the Developer will not adversely impact the District, and is in the District's best interests.

**3. OTHER CONDITIONS AND ACKNOWLEDGMENTS**

(a) The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Assessment Area One Project may change from that described in the Engineer's Report, depending upon final design of the Development, permitting or other regulatory requirements over time, or other factors. Material changes to the Assessment Area One Project shall be made by a written amendment to the Engineer's Report, which shall include an estimate of the cost of the changes. Material changes to the Assessment Area One Project or the Improvements shall require the prior written consent of the Trustee acting at the direction of the Bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding; notwithstanding the foregoing, in the event the District elects to issue additional bonds to finance a portion of the Assessment Area One Project as described in Section 2 above, such financing shall not constitute a material change to the Assessment Area One Project

(b) The District and Developer agree and acknowledge that any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer shall be conveyed to the District or such other appropriate unit of local government as is designated in the Engineer's Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government.

(c) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by Developer of its obligations hereunder is expressly subject to, dependent and conditioned upon (i) the issuance of [\$\_\_\_\_\_] par amount of Series 2024 Bonds and use of the proceeds thereof to fund a portion of the Assessment Area One Project, and (ii) the scope, configuration, size and/or composition of the Assessment Area One Project not materially changing without the consent of the Developer. In the event of a material change to the scope, configuration, size and/or composition of the Assessment Area One Project in response to a requirement imposed by a regulatory agency, the Developer shall provide written notice of such changes to the District.

**4. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE.** A default by either Party under this Agreement, which continues for a period of thirty (30) days after notice of such default, shall entitle the other Party to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages injunctive relief, and/or, if applicable, specific performance, but excluding punitive and consequential damages and subject to the recourse limitations in the documents applicable to the District and the Series 2024 Bonds. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained in this Agreement shall limit or impair the District's right to protect its rights from interference by a third party to this Agreement.

**5. ENFORCEMENT OF AGREEMENT.** In the event that either of the Parties is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

**6. AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer.

**7. AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer, both the District and the Developer have complied with all the requirements of law, and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

The Trustee shall not be deemed to have assumed any obligations under this Agreement.

**11. ASSIGNMENT.** This Agreement may be assigned, in whole or in part, by either Party only upon the written consent of the other, which consent shall not be unreasonably withheld. **17. FORCE MAJEURE.** If any Party hereto shall be delayed in, hindered in or prevented from performing any of its obligations under this Agreement by reason of labor disputes, inability to obtain any necessary materials or services, acts of God, weather conditions that are unusually severe or exceed average conditions for that time of year, persistent inclement weather, war, terrorist acts, insurrection, or delays caused by governmental permitting or regulations, the time for performance of such obligation shall be automatically extended (on a day for day basis) for a period equal to the period of such delay.

## COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT AND CONTRACT RIGHTS

### (ASSESSMENT AREA ONE PROJECT)

This **COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT AND CONTRACT RIGHTS (ASSESSMENT AREA ONE PROJECT)** (hereinafter, “**Assignment**”) is made this [CLOSING DATE], 2024, by and between:

**WS-GIR, LLC**, a Delaware limited liability company, the primary landowner and developer of lands within the boundaries of the District, whose address is 660 Steamboat Road, 3rd Floor, Greenwich, Connecticut, 06830 (“**Developer**” or “**Assignor**”); and, in favor of

**GIR EAST COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in Osceola County, Florida, whose address is 219 East Livingston Street, Orlando, Florida 32801 (“**District**” or “**Assignee**”).

### RECITALS

**WHEREAS**, the District proposes to issue its Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) (“**Series 2024 Bonds**”) to finance certain public infrastructure improvements which will provide special benefit to the developable lands within the District and more specifically known as “**Assessment Area One**” (“**Lands**”) in the development, which is located within the geographical boundaries of the District (“**Development**”); and

**WHEREAS**, the security for the repayment of the Series 2024 Bonds is the special assessments levied against the Assessment Area One within the District (“**Series 2024 Assessments**”); and

**WHEREAS**, the purchasers of the Series 2024 Bonds anticipate that the Lands will be developed in accordance with the *Assessment Area One Engineer’s Report*, dated September 2024 (“**Engineer’s Report**” and the portion of the District’s capital improvement program described therein, the “**Assessment Area One Project**”) and the *Master Assessment Methodology for Assessment Area One*, dated [September 11,] 2024, as supplemented by the [Supplemental Assessment Methodology for the Assessment Area One Project], dated \_\_\_\_\_, 2024 (together, “**Assessment Report**”), until such time as the Lands, as described

in **Exhibit A** attached hereto, subject to the Series 2024 Assessments have been fully developed in accordance with such reports (“**Development Completion**”); and

**WHEREAS**, the failure to achieve Development Completion may increase the likelihood that the purchasers of the Series 2024 Bonds will not receive the full benefit of their investment in the Series 2024 Bonds; and

**WHEREAS**, during the period in which the Lands are being developed and have yet to reach Development Completion, there is an increased likelihood that adverse changes to local or national economic conditions may result in a default in the payment of the Series 2024 Assessments securing the Series 2024 Bonds; and

**WHEREAS**, in the event of default in the payment of the Series 2024 Assessments securing the Series 2024 Bonds, the District has certain remedies with respect to the lien of the Series 2024 Assessments as more particularly set forth herein; and

**WHEREAS**, if the Series 2024 Assessments are directly billed, the sole remedy available to the District for non-payment of the Series 2024 Assessments is an action in foreclosure; if the Series 2024 Assessments are collected pursuant to Florida’s uniform method of collection, the sole remedy available to the District for non-payment of the Series 2024 Assessments is the sale of tax certificates (collectively, the “**Remedial Rights**”); and

**WHEREAS**, in the event the District exercises its Remedial Rights, the District will require the assignment of certain Development & Contract Rights (defined below) to complete development of the Lands to the extent that, prior to such exercise, such Development & Contract Rights have not been previously assigned, transferred, or otherwise conveyed to an unrelated third party resulting from the sale of any portion of the Lands in the ordinary course of business, Osceola County, the District, any applicable property association or other governing entity or association in connection with the Development or the Assessment Area One Project (a “**Prior Transfer**”); and

**WHEREAS**, this Assignment is not intended to impair or interfere with the development of the Development and shall only be inchoate until becoming an effective and absolute assignment and assumption of the Development & Contract Rights upon failure of the Assignor to pay the Series 2024 Assessments levied against the Lands owned by the Assignor; provided, however, that such assignment shall only be effective and absolute to the extent that this Assignment has not been terminated earlier pursuant to the terms of this Assignment or to the extent that a Prior Transfer has not already occurred with respect to the Development & Contract Rights; and

**WHEREAS**, in the event of a transfer, conveyance or sale of any portion of the Lands (excluding the conveyance of any portion of the Lands to a county, a homeowner association, other governmental entity or association or to a homebuilder), any and all affiliated entities or successors-in-interest to the Landowner’s interest in the Lands shall be subject to this Assignment, which shall be recorded in the Official Records of Osceola County, Florida; and

**WHEREAS**, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the Development; and

**WHEREAS**, absent this Assignment becoming effective and absolute, it shall automatically terminate upon the earliest to occur of the following: (i) payment of the Series 2024 Bonds in full; (ii) Development Completion; or (iii) a Prior Transfer, but only to the extent that such Development & Contract Rights are subject or pertain to the Prior Transfer (period from execution of this Assignment to any such termination or absolute effectiveness being referred to herein as the “**Term**”).

**NOW, THEREFORE**, in consideration of the above recitals which the parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the sufficiency of which is acknowledged, Assignor and Assignee agree as follows:

1. **Collateral Assignment**. Assignor hereby collaterally assigns to Assignee, to the extent assignable and to the extent that they are solely owned or controlled by Assignor or any related entity of Assignor, at execution of this Assignment or acquired in the future, all of Assignor’s development rights and contract rights relating to the Assessment Area One Project (herein the “**Development & Contract Rights**”) as security for Assignor’s payment and performance and discharge of its obligation to pay the Series 2024 Assessments levied against the Lands when due. This Assignment shall become effective and absolute upon failure of the Assignor to pay the Series 2024 Assessments levied against the Lands owned by the Assignor. The Development & Contract Rights shall include the following as they pertain to the Development and Assessment Area One Project, but shall specifically exclude any such portion of the Development & Contract Rights which are subject to a Prior Transfer:
  - (a) Engineering and construction plans and specifications for grading, roadways, site drainage, stormwater drainage, signage, water distribution, waste water collection, and other improvements.
  - (b) Preliminary and final site plans.
  - (c) Architectural plans and specifications for buildings financed by the District, if any, and other improvements to the Lands within the District.

(f) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the Development and Assessment Area One Project.

As a point of clarification to control over any contrary terms in this Assignment (if any), any portion of the Development & Contract rights which are subject to a Prior Transfer are automatically and forever released from the terms and conditions of this Assignment, as may be amended.

2. **Warranties by Assignor.** Assignor represents and warrants to Assignee that:

(a) Other than in connection with the sale of property to end users located within Lands and in the ordinary course of business, Assignor has made no assignment of the Development & Contract Rights to any person or entity other than Assignee.

(b) Any transfer, conveyance or sale of the Lands (excluding conveyance of a portion of the Lands to a county, property association, other governmental entity or association, or homebuilder) shall subject any and all affiliated entities or successors-in-interest of the Assignor to this Assignment.

(c) Assignor is not prohibited under agreement with any other person or under any judgment or decree from the execution and delivery of this Assignment.

(d) No action has been brought or threatened which would in any way interfere with the right of Assignor to execute this Assignment and perform all of Assignor's obligations herein contained.

3. **Covenants**. Assignor covenants with Assignee that during the Term: Assignor will use reasonable, good faith efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of Assignor relating to the Development & Contract Rights; and (ii) give notice to Assignee of any claim of default relating to the Development & Contract Rights given to or by Assignor, together with a complete copy of any such claim.

(b) If and when this Assignment becomes absolute, the Development & Contract Rights will include all of Assignor's right to modify the Development & Contract Rights, to terminate the Development & Contract Rights, and to waive or release the performance or observance of any obligation or condition of the Development & Contract Rights; provided that no such modification, termination, waiver or release affects any of the Development & Contract Rights which pertain to lands outside of the District not relating to development of the Lands.

(c) Assignor agrees to perform any and all actions necessary and use good faith efforts relating to any and all future creations, changes, extensions, revisions, modifications, substitutions, and replacements of the Development & Contract Rights.

4. **Event(s) of Default**. Any breach of the Assignor's warranties contained in Section 2 hereof or breach of covenants contained in Section 3 hereof will, after the giving of notice and an opportunity to cure (which cure period shall be at least sixty (60) days), shall constitute an Event of Default under this Assignment.

5. **Remedies Upon Event of Default**. Upon an Event of Default, Assignee may, as Assignee's sole and exclusive remedies, take any or all of the following actions, at Assignee's option:

(a) Perform any and all obligations of Assignor relating to the Development & Contract Rights and exercise any and all rights of Assignor therein as fully as Assignor could.

(b) Initiate, appear in, or defend any action arising out of or affecting the Development & Contract Rights.

(c) Further assign any and all of the Development Rights to a third party acquiring title to the Lands or any portion thereof from the Assignee or at a District foreclosure sale.

6. **Authorization**. Upon the occurrence and during the continuation of an Event of Default, Assignor does hereby authorize and shall direct any party to any agreement relating to the Development & Contract Rights to tender performance thereunder to Assignee upon written notice and request from Assignee. Any such performance in favor of Assignee shall constitute a

full release and discharge to the extent of such performance as fully as though made directly to Assignor.

7. **Miscellaneous.** Unless the context requires otherwise, whenever used herein, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders. The terms “person” and “party” shall include individuals, firms, associations, joint ventures, partnerships, estates, trusts, business trusts, syndicates, fiduciaries, corporations, and all other groups and combinations. Titles of paragraphs contained herein are inserted only as a matter of convenience and for reference and in no way define, limit, extend, or describe the scope of this Assignment or the intent of any provisions hereunder. This Assignment shall be construed under Florida law.

8. **Third Party Beneficiaries.** The Trustee for the Series 2024 Bonds, on behalf of the bondholders, shall be a direct third party beneficiary of the terms and conditions of this Assignment and shall be entitled to cause the District to enforce the Assignor’s obligations hereunder. In the event that the District does not promptly take Trustee’s written direction under this Assignment, or the District is otherwise in default under the Indenture, the Trustee shall have the right to enforce the District’s rights hereunder directly. This Assignment is solely for the benefit of the parties set forth in this Section, and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any other third party. The Trustee shall not be deemed to have assumed any obligations hereunder.

9. **Termination.** Absent this Assignment becoming effective and absolute, it shall automatically terminate upon the earliest to occur of the following: (i) payment of the Series 2024 Bonds in full; (ii) Development Completion; or (iii) upon occurrence of a Prior Transfer, but only to the extent that such Development & Contract Rights are subject or pertain to the Prior Transfer.

10. **Amendment.** This Assignment shall constitute the entire agreement between the parties and may be modified in writing only by the mutual agreement of all parties. If such amendment would materially affect the payment of debt service on the Series 2024 Bonds or the collection of the Series 2024 Assessments, or any rights of the District or Bondholders granted in the Indenture, the Agreement may not be amended without the prior written consent of the Trustee and the Bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

11. **Assignment.** This Assignment shall constitute a covenant running with title to the Land, binding upon the Landowner and its successors and assigns as to the Land or portions thereof. Any transferee shall take title subject to the terms of this Assignment and with respect to the portion of the Land so transferred, provided however that this Assignment shall not apply to any portion of the Property that is the subject of a Prior Transfer. Except as otherwise provided in this Section 9, no party may assign its rights, duties or obligations under this Assignment or any monies to become due hereunder without the prior written consent of each other party, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, upon a merger,

amendment, or a name change of the District, this Assignment will automatically be assumed by operation of law by the District's successor in interest and no consent to such assumption shall be required.

**TRUE-UP AGREEMENT**

**(ASSESSMENT AREA ONE, SERIES 2024 ASSESSMENTS)**

**THIS TRUE-UP AGREEMENT (ASSESSMENT AREA ONE, SERIES 2024 ASSESSMENTS) (“Agreement”)** is made and entered into this [CLOSING DATE], 2024, by and between:

**GIR EAST COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in Osceola County, Florida, whose address is 219 East Livingston Street, Orlando, Florida 32801 (“**District**”), and

**WS-GIR, LLC**, a Delaware limited liability company, the primary landowner and developer of lands within the boundaries of the District, whose address is 660 Steamboat Road, 3rd Floor, Greenwich, Connecticut, 06830 (“**Landowner**”); and together with the District, the “**Parties**”).

**RECITALS**

**WHEREAS**, the District was established by an ordinance adopted by the County Commission of Orange County, Florida pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (“**Act**”) and is validly existing under the Constitution and laws of the State of Florida; and

**WHEREAS**, the District, pursuant to Chapter 190, *Florida Statutes*, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District’s activities and services; and

**WHEREAS**, Landowner is the owner of certain lands within the boundaries of the District, which lands are described in **Exhibit A (“Landowner Property”)** which is part of the District’s assessment area known as “**Assessment Area One**”; and

**WHEREAS**, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain portions of the District’s overall “**Capital Improvement Program**” for infrastructure improvements, facilities, and services as detailed in the *Assessment Area One Engineer’s Report* dated September 2024 (“**Engineer’s Report**”); and

**WHEREAS**, the District intends to finance a portion of its Capital Improvement Program as described in the Engineer’s Report (“**Assessment Area One Project**” or “**Improvements**”) through the

anticipated issuance of Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One), in the aggregate principal amount of [\$\_\_\_\_\_] (“**Series 2024 Bonds**”); and

**WHEREAS**, pursuant to Resolutions 2024-04, 2024-05, 2024-[ ] and 2024-[ ] (collectively, “**Assessment Resolutions**”), the District has imposed special assessments (“**Series 2024 Assessments**”) on the Landowner Property to secure the repayment of the Series 2024 Bonds; and

**WHEREAS**, Landowner agrees that all lands within the Assessment Area One, including Landowner Property, benefit from the timely design, construction, or acquisition of the Improvements; and

**WHEREAS**, Landowner agrees that the Series 2024 Assessments which were imposed on the Landowner Property have been validly imposed and constitute valid, legal and binding liens upon all Assessment Area One including Landowner Property as to which Series 2024 Assessments remain unsatisfied; and

**WHEREAS**, to the extent permitted by law, Landowner waives any defect in notice or publication or in the proceedings to levy, impose and collect the Series 2024 Assessments on the Landowner Property; and

**WHEREAS**, the *Master Assessment Methodology for Assessment Area One*, dated [September 11], 2024, attached to Resolution 2024-[ ] as Exhibit [B] (“**Master Assessment Report**”) as supplemented by the *[Supplemental Assessment Methodology for the Assessment Area One Project]*, dated [\_\_\_\_\_], 2024, attached to Resolution 2024-[ ] as Exhibit [B] (“**Series 2024 Assessment Report**”) and, together with the Master Assessment Report, the “**Assessment Report**”) and the Assessment Resolutions provide that as the Assessment Area One are platted, site planned, or subject to declaration of condominium, the allocation of the amounts assessed to and constituting a lien upon the Assessment Area One would be calculated based upon certain density assumptions relating to the number of each type of Unit (hereinafter defined) to be allowed to be constructed on the developable acres within the District, which assumptions were provided by Landowner; and

**WHEREAS**, Landowner intends that the Assessment Area One will be platted, planned and developed based on then-existing market conditions, and the actual densities developed (“**Density Assignment**”) may be at some density less than the densities assumed in the District’s Assessment Report; and

**WHEREAS**, the District’s Assessment Report anticipates a mechanism by which Landowner shall, if required, make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, the amount of such payments being determined generally by a calculation of the remaining unallocated debt prior to the District approving the final plat, site plan or other Density Assignment for a parcel or tract, as described in the District’s Assessment Report and Assessment Resolutions for the Series 2024 Bonds (which payments shall collectively be referenced as the “**True-Up Payment**”); and

**WHEREAS**, Landowner and the District desire to enter into an agreement to confirm Landowner’s intention and obligation, if required, to make the True-Up Payment related to the Series 2024 Assessments, subject to the terms and conditions contained herein.

**NOW, THEREFORE**, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which is hereby acknowledged, the Parties agree as follows:

**SECTION 1. RECITALS.** The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

**SECTION 2. VALIDITY OF ASSESSMENTS.** Landowner agrees that the Assessment Resolutions have been duly adopted by the District. Landowner further agrees that the Series 2024 Assessments imposed as a lien by the District are legal, valid and binding liens on the land against which assessed until paid, coequal with the lien of all state, county, district, and municipal taxes, and superior in dignity to all other liens, titles, and claims. Landowner hereby waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Series 2024 Assessments.

**SECTION 3. COVENANT TO PAY.** Landowner acknowledges that all such Series 2024 Assessments have been levied and imposed by the District pursuant to the Assessment Resolutions on Assessment Area One including assessable acres owned by Landowner, whether the Series 2024 Assessments are collected by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, by the District, or by any other method allowable by law. Landowner further agrees that to the extent Landowner fails to timely pay all Series 2024 Assessments collected by mailed notice of the District, said unpaid Series 2024 Assessments (including True-Up Payments) may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year.

**SECTION 4. SPECIAL ASSESSMENT REALLOCATION.**

**A. Assumptions as to Series 2024 Assessments.** As of the date of the execution of this Agreement, Landowner has informed the District that Landowner plans to construct or provide for the construction of the specific number and type of units (“Units”) with the **total count of [700.5] Equivalent Residential Units (“ERU”) on the Assessment Area One** subject to the Series 2024 Assessments, as provided in Table [1] of the [Assessment Report].

**B. Process for Reallocation of Assessments.** For the unplatted tracts, the Series 2024 Assessments will initially be on unplatted developable acreage in the Assessment Area One and will be reallocated as lands receive Density Assignment. In connection with such development of acreage, the Series 2024 Assessments imposed on the acreage receiving Density Assignment will be allocated based upon the actual number and type of Units within the area on an ERU basis. In furtherance thereof, at such time as developable acreage is to receive Density Assignment, Landowner covenants that such plan of Density Assignment shall be presented to the District. The District shall allocate the Series 2024 Assessments to the Units included in the Density Assignment and the remaining developable acreage of the Landowner within the Assessment Area One in accordance with the District’s Assessment Report and cause such reallocation to be recorded in the District’s Improvement Lien Book.

**i.** It is an express condition of the lien established by the Assessment Resolutions that at the time of approval of any and all Density Assignments containing any portion of the Assessment Area One from time to time, that such Density Assignment plan shall be presented to the District for review, approval and allocation of the Series 2024 Assessments to the Units included therein and the remaining unplatted (or otherwise unassigned to specific Units) property in the Assessment Area One in accordance with the District’s Assessment Report. Landowner

covenants to comply, or cause others to comply, with this requirement for the reallocation. No further action by the Board of Supervisors shall be required. The District's review of Density Assignment plans shall be limited solely to the reallocation of Series 2024 Assessments and enforcement of the District's assessment lien. Nothing herein shall in any way operate to or be construed as providing any other Density Assignment plan approval or disapproval powers to the District.

***[OPTION 1 FOR SECTION 4.B.ii-iv - IF LAND CLOSINGS TO BUILDER(S) WILL OCCUR PRIOR TO BOND CLOSING AND THUS TRUE-UP WILL BE ENTERED WITH EACH RESPECTIVE LANDOWNER WITHIN AA1]***

ii. The purpose of True-Up calculation(s) is to ensure that the Series 2024 Assessments securing the Series 2024 Bonds will be able to be assigned to at least [# OF ERU COUNTS PLANNED FOR EACH LANDOWNER PROPERTY AT TIME OF CLOSING] ERUs within the Landowner Property. Thus, at the time of final platting of the Landowner Property, there must be at least [# OF ERU COUNTS PLANNED FOR EACH LANDOWNER PROPERTY AT TIME OF CLOSING] ERUs to which the Series 2024 Assessments will be allocated. If not, the District would require a True-Up Payment from Landowner or the person or entity seeking to file such plat in an amount sufficient to reduce the remaining bond debt to the actual number of ERUs platted as in the par amount per ERU as set forth in the Assessment Report.

iii. The True-Up calculation shall be performed at any time there is a Density Assignment, such as a proposed platting and/or site plan approval.

iv. If at the time the True-Up calculation is performed, it is determined that less than [# OF ERU COUNTS PLANNED FOR EACH LANDOWNER PROPERTY AT TIME OF CLOSING] ERUs are to be platted within the Landowner Property, a True-Up Payment shall become due and payable by Landowner. Any such True-Up Payment determined to be due by Landowner shall be paid in full prior to the approval of Density Assignment. Such True-Up Payment shall be in addition to the regular Series 2024 Assessment installment payable for the Landowner Property. The District will take all necessary steps to ensure that True-Up Payments are made in a timely fashion to ensure its debt service obligations on the Series 2024 Bonds. The District shall record all True-Up Payments in its Improvement Lien Book. If such True-Up Payment is made at least 45 days prior to an interest payment date on the Series 2024 Bonds, Landowner shall include accrued interest as part of the True-Up Payment to such interest payment date. If such True-Up Payment becomes due within 45 days of the next interest payment date, accrued interest shall be calculated to the next succeeding interest payment date.

***[OPTION 2, ALTERNATIVE TO ABOVE SECTION 4.B.ii-IV - IF LAND CLOSINGS TO BUILDER(S) WILL OCCUR AFTER BOND CLOSING AND THUS TRUE-UP WILL BE ENTERED IN WITH ONLY WS-GIR AS SOLE LANDOWNER WITHIN AA1 AT CLOSING]***

ii. As the acreage within the Assessment Area One is developed, it will receive Density Assignment. At the time that any Density Assignment plan for Assessment Area One is presented to the District, the District shall determine if the par debt of all outstanding Series 2024 Bonds will be assigned to the total number of Units to be developed, taking into account the submitted Density Assignment plan. If not, the District shall determine the remaining par debt of all outstanding bonds unassigned to Units and the total number of developable acres owned by

Landowner remaining to receive Density Assignment and shall determine if the maximum par debt per acre, as provided in the Assessment Report, is exceeded. If the maximum par debt per acre is exceeded, a True-Up Payment necessary for the debt reduction payment in the amount equal to the par debt that is not capable of being assigned to the total number of developable acres, plus any applicable interest charges and collection fees shall become due and payable prior to the District's approval of such plat or Density Assignment plan in accordance with the District's Assessment Report and Assessment Resolutions, in addition to the regular assessment installment payable for lands owned by the Landowner for that tax year. When the final Density Assignment plan is prepared for lands within the Assessment Area One and presented to the District for review, approval and reallocation of the Series 2024 Assessments, the above-described process for determining whether a final True-Up Payment is due and owing shall be adhered to.

[#]. The District shall not release the lien of the Series 2024 Assessments on any developable land subject to a Density Assignment plan until the applicable True-Up Payments due, if any, have been made. As evidence of a True-Up Payment due and payable, the District, after thirty (30) days' notice to the Landowner that the True-Up Payment is due, may record a Notice of Lien of Unpaid Assessments over the lands affected by such True-Up Payment in the Official Records of Osceola County, Florida, until such time as the True-Up Payment has been paid to the District. The District will ensure collection of such amounts in a timely manner in order to meet its debt service obligations, and in all cases, Landowner agrees that such payments shall be made in order to ensure the District's timely payment of the debt service obligations on the Series 2024 Bonds. The District shall record all True-Up Payments in its Improvement Lien book. In all cases, the True-Up Payment shall be determined in accordance with the District's Assessment Report and any conflict between these documents shall be governed by the District's Assessment Report.

[#]. The foregoing is based on the District's understanding with Landowner that Landowner intends to develop a total of 729 Units with the total number of ERUs as indicated in the Assessment Report on the developable acres within the Assessment Area One. However, the District agrees that nothing herein prohibits more than the number of Units or ERUs indicated in the Assessment Report from being developed. As long as at least the number of ERUs as indicated in the Assessment Report are platted or assigned a Density Assignment, no True-Up Payment will be required. In no event shall the District collect the Series 2024 Assessments pursuant to the Assessment Resolutions in excess of the total debt service related to the Improvements on land, including all costs of financing and interest. The District, however, may collect Series 2024 Assessments in excess of the annual debt service related to the Improvements on land, including all costs of financing and interest, which shall be applied to prepay the Series 2024 Bonds. If the strict application of the True-Up methodology to any assessment reallocation for any plat or Density Assignment plan pursuant to this paragraph would result in assessments collected in excess of the District's total debt service obligation for the Improvements on lands, the District agrees to take appropriate action by resolution at a duly noticed meeting but without the need for further public hearing, to equitably reallocate the Series 2024 Assessments to such Units pursuant to the District's Assessment Report.

**SECTION 5. ENFORCEMENT.** This Agreement is intended to be an additional method of enforcement of Landowner's obligation to abide by the requirements of the reallocation of Series 2024 Assessments, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A

default by any party under this Agreement shall entitle any other party to all remedies available at law or in equity, excluding consequential and punitive damages.

**SECTION 6. RECOVERY OF COSTS AND FEES.** In the event any party is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys' fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

**SECTION 7. NOTICE.** All notices, requests, consents and other communications hereunder ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, by overnight delivery service, or telecopied or hand delivered to the Parties, as follows:

Notices hand delivered after 5:00 p.m. (at the place of delivery) or on a non-business day, shall be deemed received on the next business day. If any time for giving Notice contained in this Agreement would otherwise expire on a non-business day, the Notice period shall be extended to the next succeeding business day. Saturdays, Sundays and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the Parties may deliver Notice on behalf of the Parties. Any party or other person to whom Notices are to be sent or copied may notify the other Parties and addressees of any change in name or address to which Notices shall be sent by providing the same on five (5) days' written notice to the Parties and addressees set forth herein.

Notwithstanding the foregoing, to the extent Florida law requires notice to enforce the collection of assessments placed on property by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

**SECTION 8. ASSIGNMENT.**

**A. Agreement Runs with the Land.** Landowner may not assign its True-Up obligations under this Agreement except in accordance with the terms of this Section 8(C) below. This Agreement shall constitute a covenant running with title to the Assessment Area One, binding upon Landowner and its successors and assigns as to the Assessment Area One or portions thereof, and any transferee of any portion of the Assessment Area One, but shall not be binding upon transferees permitted by Sections 8(B)(i), (ii) or (iii) below.

**B. Exceptions.** Landowner shall not transfer any portion of the Assessment Area One to any third party without complying with the terms of Section 8(C) below, other than:

- i. Platted and fully-developed lots to homebuilders restricted from replatting.
- ii. Platted and fully-developed lots or completed homes to end users.
- iii. Assessment Area One with approved Density Assignment to unrelated third parties.
- iv. Portions of the Assessment Area One exempt from assessments to the County, the District, other governmental agencies or a homeowner's association created to serve any portion of the project.

Any transfer of any portion of the Assessment Area One pursuant to subsections (i), (ii) or (iii) of this Section 8(B) shall constitute an automatic release of such portion of the Assessment Area One from the scope and effect of this Agreement.

**C. Transfer Conditions.** Landowner shall not transfer any portion of the Assessment Area One to any third party, except as permitted by Sections 8(B)(i), (ii), (iii) or (iv) above, without satisfying the following conditions ("**Transfer Conditions**"): either (i) satisfying any True-Up Payment that results from a True-Up analysis that will be performed by the District Manager as a condition to such transfer; or (ii) causing such third party to assume in writing Landowner's True-Up obligation under this Agreement, as applicable to the transferred portion of the Assessment Area One, which assumption shall be recorded in the Official Records of Osceola County. The transferee assuming Landowner's True-Up obligation in accordance herewith shall be deemed the "Landowner" from and after such transfer for all purposes as to such portion of the Assessment Area One so transferred. Any transfer that is consummated pursuant to this Section 8(C) shall operate as a release of Landowner from its obligations under this Agreement as to such portion of the Assessment Area One only arising from and after the date of such transfer and satisfaction of all of the Transfer Conditions including payment of any True-Up Payment due pursuant to subsection (i) or assumption of such obligations by the transferee under subsection (ii) above.

**D. General** – Except as provided in this Section 8, no party may assign its rights, duties, or obligations under this Agreement or any monies to become due hereunder without the prior written consent of the other party, whose consent shall not be unreasonably withheld. Except as provided in this Section 8, any purported assignment by either party absent the prior written consent of the other party as required by this section shall be void and unenforceable.

**SECTION 9. AMENDMENT.** This Agreement shall constitute the entire agreement between the Parties and may be modified in writing only by the mutual agreement of all Parties. This Agreement may

not be amended without the prior written consent of the Trustee and the Bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

**SECTION 10. TERMINATION.** This Agreement shall continue in effect until it is rescinded in writing by the mutual assent of each party, provided, however, that this Agreement may not be terminated without the prior written consent of the Trustee and the Bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

**SECTION 11. NEGOTIATION AT ARM'S LENGTH.** This Agreement has been negotiated fully between the Parties as an arm's length transaction. All Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against either party.

**SECTION 12. BENEFICIARIES.** This Agreement is solely for the benefit of the formal Parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the Parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the Parties hereto and their respective representatives, successors and assigns. Notwithstanding the foregoing or anything else herein to the contrary, the Trustee for the Series 2024 Bonds, on behalf of the owners of the Series 2024 Bonds, shall be a direct third party beneficiary of the terms and conditions of this Agreement and shall be entitled to cause the District to enforce the Landowner's obligations hereunder. In the event that the District does not promptly take Trustee's written direction under this Agreement, or the District is otherwise in default under the Indenture, the Trustee shall have the right to enforce the District's rights hereunder directly. The Trustee shall not be deemed to have assumed any obligations hereunder.

**SECTION 13. LIMITATIONS ON GOVERNMENTAL LIABILITY.** Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

**SECTION 14. APPLICABLE LAW.** This Agreement shall be governed by the laws of the State of Florida.

**SECTION 15. PUBLIC RECORDS.** The Landowner understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and may require treatment as such in accordance with Florida law.

**SECTION 16. EXECUTION IN COUNTERPARTS.** This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment

pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

**SECTION 17. AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this Agreement.

**SECTION 18. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

**SECTION 19. HEADINGS FOR CONVENIENCE ONLY.** The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement

**SECTION 20. EFFECTIVE DATE.** This Agreement shall become effective after execution by the Parties hereto on the date reflected above.

Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the County Commission of Osceola County, Florida (the “County”), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) Ordinance No. 2022-110, effective as of October 25, 2022, was duly and properly adopted by the County in compliance with all applicable requirements of law; and (c) the members of the Board of Supervisors of the District (the “Board”) were duly and properly designated and/or elected pursuant to the Act to serve in their respective capacities and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from October 25, 2022, to and including the date of this Declaration.

2. The Landowner acknowledges and agrees, that the special assessments imposed by Resolution Nos. 2024-04, 2024-05, 2024-[\_\_] and 2024-[\_\_], duly adopted by the Board on September 11, 2024, \_\_\_\_\_, 2024, and \_\_\_\_\_, 2024 (collectively, the “**Assessment Resolutions**”), and all proceedings undertaken by the District with respect thereto have been in accordance with applicable Florida law, that the District has taken all action necessary to levy and impose the special assessments, and the special assessments are legal, valid and binding first liens upon the Property co-equal with the lien of all state, county, district and municipal taxes, superior in dignity to all other liens, titles and claims, until paid.

3. The Landowner hereby waives, for itself and its successors and assigns, the right granted in Chapter 170.09, *Florida Statutes*, to prepay the special assessments without interest within thirty (30) days after the improvements are completed and a resolution accepting the same has been adopted by the District, in consideration of, among others, the rights granted by the District to prepay special assessments in full, or in some cases in part up to one time, but with interest, under the circumstances set forth in the Assessment Resolutions.

4. The Landowner hereby expressly, for itself and its successors and assigns, (i) agrees that the special assessments, the Assessment Resolutions, and the terms of the financing documents related to the District's issuance of the GIR East Community Development District Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) (the "**Series 2024 Bonds**") or securing payment thereof (collectively, the "**Financing Documents**") are valid and binding obligations enforceable in accordance with their terms; (ii) represents that the Landowner has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the special assessments and Financing Documents (and the Landowner hereby expressly waives any such claims, offsets, defenses or counterclaims); and (iii) waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Landowner's default and agrees that, immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*.

5. This Declaration shall represent a lien of record for purposes of Chapter 197, *Florida Statutes*, including, without limitation, Section 197.573, *Florida Statutes*. **Other information regarding the special assessments is available from District Manager, 219 East Livingston Street, Orlando, Florida 32801.**
